

## Irs Tax Resolution

This textbook written by Peter Stephan is a must for anyone planning on practicing Tax Resolution.

IRS TAX LIENS? SEIZED BANK ACCOUNTS? WAGE GARNISHMENT? IRS WANTS YOUR HOUSE? Problem Solved!!! Stop IRS collection activities NOW! Learn how to get rid of IRS tax liens, stop defaults and IRS property seizures, and put your life back together again! Tax Attorney and IRS Enrolled Agent, David J. Magee, Esq., expertly guides taxpayers through the labyrinthine IRS web of rules and regulations to show: -How to get rid of the IRS "secret lien" and restore your credit! -9 ways to save your property from immediate seizure by avoiding the IRS' dreaded "won't pay" list. -5 proven strategies for protecting your house from an IRS seizure. -How to SAVE your business when the IRS wants to shut it down for unpaid trust fund taxes. -6 ways to permanently eliminate IRS tax liens, restore your credit rating, and get your life back. -3 effective strategies for getting permanent relief from serious and financially crippling tax problems caused by your spouse or ex-spouse. -Time-tested proactive strategies using Installment Agreements and Offers in Compromise to get out of the IRS doghouse, save your property, and restore peace to your life! This Quick Guide is for taxpayers who need help: Taxpayers with serious IRS problems who are looking for effective and timely solutions that will resolve their tax debt.

Layman's insight to how to deal with the IRS when they have tax problems. There is and overview of the various IRS programs to aid a taxpayer in getting back on track with their federal tax matters.

Wage Garnishments? Bank Levies? Tax Liens? Audit? Problem Solved!The number of American consumers with tax problems is at an all-time high. Millions of taxpayers are facing forced collection from the IRS and are seeing their bank accounts seized, their wages levied, and their lives destroyed. Finally, a Florida Tax attorney has created a practical step-by-step guide specifically designed to tame the tax collection process.In I Can't Pay The IRS! Now What?, attorney Charles W. Price Cracks the IRS Code for taxpayers and reveals: \* 36 ways to stop IRS collections - immediately!\* 9 steps to slash your tax debt, EVEN if you are in default and facing levies or garnishments and how to negotiate the deal\* 8 strategies for saving your business AND how to minimize your personal liability\* How to keep the IRS for EVER trying to collect the debt, EVEN if you owe the tax\* Bankruptcy - Chapter 7, 11 and 13. What they mean; key considerations and how and when to use each strategically\* 5 step-by-step methods to avoid the debt created by your spouse\* 7 strategies for removing tax liens and saving your creditIn I Can't Pay The IRS! Now What?, attorney Charles W. Price explains in plain English all of the time-tested techniques and practical solutions he has used for more than 25 years to save thousands of consumers from the IRS.

Do you owe any back IRS taxes? Are they making your life miserable? Are they taking your wages and bank accounts? Have they seized any of your property? Can't sleep? Would you like to hire someone to assist you in the tax matter, but just cannot afford to do so? If so, this book may be of some help to you. It will guide you through the IRS collection process, step by step. It offers guidance on many phases of the IRS collection process. It can also assist you in determining which path, through the collection process, may be the best one for you. Possible options include offer in compromise, installment agreements, temporary suspension of collection activity, bankruptcy, waiting for the ten year collection statute to expire, and more. If you feel you do not owe the tax debt, there are options such as innocent spouse claim for a joint tax liability, and an offer on the basis of doubt as to liability, should you feel the IRS assessment was made in error. Should an additional assessment have been made after an audit, and you missed the deadline for appeals consideration, it may still be possible to request audit reconsideration, up to a year following the assessment. Should you feel you have exhausted all IRS avenues for resolution of your tax matter, it may be possible to obtain assistance from the Taxpayer Advocate. The information in this book should assist you in that regard, as well. Types of notices are discussed, herein, so you may determine whether you have thirty, sixty, or ninety days to act, in an effort to avoid levy or seizure. Following the suggestions in this book should assist you in handling most federal tax matters, with IRS. However, should you feel you would like to pursue possible professional assistance, please feel free to contact the author at [www.dchisholmea.com](http://www.dchisholmea.com).

