Civil Rights attorney Jordan Miller, burdened by asthma, just concludes a morning ocean swim in preparation for his first Hawaii Ironman Triathlon when he discovers a stranger's dead body next to his Malibu beach front home. With the help of five women; a kinky Asian computer hacker, a beautiful African--American zoologist, two hip teenage daughters, and a deceased wife, Jordan must solve this murder, and several more that follow, before the real killers put him on death row. A Psychological Intrigue Set in Alpine New Zealand for young adults and up. Simon, a convicted serial killer of the rich, undergoes treatment at a fledgling private criminal rehabilitation firm, IVRRAC. Simon is then sent to the alpine village of Trentsworth, a town full of rich socialite women, to ascertain whether he is cured of his murderous impulses or not. During his stay in Trentsworth, Simon falls in love with his neighbour, Kyndrea, the only child of a rich widower. After a time he realises there is no way she would be able to love him due to his past. Through this anguish he discovers that the rehabilitation process has failed and he is still able to exact his revenge with dramatic and unexpected results. During the aftermath of his actions he is informed what the anagram IVRRAC stands for and the awful truth that IVRRAC has its own dark secrets and Trentsworth is not at all what it seems. "One mistake, one tiny error in that psych report, the treatment won't hold and that will spell disaster. Suicide, massacre or most likely both! I'll stay with him and watch events carefully, but I won't be held responsible."

The intersection of danger and desire Kenzie Dunwitty is laser focused on finishing college and landing a job that will give her the security she craves. With a deadline looming, she disconnects to finish a paper. When she emerges, the world is sliding into chaos. Overnight, a simple flu virus has morphed into a lethal, worldwide pandemic. Kenzie seeks refuge at her prepper cousin's compound and finds herself face to face with a deadly sexy stranger. Ripper Solis, ex-Army Ranger and current enforcer for an outlaw motorcycle club, protects the people he considers his own. He's not a nice guy. Not a man that a woman turns to for support and comfort. Not the bad boy hero in the romance novels Kenzie's escaped into for years. Or is he? As law and order break down, and the ever-present threat of the virus hangs over their heads, Ripper's strength and resourcefulness offer an irresistible allure. Sexy and commanding, he's everything she ever wanted. Their chemistry is combustible. Will love save the day, or will the perilous new world obliterate their future? Pandemonium is the first novel in the exciting new World Fallen series.

Green technology plays an important role in the achievement of environmental sustainability. Tax incentives, carbon taxes, and rising fossil fuel costs are motivating increased growth and development of 'green' products and services, many of which are the result of innovative discoveries in biotechnology and nanotechnology. Green Technologies and Business Practices: An IT Approach is an international platform that brings together academics, researchers, lecturers, policy makers, practitioners, and persons in decision-making positions from all backgrounds who ultimately share new theories, research findings and case studies, together enhancing understanding and collaboration of green issues in business and the role of information technologies and also analyze recent developments in theory and practice.

Furthermore, this book demonstrates the capacity of green models and policies, information technology and management for the mutual understanding, prosperity and overall well-being of all the citizens in the world. This title is perfect for politicians, professors, policy makers, government officers, and students alike.

Fate brought them together, but happiness has a price. The pandemic has ravaged the world and taken everything from Sunny McAllister. But when she literally collides with her older brother's best friend—the guy she's lusted after for years—hope and desire spark anew. Rich, handsome, happy-go-lucky Kyle Chamberlain used to lead a charmed existence. Since society collapsed, he's had to fight for everything—food, survival, and the safety of others. Now that he's found Sunny, his focus is on protecting her, which means getting her to the secluded ranch where he's made a safe home with his friends. Only Sunny's not the starry-eyed innocent he remembers. The heat between them burns as bright as it has in her fantasies, but as much as she wants a life with Kyle, she's determined not to abandon their hometown and its survivors. When a powerful old acquaintance rides into town with his private army, he promises Sunny and Kyle the keys to the kingdom if they join forces with him. But deals that sound too good to be true

usually are. Can Sunny and Kyle have it all? Or will they lose what's most important—each other? *Bedlam* is the third novel in the exciting *World Fallen* series.

Combines two stories about the heartthrobs of Buckhorn County, Kentucky, including Gabe Kasper, who is put on a pedestal by Elizabeth Parks after he rescues some kids from a lake and Jordan Somerville, who breaks his own rules on love by falling for single mother and exotic dancer Georgia Barnes. Original.

Jason Li is seconds away from pulling the trigger to end his life. Difficult to believe considering three years ago he was on the fast track to becoming a Navy fighter pilot, following in the footsteps of his older brother and modern combat ace, Lt. Jordan Li. But now Jordan is dead; killed in what the Navy claims was a "freak accident" over the Pacific Ocean. Jason never got over the death of his brother-his mentor, his hero. Now discharged from the Navy for chronic mental breakdown, Jason has no career, no family and no reason to live. It's time to finish it. He begins to squeeze the trigger when suddenly- The doorbell rings. Standing there is a stranger who informs him that everything the Navy told him was a lie--a stratagem for one of the most daring Black Ops missions ever attempted. His brother was the centerpiece of that operation which has now reached critical mass. The Navy has reason to believe that Jordan may not be dead after all. They need Jason-enraged, victimized and unstable-to find his brother deep within China. If he accepts, the Pentagon gives him his life back, and the chance to fly the most advanced fighter plane ever designed. But if he refuses, hundreds of thousands of people will die.

Dr. Alexander Hakimian's life is idyllic by any measure. Alec is a world-renowned brain surgeon, married to an intelligent and beautiful wife, and the father of a young, precocious daughter. But his life is profoundly transformed in a nanosecond when he receives a phone call from the director of the National Security Agency. The NSA has come calling for Alec because, as a former CIA deep non-official cover, or NOC, he possesses a unique skill set. The war on terror is threatening the lives of every American. Armed with a top-secret Executive Order from the president, Alec is tasked with ridding the world of one of the most dangerous terrorist organizations and its maniacal leader. Alec leads Operation Star 9, a clandestine black operations unit specifically assembled for the daunting task. They cross the great expanses of the Middle East in a relentless search for the Khamsin terrorist organization, named for the ferocious desert wind that blows across the region. It is led by the elusive al-Ankabut, or Spider, who weaves a web of death and destruction unparalleled in modern history, with worldwide Islamic hegemony as his ultimate goal. Facing a terminally terrorist-ridden world, Alec must track down the Spider and prevent his plans from coming to fruition at all costs.
