Emanuel® Law Outlines: #1 outline choice among law students Comprehensive review of all major topics Capsule summary of all topics Chart correlating the Emanuel® Law Outline to the leading casebooks Time-saving format Great for exam prep

LAW FOR BUSINESS offers a practical approach to law that emphasizes current, relevant topics you need to succeed in contemporary business. Cases throughout the text highlight issues such as trademark infringement, computer tampering, pollution, agency, and employment-at-will. Plus, timely coverage of business ethics and the law gives you new insight into recent corporate scandals and indictments. Ashcroft and Ashcroft use short chapters, a four-color design, real-world examples and applications, and integrated learning objectives to make business law approachable and engaging for all students. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The seventh edition of The Business Environment has been perfectly tailored to cover the core topics that will be studied on an introductory Business Environment module. This fully updated new edition provides comprehensive coverage of the varying factors that make up the business environment, with a particular focus on how these factors impact business organisations and the decisions organisations make. Key Features: Up-to-date coverage The business environment continues to evolve, and this new edition takes on board recent issues including: The after-effects of the 'credit crunch' The emerging economic power of China, India and Brazil Data security and privacy Business ethics Cultural identity Climate change Real life examples New opening vignettes introduce the main topic and show the business environment in real life. In addition, the book contains a wealth of shorter and longer case studies featuring companies such as Google, Amazon and Virgin Trains. Pedagogy Clearly written and user friendly, the book boasts a full range of learning tools which include: Learning Objectives, Thinking Around the Subject boxes, Review Questions, and Activities.

The book 'Business Law' deals with the fundamental branches of business law, namely, law of contract, law of sale of goods, law of partnership, law of negotiable instruments and law of limited liability partnership. Its contents have been extracted from the authors' reputed title 'Mercantile Law' that has gained tremendous readership over the years. Bringing the book directly in line with the amended CIM Business Law syllabus, the book provides marketing students with a thorough working knowledge of the law on contract, sale of goods, agency, as well as the legal mechanisms for resolving commercial disputes, together with coverage of other selected topics which are of importance to marketeers and business in general.

"This book explores game theory and its deep impact in developmental economics, specifically the manner in which it provides a way of formalizing institutions"--Provided by publisher.

Packed with current examples and engaging scenarios, BUSINESS LAW AND THE LEGAL ENVIRONMENT, STANDARD EDITION, 7E has earned the stamp of approval from trial and appellate judges, working attorneys, scholars, and teachers for its full breadth of business law coverage. Extremely reader-friendly, the text is known for its lively, conversational writing style that explains complex topics in easy-to-understand language as it illustrates how legal concepts apply to everyday business practice. The seventh edition includes a new emphasis on the digital landscape, expanded coverage of international law, and new information on privacy issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Based on the longtime market-leader BUSINESS LAW: TEXT AND CASES by Clarkson/Miller/Cross, this paperback text offers an affordable solution for those looking for a

concise one-semester text that offers in-depth treatment of today's business law topics. Designed for the contemporary one-semester course, BUSINESS LAW: TEXT AND CASES--AN ACCELERATED COURSE provides the rigor and seriousness of a classic black-letter law text with a brief nineteen-chapter table of contents. The text combines the benefits of a black-letter law approach with a strong student orientation, making the law accessible, interesting, and relevant for readers. An excellent assortment of included cases range from precedent-setting landmarks to important recent decisions, and ethical, global, e-commerce, digital, and corporate themes are integrated throughout this edition. In addition, numerous critical-thinking exercises challenge students to apply what they have learned to real-world issues. This highly acclaimed guide explains the business of the British music industry. Drawing on her extensive experience as a media lawyer, Ann Harrison offers a unique, expert opinion on the deals, the contracts and the business as a whole. Whether you're a recording artist, songwriter, music business manager, industry executive, publisher, journalist, media student, accountant or lawyer, this practical and comprehensive guide is indispensable reading.

This is a practical guide for those studying business and management-related subjects at undergraduate level. Written in an engaging and clear style, the book helps students prepare effectively for assignments, presentations, examinations and dissertations, encompassing both business studies and the real workings of business.

