Mastering ArcGIS is an introductory GIS text that is designed to offer everything you need to master the basic elements of GIS. The author's step-by-step approach helps students negotiate the challenging tasks involved in learning sophisticated GIS software. The fifth edition is updated to follow the new software release of ArcGIS 10. An innovative and unique feature of Mastering ArcGIS is its accompanying CD-ROM with narrated video clips that show students exactly how to perform chapter tutorials before attempting an exercise on their own.

Strategic Marketing Management (8th Edition) outlines the essentials of marketing theory and offers a structured approach to identifying, understanding, and solving marketing problems. This book delineates a comprehensive framework for articulating sound marketing strategies to guide business decisions involving product and service design, branding, pricing, sales promotion, communication, and distribution. The concepts, principles, and frameworks advanced in this book apply to a wide range of organizations, from startups to established market leaders, from packaged-goods manufacturers to value-added service providers, from nonprofit entities to for-profit corporations.
