JTS M12AK Black 12ga 3in Semi Automatic Shotgun – 18. The P3's spongy perforated rubber buttpad looks great and moderates the recoil somewhat, but shooting this gun requires the operator to pay attention and really pull the gun tightlyThe 12 gauge is actually 16 Watt and with the 12" its got a bigger sound than the MG30 (i'd go as far to say as its almost at 50 level). JTS AK12 5 Round Mag