? How are the emerging economies of China and India affecting the global business environment? ? What impact has the global financial crisis had on the way businesses operate? ? How should business leaders in the age of the multinational enterprise approach their social and ethical responsibilities? This bestselling textbook tackles these and many other challenges head on. Combining a clear, thorough introduction to the business environment with a uniquely global perspective, The Global Business Environment covers all you need to know about the rapidly changing context in which businesses operate. Features throughout the book are designed to help you learn, revise and think critically about the global business environment: ? Case studies: Over 30 case studies invite you to explore how a diverse range of businesses, industries, governments and individuals are meeting the challenges of the contemporary business environment ? Spotlight on emerging economies: Provides insight into the emerging economies of Brazil, Russia, India and China, and their place in the global economy ? Meet the CEO: Your chance to learn about some of the most influential business leaders in the world, from the CEO of multinational Unilever to the chairman of Mitsubishi ? Critical thinking: Recurring themes and critical thinking boxes in every chapter encourage debate on key issues from the globalization of industries to environmental sustainability, developing skills that will take you far beyond your business degree Enriched by Janet Morrison's characteristically clear, authoritative writing style and an unrivalled range of learning tools, The Global Business Environment is an invaluable resource for students at any stage of their business lives. Janet Morrison was Senior Lecturer in Strategic and International Management at the Sunderland University Business School, UK. She is also the author of International Business, published by Palgrave Macmillan. 'A very thorough introduction to the global business environment that goes well beyond standard textbooks, and includes a wealth of up-to-date case studies and examples. It will be valuable reading for practitioners and students alike.' – Antje Cockrill, University of Swansea, UK 'This third edition of Janet Morrison's excellent business environment text successfully balances the themes and structures of more general business environment texts with full coverage of the challenges that a global business environment poses to both domestic and multinational enterprises. The Global Business Environment will without doubt continue to be a valuable core text on a range of business environment courses, and I very much look forward to using it with my next cohort of students.' – Johan Lindeque, Queen's University, Belfast, UK 'This is an excellent book providing both students and practitioners with clear insights into the global business environment. Building successfully on the author's previous work it develops a numbers of critical themes which are illustrated by highly relevant and interesting case studies. The material is brought alive by the author's clear writing style.' – Nicholas Perdikis, Aberystwyth University, UK

Sports Law looks at major court cases, statutes, and regulations that explore a variety of legal issues in the sports industry. The early chapters provide an overview of sports law in general terms and explore its impact on race, politics, religion, and everyday affairs. Later chapters address hot button issues such as gender equity, drug testing, and discrimination. Written from a sport management perspective, rather than from a lawyer's, this text covers all the major areas presented in sports law today including: cases relating to torts, contracts, intellectual property, and agents. Factual scenarios throughout the text allow students to critically examine and apply sport management principles to legal issues facing the sports executive. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition."

Legal Sources in Business and Human Rights takes stock of different aspects of Business and Human Rights practice in order to identify and explore some dynamics that are driving the evolution of the legal sources of international and EU law in the field of B&HRs.

With new cases and examples from headlines, MANAGERS AND THE LEGAL ENVIRONMENT: STRATEGIES FOR BUSINESS, 9E equips readers with the legal knowledge and risk management techniques for success as a business manager. Cutting-edge coverage and a strategic approach teach how to enhance realizable value, redeploy resources, and manage legal and business risk. Up-to-date coverage addresses the rights of workers at firms, like Uber, in the gig economy; the right of employers to restrict employees' social media; ethics of compensating workers who are tipped; law to protect children's safety on the Internet; Fourth Amendment concerns in searches of cell location; rules governing crowdfunding; and the ramifications of the EU's "right to be forgotten." Readers learn to use legal tools to create value, attain business objectives, resolve legal issues, and handle legal disputes. version.

This comprehensive guide to all the essential legal and business considerations in financing the business activities of the modern corporation. Readers are provided with a clear and concise introduction to the legal and contractual framework that governs the major capital raising transactions in which a firm might be involved, with a particular emphasis upon the federal and state securities laws. An indispensable resource for consummating any private investment transaction, public offering, or commercial loan transaction, as well as dealing with disclosure requirements, the structuring of underwriting arrangements, and complying with public company responsibilities. Intended for entrepreneurs and managers at firms of all sizes.

The law regulating commercial conduct and commercial relationships is increasingly complex and important. The 7th Edition of Business and the Law has been written to offer business law students a comprehensive and accessible introduction to the Australian legal system and to the major areas of law impacting on business today. It is also a valuable resource for any business professional or small business requiring an intelligent introduction to contemporary business law in Australia. Business and the Law is academically rigorous but also accessible. It includes concise case examples as well as more comprehensive case studies of leading decisions to demonstrate how relevant laws are applied. The 7th Edition includes a chapter on "The Modern Corporation" and all cases, legislation and topical news features have been updated for currency. This edition has been updated by a team of contributors from The University of Sydney Business School.

As business law becomes increasingly complex, it has become more important for the entrepreneur to have an appreciation of the legal issues which may affect their venture. In this book, Jon Gill guides the entrepreneur through the range of legal issues which may affect their business, whether seeking to employ people, take on premises, protect IP rights, raise finance or realise a return on their investment on exit. By following the issues along the life-cycle of the company, the entrepreneur is provided with an invaluable first port of call whatever the stage of the business. The entrepreneur will then, with the benefit of professional advice, be able to minimise the risks, take advantage of the opportunities, and fulfil their business goals. Jon Gill has an LLB in Law from the University of Birmingham, and an MSc in Entrepreneurship with Distinction from the University of Bristol. He has also been involved in a number of start-up and small entrepreneurial businesses. He is now a trainee solicitor with Eversheds, the leading international law firm, and a visiting lecturer at the University of Bristol and the University of Bath School of Management

