Lakers' drive to the NBA Championship. At seven feet one inch tall and 330 pounds, Shaq has always faced outsized expectations, even as a child when he towered over other kids. Shaq Talks Back is the story of how potential became reality-- how someone expected to be a champion finally learned to become one. Beginning with his memory of crying on the court after the Lakers defeated the Indiana Pacers, Shaq takes us back to his younger days in Newark and Jersey City, New Jersey, then to Georgia and finally to Germany, where he began to harness some of his height and strength. From there, he recounts the remarkable progress of his basketball career, changing from a big but inexperienced teenager to a dominant college and professional player. Shaq talks about: * Playing at Louisiana State University for the unpredictable coach Dale Brown * Signing the biggest rookie contract ever with the Orlando Magic-- and going to the NBA Finals for the first time * What happened next: dissention, disappointment, and his decision to leave for Los Angeles * The dysfunctional Lakers who were never able to win the big games * Dealing with egos as he finds the right chemistry with Kobe Bryant, Phil Jackson, and new additions to the team * Rivalries with Alonzo Mourning, Patrick Ewing, Hakeem Olajuwon, David Robinson, and others * The trouble with free throws... * "Bling-bling" and women: the larger-than-life world of NBA players off the court * Inside the Lakers' comeback from the brink against Portland and the drive to the NBA championship Funny, insightful, opinionated, and unexpectedly moving, Shaq Talks Back is the true voice of the NBA's best player.

That's what Solange Drake is figuring out. Well, the real Solange. Not the madwoman who has taken over her body and ripped the Queen's crown from her own mother's hands to fulfill an ancient prophecy. The real Solange is trapped in the imposter's mind—somewhere in twelfth-century Britain—where she faces the perils of witches, dragons, and knights. Meanwhile, back in Violet Hill, the fake Solange has gone on a blood-drunk rampage, feeding on civilians in blatant disregard of a decade's worth of treaties. With her best friend possessed and her boyfriend missing, Lucy knows, if she doesn't find a way to reach Solange, the human vampire hunters will exact their revenge—and bring a bloodbath down upon the town like no one has ever seen before. Love and loyalty. Betrayal and deception. The weapons at hand will determine who wins and who loses in this battle royale. Praise for the Drake Chronicles "Vampires with bite and girls who bite back. He looks on in anguish as his betrayed wife Mangala a well-known playback singer sinks slowly into alcoholism. When Zarina abandons him he is overwrought and dies of an overdose friendless and alone. In an interview for the Journal Mehfil in 1972 Ismat Chughtai described this novel about the Bombay Film Industry as based on the life of a film producer who committed suicide after the dancer whom he had made into a big star left him in the lurch. This is not only a close personal look at an actor's rise to fame and glory but an insightful and critical examination of the Bombay film scene of the time by one who knew it at first hand. The third Canadian edition of this anthology has been substantially revised and updated for a contemporary audience; a selection of classic essays from earlier eras has been retained, but the emphasis is very much on twenty-first-century expository writing. There is also a focus on issues of great importance in twenty-first-century Canada, such as climate change, the Truth and Reconciliation Commission, the Jian Ghomeshi trial, Facebook, police discrimination, trans rights, and postsecondary education in the humanities. Works of different lengths and levels of difficulty are represented, as are narrative, descriptive and persuasive essays—and, new to this edition, lyric essays. For the new edition there are also considerably more short pieces than ever before; a number of op-ed pieces are included, as are pieces from blogs and from online news sources. The representation of academic writing from several disciplines has been increased—and in some cases the anthology also includes news reports presenting the results of academic research to a general audience. Also new to this edition are essays from a wide range of the most celebrated prose writers of the modern era—from Susan Sontag, Eula Biss, and Michel Foucault to Anne Carson and Ta-Nehisi Coates. The anthology also offers increased diversity of representation—including, for example, a

larger proportion of First Nations writers and women writers than previous Canadian editions. Unobtrusive explanatory notes appear at the bottom of the page, and each selection is preceded by a headnote that provides students with information regarding the context in which the piece was written. Each reading is also followed by questions for discussion. A unique feature is the inclusion of a set of additional notes on the anthology's companion website—notes designed to be of particular help to EAL students and/or students who have little familiarity with Canadian culture. The anthology is accompanied by two companion websites. The student website features additional readings and interactive writing exercises (as well as the additional notes). The instructor website provides additional discussion questions and, for a number of the anthology selections, background information that may be of interest.
