Ni Hao, Level 2 (3rd edition) consists of a student textbook, student workbook and four audio CDs. Lessons 2 and 3 have been renamed but the content is primarily the same. Lesson 6 was eliminated. One more review lesson has been added as Lesson 5. A new section "About Pinyin and characters" has been added to this new edition. It highlights some areas that students would like to know when learning the rules of pronunciation. In the student workbook the first section of each lesson provides word recognition practices instead of listening to statements and identifying the picture as in the 2002 edition. The audio CDs cover all sections in each lesson which provide support to students for independent listening opportunities. The sections in the student textbook and workbook exercises are clearly announced.

communicative approach immerses learners in the Chinese language and culture through video episodes that directly correspond to units in the combination textbook-workbook. By combining a compelling story line with a wealth of educational materials, Encounters weaves a tapestry of Chinese language and culture rich in teaching and learning opportunities. Encounters follows a carefully structured and cumulative approach. Students progress from listening and speaking to the more difficult skills of reading and writing Chinese characters, building grammar, vocabulary, and pronunciation skills along the way. The Encounters program includes:

- Two Full-color Student Books for introductory Chinese study
- Annotated Instructor's Editions with answer keys and suggested class activities
- Two Character Writing Workbooks linked directly to the Student Book
- Ten hours of video materials, comprising dramatic episodes, cultural segments, and animations, all integrated with the Student Books
- A total of 200 minutes of audio material, linked to the Student Books, for listening and speaking practice
- A website, www.encounterschinese.com, providing a year's free access to all audiovisual material of the program upon adoption /div

The Belwin String Builder is a string class method in which the violin, viola, cello, and bass play together throughout. Each book, however, is a complete unit and may be used separately for class or individual instruction. The material in this book is realistically graded so that only a minimum of explanatory material is required. Each melody is interesting and will provide the basis for a fine left hand technic and bow arm.