This new edition of Organisations and the Business Environment provides a completely revised, extended and updated edition of the original successful text. It provides contemporary and comprehensive coverage of the subject matter which is highly relevant to business and management students at undergraduate, postgraduate and professional levels. The text is written in a clear and concise style, illustrated with topical examples and data. Organisations and the Business Environment (second edition) comprises four sections: * Business Organisations ;V discusses the evolution of organisational and managerial theories and concepts with particular emphasis on their relevance in the 21st century. The different types of organisations and their missions, visions, goals and objectives are examined. * The External Business Macro-Environment ;V describes and considers the political, economic, socio-cultural, technological, ecological and legal influences on organisations, utilizing the PESTEL framework of analysis. This section includes a review of the internationalization of businesses and examines the role of GATT and the WTO, single markets and trading blocs. * The External Business Micro-Environment ;V provides a review of the market system and the nature of supply and demand. Market structures are examined in the light of monopolistic regimes and working for competitive advantage. The impact of government intervention is explored via regulatory bodies, privatization, and nationalization programmes. * Business Management ;V explores the major aspects of contemporary business organisations, including corporate governance and business ethics. In particular, this section tackles the areas of structure, culture, change, quality management and the principal functions of organisations. This textbook is a user-friendly resource with end of chapter questions, activities and assignments to consolidate learning. Its strong emphasis on topical examples enables students to understand how theory is applied in business contexts, including, GlaxoSmithKline, BT, Scottish and Newcastle, Hanson plc and a number of not-for-profit organisations. There is additional Tutor Resource material, including presentation slides, data charts, chapter summaries, questions and answers. "An excellent book...good use of learning objectives, questions and potential assignments." Paul Blakely, Lecturer, University College of Warrington.

The number of small businesses in the United States is astounding. According to the most recent U.S Census data, there are more than 8.8 million businesses with less than 20 employees, with more than 21.3 million employees spread out among those businesses. The sheer volume of individuals who do not work for a massive corporation is growing exponentially every year and the result is a lot of confusion on the part of small business owners who are struggling to understand the complicated federal employment laws that dictate how they must handle those employees. With this comprehensive A-Z guide to the federal employment laws that dictate the practices you must follow, you will learn every possible detail you will ever need to know to stay ahead of the government's requirements and run a successful business. There are more than 20 Federal acts that are designed to keep the workers of this country protected against various forms of discrimination, poor treatment, and negligence on the part of the employer. You will learn the intricate details of each of these federal acts and how they apply to you and your business. You will learn everything that applies to you in regards to age discrimination, disability discrimination, equal pay requirements, affirmative action, civil rights enactments, worker retraining, and dozens more acts such as OSHA, ERISA, EPPA, COBRA, SOX, PDA, and NLRA acts that enforce the standards of employment for millions of companies around the nation. You will learn which laws your company specifically must follow and how state laws might further designate what you need to know when hiring and employing a new worker. A run down of each kind of business and how certain laws, such as OSHA and other worker safety laws will apply more restrictively to you. You will be shown exactly how each of these laws is enforced and what you can expect if you fail to do so – including the requisite fines, possible sanctions, or even loss of licensing in certain cases. Many industry professionals have been

interviewed to share their insights on the employment laws in this country, providing a more complete view of how you can adhere to and follow these laws effectively. The tools you need, including the forms and agency addresses and contacts, to comply with these laws are provided in their entirety, along with the federal and state agencies that you will be dealing with intricately in the weeks to come. A comprehensive listing of resources that are designed to help you make the right decisions and complete the necessary steps for each hire you make is also provided, annotated to show you which laws coincide with which resources. If you are considering starting your own business or are starting to expand and hire more employees, this book will provide every detail you need to effectively manage and maintain your growing workforce.

The seventh edition of Essentials of Business Law retains all of the strengths of past editions but has been revised and enhanced to cover the latest developments in the legal field. This text will help you discover a wealth of information and learning opportunities that will give a clear understanding of business law topics. This text will also help to identify, explain, and apply the principles of business law in your daily lives and in the larger world in which you live.

This text provides the most rigorous analysis of business law to students taking business and finance related courses. Building on the 30 year success of Card & James: Law for Accountancy Students, Lee Roach has taken this classic text and developed it to create a new textbook suited to today's business student.

This text offers a comprehensive, accessible, engaging introduction to the legal environment of business with a unique, integrated focus on ethical theory and decision -making and on the global context in which modern businesses operate. Using realistic hypotheticals and scenarios, the authors illustrate and illuminate as they help students prepare to meet the often thorny challenges they will face in today's rapidly changing world of business. Features: Comprehensive coverage of the legal environment of business, from Business Organizations to Liability Uniquely integrated conceptual and thematic emphasis on the ethical theory underlying legal decisions, the global context of business decisions and operations, and issues of sustainability and corporate responsibility Excellent hypotheticals, case and statutory treatments, ethics integration, and global perspectives presented in interesting, accessible prose and formats Focus on AACSB Accreditation Standards, notably those relating to ethics education and social and ethical responsibility
