archivist, agent, actor, promoter, and editor of the iconic fan magazine Famous Monsters of Filmland; a founder of science fiction fandom; and one of the world's foremost collectors of sci-fi, horror and fantasy films, literature, and memorabilia. This biography begins with a foreword by Joe Moe, Ackerman's caregiver and close friend since 1982. It documents Ackerman's lifelong dedication to his work in both literature and film; his interests, travels, relationships and associations with famous personalities; and his lasting impact on popular culture. Primary research material includes letters given by Ackerman to the author during their long friendship, and numerous reminiscences from Ackerman's friends, fans and colleagues.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