This Business Taxpayer's Guide to IRS Tax Debt Resolution is intended to provide its readers with simple, direct, and easy-to-understand guidance in plain easy-to-understand English to explain the various collection processes, methods, policies, and procedures available to, or required of, the Internal Revenue Service (IRS). It also offers approaches in which a business or business owner can informatively respond to IRS collection efforts, along with an overview of the most common strategies and methods I have advised business taxpayer clients over the course of my career as a tax attorney, in an effort to help clients resolve the federal tax debts of their businesses. This book has been specifically tailored for businesses that owed unpaid business taxes to the IRS. It has also been written in a "get-to-the-point" manner so as to avoid being an all-encompassing treatise of federal tax law controversy for business owners. It is not intended, specifically, for individuals or persons who own personal income taxes (except for tax liabilities that relate to personal trust fund tax assessments and 941 quarterly employment taxes).

Internal Revenue Service payroll tax audits and debts can cause financial turmoil on a business with employees. Knowing what causes payroll tax debts and audits, how to address cause of tax problem, compliance requirements and determining the best solution to the audit or debt leads to preventing IRS Collection Actions that can cost thousands if not hundreds of thousands of dollars in tax representation fees. Knowing who to hire when a business owner, officer needs professional help is also covered in this book. Not all tax professionals know or want to represent employers with payroll audits or payroll tax debts. The reason is that IRS Payroll Tax Audit and Debt resolution has over twenty six different processes and procedures. It is a grey area that covers administrative procedures, tax law according to the Internal Revenue Code, Treasury Regulations, Tax Court case decisions, Bankruptcy law, Criminal and fraud case issues and many other factors that can affect the manner in which a tax professional training, knowledge and expertise is utilized to secure the best resolution options for the client. Tax Attorney, Certified Public Account and Enrolled Agents are the only three types of tax professionals that can represent clients with IRS Collection problems. Do not get fooled by tax relief companies that promise a Fresh Start, Offers in Compromise and penalty abatement solutions. Not all cases fall into these potential resolution options. Bankruptcy is not a solution for payroll tax debts are not discharged. You can file bankruptcy which is in the majority of cases very costly. Bankruptcy Attorneys' in Los Angeles are known to charge more than Forty-Thousand dollars to file bankruptcy for a business. That is the starting retainer amount. The IRS Collection Officer is known as the business terminator for they will take enforcement action if and when businesses do not follow directions and provide solutions to payroll tax debts. Liens are recorded, levies (garnishments) issued to known accounts receivable, financial institutions, third party holders of funds for the tax debtor. Furthermore, the Revenue Officer can take seizure action and shut down a business for accumulating payroll taxes. Sale of business assets and at times personal assets with equity will also be enforced. Then, there is the issue of what is known as the Trust Fund Recovery Penalty. The payroll tax withholding amount unpaid for each quarterly tax period is calculated and added to the employee share of Social Security tax withholding and Medicare tax taken from their pay. Then, the person at the employer who individually was responsible for paying payroll taxes for the entity (employer) and who willfully fails to pay can be billed individually for the unpaid payroll taxes. There is a whole process that is worked simultaneously by the Revenue Officer by interviews, securing business records, financial records and personal financial statements to determine the collection potential of the payroll tax debt from personal assets of the non-paying individual or entity. Read Internal Revenue Code 6672. This in itself will cost the employer and those persons who failed to make sure the taxes were paid over to the U.S. Treasury. Stories of businesses that had payroll tax problems when the Author of this book was a Revenue Officer are provided as examples for the business owners, officers, directors and members of businesses. Avoid the accumulating payroll tax debts at all costs. Even if your company hires a payroll service provider company or individual. You are ultimately responsible for verifying that payroll taxes are

filed and paid according to the federal tax deposit rules and regulations. Avoid the high penalties for failure to file, failure to pay, failure to deposit, interest and many other consequences that will affect your business financially. Criminal prosecution and injunctions may also affect your business and personal finances.

E Z IRS tells how to take advantage of money-saving tax tips and loopholes in an easy-to-understand forty-seven-chapter tax reference manual. The chapters in the book give step-by-step instructions to fix your IRS problems. The author is a retired IRS agent, group manager, Chicago civil fraud coordinator, and IRS instructor. E Z IRS covers all the major types of tax relief from IRS debt. This includes the IRS Fresh Start Program, bankruptcy, offers in compromise, innocent spouse, and how to deal with the IRS Collection Division. You can save up to 85 percent on the Fresh Start Program and 100 percent on bankruptcy. The book also covers criminal fraud, failure to file cases, your chances of going to jail, and how the IRS catches tax cheats. After reading this book, you will learn how to navigate the IRS and take advantage of all the free help and information on IRS. gov.

