Brand alchemist, prime minister whisperer and shadow trend tweaker, Jones Byrne did his best contract work remotely, hidden in the seams of his upstate New York factory loft. But one mystery client has made an irresistible offer that will pull him back into the light, and force him to face his greatest failure: his degenerate expat past life in Tokyo. He had barely escaped, just a year ago, before everything flipped upside down and Japan dropped a veil over its largely depopulated, earthquake-scarred cities, cutting off all contact with the outside world. That's around the time the rumors began. They said that Tokyo had returned to its dark, old ways. But this time, warped and infected by the pharmacological and technological graffiti of 2043. This version of Tokyo was a place no foreigner had been unfortunate enough to lay eyes upon. Until now. Byrne's mystery client promised to make him well and truly wealthy, for just one day's work. Just one day. But this will be the hardest day's work of Byrne's life, if he can make it out of Tokyo alive.

Juxtaposes photographs from around the world with a simple, reflective message about our responsibilities for finding and keeping peace on the planet. By the author of *A Cool Drink of Water*.

A planet plagued with tumult from outsiders and divided by its own religious dichotomy could face extinction if their faiths are not united and an unholy artifact is destroyed. Safiro, the God of Death, and Sanguina, the Goddess of Life, created two heroes (Vytametas) -- mirror twins separated at birth yet destined to meet in a place where the future of their world will be decided by their powers. The only people who know not the ultimate purpose of the legendary Vytametas are the young heroes themselves. While the teenage Vytametas learn of their world and of their mission, they will be turned against each other by the two faiths

they are meant to save: the demented Safiric Brotherhood and the shady Sanguinic Sisterhood.

Do you feel like you struggle to make time for everything? We are living in a time-poor society, working more than ever and with less time for ourselves and family. The pressures and stress of the obligations we feel we have, often leave us without time to do everything that we would like to. More critically, we lack the time to reflect, review our lives and consider our direction. Time to contemplate if the decisions we are making are going to lead us to a life of purpose or an old age filled with regret. Time for Anything is based on 5 years of research by Craig D Robinson. Using the techniques in this book, Craig went from working in an entry level position to, in just four years: start 2 companies, recharge with 12 weeks holiday a year, start a family, grow and sell his startups and retire at the age of 34. This book shows you how you too can have time for it all.

Sometime in the present, corporate tyranny reigns supreme. To stop this madness, what can one person do? What can anybody do? Impassioned environmental activist and nightclub saxophonist Michael Quinn, and his techie guru sidekick, Simon, the mischievous circus clown, believe they, and the ubiquitous Wasteful Management team, have the answer for one day... several multinational corporation chief executive officers (CEOs), infamously renowned for their egregious actions, are mysteriously disappearing across the globe. They are "removed" from society in ways that illustrate poetic justice, as exemplified by the CEO of big agribusiness Tyrannex Inc. who is trampled by a giant GMO tomato in a remote part of India. Michael and Simon realize their window of opportunity is narrow, as Harry Potter and Bilbo's nemeses pale in comparison to real life's Multinational CEO sociopaths, whom Michael and Simon must overcome to save the day and the planet! Jim Hightower says, "Wasteful Management is a refreshing combination of intrigue, humor, camp and serious politics, fusing the gravitas of a Noam Chomsky or a Bill Moyer with the edgy, stinging social commentary of a Jon Stewart or a Stephen Colbert, into a satirical mystery romp." Are you ready for the challenge? Bring your popcorn and come prepared to "boo, hiss" the villain and "cheer!" for the hero; sit back, and enjoy the ride!

much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes. In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts.
