Since John F. Kennedy, seven of the last nine presidents of the United States have been Mama's Boys. Gerald Ford and George H.W. Bush can be characterized as Daddy's Boys. Lyndon B. Johnson, Jimmy Carter, Richard M. Nixon, Ronald Reagan, Bill Clinton, George W. Bush and Barack Obama, all experienced a unique relationship with their mother that some psychologists refer to as Mama's Boys. During times of crisis, many of our greatest presidents have been balanced Mama's Boys and balanced Daddy's Boys. Yet we also have been led by unbalanced and conflicted Mama's Boys and Daddy's Boys. Their presidencies have been less successful than their balanced counterparts. Although Mama's Boys have been among our best presidents, they also have been among the most dictatorial. Their emphasis on a strong federal government, one that tends to mother us, is threatening to undermine what has made this nation extraordinary. The premise of this book is that the personality, character, policy inclinations, campaign and management styles, and worldview of a U.S. president is largely influenced by his being a Mama's Boy or Daddy's Boy. The book documents this in the lives of five Daddy's Boy presidents and six Mama's Boy presidents.

In postwar America, the discourse of Momism advanced the idea that an over-affectionate or too-distant mother hampers the social and psychosexual development of her children, in particular her sons. Deemed worst of all was the outcome of homosexuality, since the period saw an intense policing of sexual deviance. Roel van den Oever zooms in on four instances of the cultural representation of Momism: *The Grotto*, by Grace Zaring Stone, *Suddenly Last Summer*, by Tennessee Williams, Alfred Hitchcock's *Psycho*, and *Portnoy's Complaint*, by Philip Roth, to offer new commentary on canonical texts, a particular moment in American culture, and future reading strategies.

Now I've killed another person. I'm a serial killer. Sure, two people is hardly serial, but it's a good start. I'm still young. Who knows where opportunities might lead me? Opportunity makes the thief, or the murderer, or even the pastry chef. It's well documented. *Mama's Boy Behind Bars* is the second book in David Goudreault's wildly successful and darkly funny *Mama's Boy* trilogy. Once again written with gritty humour in the form of a confession, *Mama's Boy Behind Bars*, picks up where the first book in the series left off. *Mama's Boy* finds himself in jail following a tender and violent search for his long-lost mother. In an attempt to survive his incarceration, he sets out to make a name for himself in the prison and is desperate to achieve his ambition of joining the ranks of the hardcore criminals. But things get wildly complicated when he falls in love with a prison guard. Can *Mama's Boy* juggle love and crime? Priase for *Mama's Boy* "Despite the narrator's repellent behavior, readers will be drawn in by his quick wit, sharp observations, and childlike longing for his mother's love." --Publishers Weekly "There is a slyness at work here that Goudreault handles marvellously." &mdash: Canadian Notes and Queries

“Gautier writes with exhilarating insight and confidence about the lives of teenagers . . . at risk from themselves, their families and their friends.”—Margot Livesey, New York Times bestselling author In Amina Gautier's Brooklyn, some kids make it and some kids don't, but not in simple ways or for stereotypical reasons. Gautier's stories explore the lives of young African Americans who might all be classified as “at-risk,” yet who encounter different opportunities and dangers in their particular neighborhoods and schools and who see life through the lens of different family experiences. Gautier's focus is on quiet daily moments, even in extraordinary lives; her characters do not stand as emblems of a subculture but live and breathe as people. In “The Ease of Living,” the young teen Jason is sent down south to spend the summer with his grandfather after witnessing the double murder of his two best friends, and he is not happy about it. In “Pan Is Dead,” two half-siblings watch as the heroin-addicted father of the older one works his way back into their mother's life; in “Dance for Me,” a girl on scholarship at a posh Manhattan school teaches white girls to dance in the bathroom in order to be invited to a party. As teenagers in complicated circumstances, each of Gautier's characters is pushed in many directions. To succeed may entail unforgivable compromises, and to follow their desires may lead to catastrophe. Yet within these stories they exist and can be seen as they are, in the moment of choosing. “Despite its title, this is not a debut composed of rapid shocks and dangers, but a quieter accumulation of heartbreaking pressures.”—Foreword Reviews Led by Duncan “Gluestick” Dewey, the NERDS team uses brain power and courage rather than gadgets when they face off against supervillian Simon, his band of savage squirrels, and Albert, a middle-aged computer genius who lives with his mother. When Jenna picks up a hard-bodied construction worker, jealousy ignites Pete's true feelings, and he's unable to ignore the desires for Jenna he never realized he had. But Pete's not the quiet guy he appears to be, and his life is anything but conducive to a relationship. "When her son is accused of a violent crime, church first lady Gloria Jones finds herself battling his prosecutor--as well as her own inner demons--to save him in this drama-filled novel from bestselling, award-winning author ReShonda Tate Billingsley. Gloria Jones is living a mother's worst fear. There's a massive manhunt for her son after a regular night out with friends escalated into the fatal shooting of a police officer. Her husband, esteemed minister Elton Jones, is humiliated by the news, complicating an already strained relationship with his son. And everyone in Jasper, Texas, a town already ripe with racial tension, is up in arms. But the killer they're searching for isn't the son Gloria knows, and now she must decide whether to turn him in or help him run. As the seventeen-year-old battles for his life, Gloria turns to the woman hell bent on bringing him to justice--prosecutor Kay Christiansen. Kay has built a solid record putting criminals behind bars and now, as she's about to ride the record to the city's top spot--Mayor of Houston--this new case could threaten everything she's worked for. But a mother's love knows no boundaries, and Gloria will have to face an ugly past and tackle painful secrets in an effort to save her son"--

Mama's Boy describes the life of author Robert Hood: his early years in a coal-mining village during the Depression, his life in the navy during World War II, and his later professional success. At the heart of Hood's memoir is his proud and talented mother, who is determined that her headstrong son will become somebody. But the impish boy is more interested in sports than poetry recitations or declamation contests. Anxious to enter the war, seventeen-year-old Hood enlists in the U.S. Navy in 1944 and serves on Guam. He returns, attends college, and eventually ends up in New York City as the editor-in-chief of Boys' Life Magazine. As Hood achieves success, he meets some of the distinguished artists and authors of the twentieth century. He lunches with Andre Kertesz, Alex Haley, and Isaac Asimov; takes tea with Salvador Dali and Philippe Halsman; and chats on the phone with Margaret Coit, Catherine Drinker Bowen, and Margaret Bourke-White. He also interviews great athletes such as Hank Greenberg, Mickey Mantle, and Willie Mays. But most important to Hood are those people in his family who mentored him so well. Mama's Boy pays tribute to his parents, grandparents, siblings, uncles, and aunt. His love for them bears witness to the endurance of human memory.

The Nerds make their return in this second installment of Buckley's series, and this time, the group must fight a villain so unlikely, he still lives with his mom. In other words, it's the Nerds against a nerd.