Faced with a tax problem have you wondered about these ads on tv, radio, and mail that promise resolution miracles with your tax problem? Have you wondered if they're tax scams, tax gimmicks, tax fraud, or pipe dreams? Depending on the tax resolution company, you're probably right! As an Enrolled Agent I'm authorized to represent tax payers in front of the IRS to help them solve their tax problems. Since I make a living helping taxpayers resolve their IRS problems, nothing strikes a chord more than companies that claim to help people with their tax problems but end up doing very little for a lot of money. This book will cover the major ways that tax resolution companies mislead (scam) taxpayers and the simple solutions that you can take to resolve your IRS issues yourself. Most importantly you'll identify the most popular ways that some tax resolution companies scam you out of your money by using marketing gimmicks and sometimes even fraud.

Michael Rozbruch, CPA, Certified Tax Resolution Specialist and founder of Michael Rozbruch's Tax & Business Solutions Academy, that coaches and helps practitioners build highly profitable IRS representation practices, has written this book and is sharing the 5 secrets he used to grow his practice from zero to over \$22 million in 12 years. He tells you how to add 3 to 10 new tax resolution clients a month--with minimum expense to you; how to close 80%-90% of the prospects that come in through your various marketing channels and the Who, What, Where, When and How to Charge tax resolution clients effectively and in advance. Michael helped pioneer the tax resolution industry over 18 years ago. The IRS Transcript Monitoring Program or TMP is specifically designed to help tax resolution professionals earn a substantial, regular, passive income from your already existing tax resolution clients using the tools you probably already possess. The TMP will teach you how to monitor changes to your clients' IRS transcripts of account after you have obtained a resolution with the IRS to protect them from defaulting that resolution. The TMP will also teach you how to earn up to \$100 per month from each and every one of your existing tax resolution clients. It will teach you how to monitor your client's installment agreements, partial payment installment agreements, currently not collectible status, Offers in Compromise, it will detect upcoming Audits, the dreaded CP2000 notices, tax lien filings. It also help you identify first time penalty abatement opportunities. Its like an early warning system for your clients. Your level of tax resolution experience does not matter. If you have tax resolution experience, start making money right away with the Quick Start Guide. If you are newer to tax resolution, start with section two where you will learn everything you need to know. The letters and emails to your clients, the Engagement Letter, the script to sell in person or over the phone are all done for you. It will teach you how to overcome objections and how to drop down your pricing and ensure a sale. The Program also comes with a video library to show you exactly how to use the IRS Transcript Monitoring Program. To properly use the TMP you will need access to the IRS Transcript Delivery System and the computer program Pitbull or the Executive version of Tax Help Software. That's all you need to start earning up to \$100 per month from your already existing tax resolution clients each and every month using the IRS Transcript Monitoring Program. Tax resolution professionals all over the United States are using the IRS Transcript Monitoring Program to make money. An EA in Alabama sold two clients 15 minutes after reading the quick start guide. A CPA in Arizona sold one client the day she got the program, and you can too.

Payroll taxes are taxes imposed on employers or employees and are usually calculated as a percentage of the salaries that employers pay their staff. Knowing who to hire when a business owner, the officer needs professional help is also covered in this book. Not all tax professionals know or want to represent employers with payroll audits or payroll tax debts. The reason is that IRS Payroll Tax Audit and Debt resolution has over twenty-six different processes and procedures. It is a grey area that covers administrative procedures, tax law according to the Internal Revenue Code, Treasury Regulations, Tax Court case decisions, Bankruptcy Law, Criminal and fraud case issues, and many other factors that can affect how a tax professional training, knowledge and expertise is utilized to secure the best resolution options for the client.

Michael Rozbruch, CPA, Certified Tax Resolution Specialist and founder of Michael Rozbruch's Tax & Business Solutions Academy, that coaches and helps practitioners build highly profitable IRS representation practices, has written this book and is sharing some of his industry secrets. In this book he will show you how to add 3 to 10 new tax resolution clients a month--with minimum expense to you; how to close 80%-90% of the prospects that come in through your various marketing channels and the Who, What, Where, When and How to Charge tax resolution clients effectively and in advance. Michael helped pioneer the tax resolution industry over 16 years ago and built a practice from zero to over \$20 million in 10 years.

