assistance. But I've always been a magnet for trouble and when the leader of the pack, Gid, questions my ability, I can't help the sassy backchat. Seems it doesn't bother him too much and before I know it, I'm climbing onto his beast and hanging on for the ride. Bad ass guys like him don't come without baggage, though, and it seems he wants to get rid of mine. Who am I to complain when it means revenge is hot, his body is hotter and we leave a trail of burning rubber as we head into the sunset? Biker girl, me? I guess it's in the blood. Boyhood in 'seventies Soweto, innocence and light-hearted charm, and many insights into growing up in a South African township at a time when family was more important than politics. Chimeloane describes growing up in a loving family, and with the affection and support of his best friend Levi. Next to universal boyhood exploits - shooting rats with ketis, learning karate, stoning street lamps and running down mine dumps - more sinister experiences had to be endured: dodging stones and avoiding enemies when you had to cross territories, running the gauntlet of dogs, bullies and thugs. And inexorably, the 1976 uprising also left its mark. Yet the world Chimeloane sketches so endearingly also contained endless wonder: the Valiant Regal taxi which produced money from its back seat, the magic of seeing bioscope and emulating the starrings, a world where you shared sweets with your chomis and stuck up for each other in the face of threats.