Resolve your IRS tax debt using this guide. Authored by an experienced tax attorney who has settled and resolved hundreds of tax cases with the IRS. This book will help you navigate the complicated IRS collection process by teaching you the ins and outs of setting up payments plans and the offer in compromise process. Through the use of detailed

images and explanations of actual IRS forms in this book, you will be able to obtain the best result possible on your own. You will learn what is true and what is too good to be true. Get yourself out of tax debt without spending thousands on unnecessary fees to third party tax debt relief agencies. Subjects covered include: Offer in Compromises, streamline payment plans, fresh start payment plans, local revenue officers, penalty abatements, statute of limitations considerations and many more!

Now you can utilize the proven methods utilized by tax professionals to reduce tax liabilities and resolve problems with the IRS. This inside look at professional tax resolution strategies is written in plain language and includes step-by-step instructions for using the strategies. Tax Resolution Secrets is authored by one of the leading practitioners in the tax resolution industry today, and is a sought after trainer for teaching these strategies to other tax professionals.

A Guide to IRS' Offer in Compromise Process The IRS Offer in Compromise Program is designed to give taxpayers a "fresh start" by eliminating or substantially reducing their back tax debts, and removing federal tax liens. Thanks to the IRS "Fresh Start" Initiative, it's now easier to qualify for an Offer in Compromise. The "Fresh Start" Initiative has also made it easier for you to have a much lower offer amount than before! The author of this book is a 31 year veteran of the IRS, and he provides you with a unique, "inside the IRS" perspective concerning how to prepare a complete Offer in Compromise, and how to effectively communicate with the IRS...giving you the best chance at success! This book provides you with a simple step-by-step guide to help you prepare the actual forms needed to prepare a thorough Offer in Compromise, and gives you a better understanding of the offer process. The author also describes the "big mistakes" that many taxpayers make...keeping you from making those same fatal errors. This book is up to date with the most recent changes the IRS made to the Offer in Compromise process! If you aren't sure if you want to submit an Offer in Compromise yourself, this book will still help you by explaining how, and where you can find the best tax professional for assistance. With the help of this book, you'll have the best chance of getting your life back!

The most recognizable tax expert in the nation, Roni Lynn Deutch has helped save American taxpayers tens of millions of dollars from the clutches of the IRS. Owner of the nation's largest tax-resolution firm and a new tax-preparation franchise, Deutch knows the IRS has no problems taking advantage of taxpayers who might be uninformed about tax laws or who are unable to pay due to financial troubles. And the IRS pressure is only going to get worse. With almost \$2 trillion in government bailout money approved by Congress for 2008 and 2009 in addition to a hefty stimulus package, you better believe Uncle Sam has no intention of being stuck with the tab. So how is the government going to get that money? Through taxes, of course, and the IRS is going to audit people at unprecedented rates. And they are going to raise the rates on existing taxes to historically high levels. If you're behind on your taxes, the government is coming after you. Millions of Americans may be down on their luck and hurting financially, but the IRS, whose sole purpose is to confiscate the assets of American taxpayers, will seek you out, regardless of your ability to pay. It's up to you to protect yourself, and that's where the Tax Lady comes in. Deutch identifies what the IRS can do to you if you fall behind on your taxes - wage garnishments, tax levies and liens, interest and penalties, and ruined credit - and how you can prevent these things from happening or fight back if they do. In the book; Why your taxes are going to rise in this economy Steps to avoid getting yourself into back taxes Your options when confronted by the IRS When to file and how to balance withholdings When it's not a situation you can handle yourself and is time to see a professional Get a bailout of your own - Surviving the Coming Tax Disaster will show you how!

How the US tax code allows you to make up to \$250,000 tax free one every two years with real estate.

Going through any divorce is stressful. Unfortunately, some divorcing families find themselves with some type of IRS Tax Problem, which makes matters even more difficult and complex. Whether a family finds themselves with a balance due or with unfiled tax returns, the IRS is relentless in collecting taxes they determine are owed. Many families assign tax obligations as a part of the divorce process. In many instances, the assignment of tax liability agreed upon by the divorcing spouses, will have NO bearing on the IRS Collection Process and how the IRS will attempt to collect the tax. This book explains how the IRS Collection Process works for families who are going through a divorce. Special emphasis is given to taxpayers contemplating divorce, taxpayers who find themselves in the middle of a divorce and for divorced taxpayers thinking of remarriage.

Our nation is deep in debt. The federal government is frantically looking for ways to bring in more cash. And they are looking at you, the American taxpayer, to refill government coffers. Here is everything you need to know about how the U.S. got into this mess, how to keep your taxes in order, and how to recognize IRS strong-arm tactics.

Tax problems - like IRS notices, audits, and penalties - can be stressful. They're even more stressful if you ignore them. Having Uncle Sam breathing down your neck over a tax issue can make anyone seek out a quick fix, but before seeking help from a company, experts advise doing your due diligence. This book shows people in business and particularly real estate professionals how to save taxes; how to legally keep the money they make!

If you want to know more about the resolution of IRS problems, read the Tax Champions Guide to IRS Tax Resolution. This guide is filled with clear explanations and answers to the most common IRS problems.

GIVE YOUR BUSINESS A BREAK Dealing with the IRS, being hit with unfair penalties, and trying to prevent an audit can be...taxing. That is, if you're doing all that without the right help. Patrick LeClaire is able to help you and your business beat the tax guy-- because he is the tax guy. In his book Taxation with Representation: Advice from a Tax Resolution Specialist, Patrick LeClaire--certified tax resolution specialist and enrolled agent with the IRS--breaks down the taxation process from the inside out so you know just what to be aware of and how to protect your business-- and yourself--from it. Taxes are unavoidable, but the troubles that come with them are not. Presented in this book are three complementary sections that deal with the IRS and tax issues: -Part I: Getting Informed and Prepared -Part II: Responding to 'Issues' -Part III Getting Help The IRS can be scary, but after decades of experience, Patrick knows how to make the IRS your ally in resolving tax disputes. The advice and expertise within these pages are must-have resources for a small, midsize, or independent business owner who wants to maximize his or her profits--and minimize stress and hassle. With his book, Patrick LeClaire is offering you the best return on

investment you'll ever see.

Completely revised and expanded second edition. New for 2016! This comprehensive checklist manual is your key to the gates of tax practice efficiency. Contains complete, step-by-step checklists covering the marketing, selling, and working of tax resolution cases. From daily marketing checklists to specific checklists for obtaining Installment Agreements and other IRS tax debt resolutions, this systems manual drastically short cuts the time it will take you to implement proven, effective procedures into your tax practice.

This book is written for taxpayers who have been enduring IRS problems for years, many without help from their loved ones. Most of them are successful professionals, entrepreneurs, dedicated mothers, fathers, wives, and husbands who want to protect their careers, businesses, spouses, and children from any financial troubles at all costs. They have kept their IRS troubles a secret and suffered tax anxiety disorder for years. These people can be the most admired, gentlest, and easy-going persons; however, they sometimes vent their secret frustrations at their employees or their loved ones. Because of tax anxiety disorder, they can be a completely different person in public and in private with different personalities. These relatives wonder what is happening to their fathers, mothers, and spouses who are very compassionate in public but sometimes act violently at home. Studies have been conducted about this type of emotional disorder that has taken a toll on a large population and some have suggested how to combat this mental disorder. Anxiety disorders can take on several forms, such as chronic worry, phobias, social anxiety, obsessive-compulsive, and panic. It is a psychological condition that affects highly productive people in a myriad of ways, including shame, frustration, hostility, fatigue, insomnia, irritable bowel syndrome and various other stress-induced diseases. Fear of IRS, panic at tax filing time, afraid of receiving IRS letters, etc. are among the symptoms of tax anxiety disorder syndrome. The disorder also affects the way a sufferer thinks, acts, and interacts with others. Ironically, most sufferers are extremely proficient at concealing their symptoms, and as such, they typically suffer in silence. As with any disorder syndrome, as long as the cause can be discovered, the cure will be found with help of professionals in the field. The treatment utilizes strategies such as providing education on the nature of anxiety and helping clients learn to identify and adjust from unhelpful thought patterns. In some cases, help comes too late to be effective. Some have to spend time in jail; some even commit suicide before their problems come to light. Anh Le, CPA, EA, is a Certified Public Accountant licensed in Illinois and Missouri. He is also a federal certified Enrolled Agent in front of the IRS. He specializes in tax resolution, and tax defense in finding solution for client's tax debt. He has been in business for more than 25 years with taxation focus for the last 10 years. In this book, Anh Le will start the transformation process by identifying tax anxiety disorder syndrome symptoms, analyzing the roots of tax anxiety disorder, consequences of the disorder and IRS actions against them, finding solutions, and avoiding the same problems from happening again. In the process, he will also dispel any myths of quick-fix solutions for your IRS problems. Also, he will discuss a new travel ban used against trouble taxpayers, and also some tax issue trivia. Anh Le works with average clients who are for whatever reason at odd with the IRS. He has helped thousands resolve their IRS issues. His clients are from all over the country, but the majority is in greater St Louis area and southwestern Illinois. Most of clients praise him for his "quick, efficient, and effective services" (Robert Gagliano, Glen Carbon, IL). The keys of success have been his comprehensive approach in tax resolution process, from case discovery to tax compliance, in order to arrive at the best tax solution for clients.

The IRS assesses \$30 billion in interest and taxes on taxpayers each year. Tax professionals get half of those penalties removed. The IRS penalty machine is getting more powerful and oppressive every day. There are more than one million seven hundred thousand taxpayers who are struggling to pay delinquent tax debt. This book is written by a tax resolution professional to teach you how to get penalties removed, settle for debt for less, remove IRS liens, set up installment agreements, and find taxpayer advocates to represent you if IRS debt collections is causing a hardship. This book is a collection of my years of dealing with the IRS as a CPA and an Enrolled Agent (EA). It has the potential to save you tens of thousands of dollars in tax debt relief. This book is a must read for anyone who owes the IRS money.

The Internal Revenue Service is the revenue service of the United States federal government, which is responsible for collecting taxes and administering the Internal Revenue Code, the main body of the federal statutory tax law. By understanding what happens when you get IRS letters or a tax levy, you will be better prepared to face the IRS after reading this book. The following tax questions will be answered in this easy to read the book: Do I need to worry about my tax problem? Will I get arrested? Is this the right tax resolution company for me? Why should I hire a tax problem professional? What can happen to me? If you are in any of these situations this book is for you: I owed money to the IRS and lost my job. I have received multiple notices from the IRS. I just filed for bankruptcy and can't pay the IRS. My paycheck is going to the IRS and I need to feed my family.

With the publication of Coronavirus (COVID-19) Tax Relief: Law, Explanation & Analysis, Wolters Kluwer is providing practitioners with a single integrated source for law and explanation of the tax provisions of the Families First Coronavirus Response Act and the Coronavirus Aid, Relief, and Economic Security (CARES) Act as well as other important guidance issued by the IRS. This volume includes the text of amended sections of the Internal Revenue Code, Congressional reports, and detailed explanations, complete with analysis and practitioner comments covering the tax provisions of these two massive Acts.

The LifeSpan Process of Tax Resolution and Financial Freedom is a step by step approach to dealing with IRS tax problems. This book is designed to help individuals with tax liabilities understand how the financial planning process can work to help them deal with the IRS while eliminating negative financial behaviors that often lead to tax troubles. It may also be used as a tool for tax and financial planning professionals to establish tax debt management programs for their clients. Tax Resolution and Financial Freedom explains how to identify and implement the ideal solution to tax problems. The tax resolution plan outlined in this book uses the basic financial planning process to help people take control of tax and financial problems. The ultimate goal is to achieve tax resolution and financial freedom. If you or someone you know is experiencing financial stress related to tax debt, the steps of the LifeSpan Process provide the best path to Tax Resolution and Financial Freedom.

Do you or a family member owe the IRS unpaid taxes, have unfiled tax returns, or can't sleep because of the stress about receiving threatening IRS tax letters and notices? Has the IRS placed a lien on your personal residence or other assets? Has the IRS levied your wages or bank accounts? Perhaps you have been intrigued by the television and radio ads where a celebrity touts the merits of using the firm that is paying the celebrity a handsome fee for his endorsement. You may have heard that the IRS will accept an offer to settle your tax debt for less than the full amount owed or that penalties can be forgiven. IRS rules are complex. This book explains in plain English how the IRS collection process works, how the offer in compromise program works (paying less than the full amount owed), what is required to begin an installment repayment plan with the IRS, how to abate IRS penalties and other IRS resolution alternatives available to a taxpayer to stop those collection notices. If you are considering working directly with the IRS or using your tax preparer or an attorney who does not specialize in IRS tax resolution, you need to read this book before taking any action. You generally only have one opportunity to resolve your tax problems with the IRS. You want to make sure that you understand your options when working with the IRS and that if you engage a firm to represent you, that it is an experienced tax resolution firm that understands the ins and outs of dealing with the IRS. Lawrence M. Lawler, CPA, EA, and Director of the American Society of Tax Problem Solvers representing over 1,000 tax resolution specialists in the United States and Canada, says that "Anyone contemplating self-representation before the Internal Revenue Service must read this book first!" How to Resolve

Your IRS Tax Debt Problems is an excellent resource for not only individuals who are planning to represent themselves before the IRS, but for those persons who are interviewing firms to represent them. By reading this book, you will be able to better identify who is an experienced tax resolution specialist.

This book discusses the options that are available to settle a taxpayers debt with the IRS. And the method that is used by Tax Resolution Services NW.

Most Americans with tax problems wait for the Internal Revenue Service to take aggressive action before seeking professional help. That's despite the fact that an estimated 40 to 50 million people owe the IRS money. They don't seek help because they can't afford to hire a tax professional, they're being intimidated by the IRS, or they just don't know that tax relief programs exist. This do-it-yourself guide helps you resolve tax problems on your own. Get advice on how to: · fill out IRS forms in a way that gives you more control over the results; · keep the IRS from taking collection actions against you · trim your corporate payroll liability so the IRS can't close your company; · set up a payment plan that you can manage on your terms. You'll also get tips on building rapport with the IRS and doing the little things that will get government workers on your side. If you work with them instead of against them, you'll make your life much easier. Owing money to the IRS can be scary, but you can meet the situation head-on and with confidence with The Tax-Help Directory.

"HELP! The IRS is after me. What do I do?" provides individuals concrete steps and specific situations that can be used to help get the IRS off of your back. A series of questions and plain English descriptions provides the reader an easy way to determine what steps need to be taken, who should be your advisor for a tax problem, and tips on how to help save a readers job, keep their family, and re-claim their life. If you have any tax problems, need a tax resolution expert or just have some small questions about what happens when you owe taxes to the IRS reading this book will change your life. By understanding what happens when you get IRS letters or a tax levy, you will be better prepared to face the IRS after reading this book. The following tax questions will be answered in this easy to read book: Do I need to worry about my tax problem? Will I get arrested? Is this the right tax resolution company for me? Why should I hire a tax problem professional? What can happen to me? If you are in any of these situation this book is for you: I owed money to the IRS and lost my job. I have received multiple notices from the IRS. I just filed for Bankruptcy and can't pay the IRS. My paycheck is going to the IRS and I need to feed my family. All these tax situations and more are address in this book.

Attorney Robert Schaller and the Schaller Law Firm offer IRS Innocent Spouse Tax Relief to tax professionals. This book is a scholarly treatise on the IRS program that relieves a requesting spouse (or former spouse) from joint and several tax liability. Innocent spouse relief is offered on equitable grounds or when the tax is attributable to a non-requesting spouse's bad behavior – including fraud, income concealment, income misstatement, and unwarranted expense deductions or tax credits. This book offers a deep dive into the U.S. Tax Code, Treasury regulations, court opinions, the Internal Revenue Manual, and IRS Revenue Procedures that comprise the IRS' Innocent Spouse Tax Relief program. This is a resource book for tax professionals. Congress authorized relief to the "innocent" spouse who would otherwise be inequitably harmed by the non-requesting spouse. The three types of relief from joint and several tax liability are analyzed with relevant citations to the U.S. Tax Code, Treasury regulations, court opinions, the Internal Revenue Manual, and IRS Revenue Procedures. A separate discussion is presented for Innocent Spouse Relief, Separation of Liability Relief, and Equitable Relief, including a line-by-line analysis of IRS Form 8857, Request for Innocent Spouse Relief. An 8-page Table of Contents, a 19-page Table of Authorities, and a 9-page Index aides a tax professional's scholarly understanding. The book also explores premature and untimely relief claims, appellate review of rejected claims, and refund claims after relief is granted. IRS Innocent Spouse Tax Relief also explores the IRS collection process with a discussion of IRS levies, tax liens, installment agreements, the offer in compromise program, and currently not collectible status. Finally, powers of attorney and third-party authorizations are examined, including a line-by-line analysis of IRS Form 2848, Power of Attorney and IRS Form 8821, Tax Information Authorization.
