It is 2013 and Calgary's Bow river is beginning to rise. Two homeless men stand by the bank and contemplate the death of another friend-an accident? Taking cover downtown that night, Shermeto intervenes in the attack on a bar patron, and finds himself laid up in the hospital. Ever since his astonishing victory in the 1991 PGA Championship, John Daly, known affectionately on the PGA Tour as "Big 'Un," has enthralled fans with his big drives, bigger personality, and "Grip It and Rip It" approach to golf -- and to life. Long John, usually seen with a Marlboro Light dangling from his lip, is the unchained, unpredictable, unapologetic bad boy of professional golf. "The only rules I follow," JD likes to say, "are the Rules of Golf." Daly's play-it-as-it-lays approach drives *My Life in and out of the Rough*, a thrillingly -- and sometimes shockingly -- candid memoir of a larger-than-life athlete battling assorted addictions (alcohol, gambling, chocolate, sex), his weight, and, perhaps worst of all, divorce lawyers. (He's been married four times.) A two-time major winner before he turned thirty, John Daly is one of the most popular athletes in the world. Taking readers with him off the fairway and into his \$1.5-million motor home for a rollicking ride

through his life -- an ever-churning world of booze, burgers, casinos, country music, and breathtaking moonshots -- Daly reveals how a down-home Everyman from Arkansas managed to rise to the peak of the golf world, escape from the depths of abject depression, and, finally, take control of his life. Well, sort of.

“Anyone grappling with the bewilderment of midlife...will be at once provoked and comforted by this enormously wise book” (Dani Shapiro, New York Times bestselling author of *Hourglass: Time, Memory, Marriage*), from a psychologist who has worked for decades with people struggling to preserve and enhance their marriages and long-term relationships. People today are trying to make their marriages work over longer lives than ever before. But staying married isn't always easy. In the brilliant, transformative, and optimistic *The Rough Patch*, clinical psychologist Daphne de Marneffe explores the extraordinary pushes and pulls of midlife marriage, where our need to develop as individuals can crash headlong into the demands of our relationships. “A book of good intentions and helpful advice and a worthy manual for spouses” (Kirkus Reviews), *The Rough Patch* addresses common problems: money, alcohol and drugs, the stresses of parenthood, sex, extramarital affairs, lovesickness, health, aging, children leaving home, and dealing with elderly parents. Then, de Marneffe offers seasoned wisdom on these difficulties, explaining the psychological, emotional, and relational capacities we must cultivate to overcome them as individuals and as couples. Blending research, interviews, and clinical experience, de Marneffe dives

deep into the workings of love and the structures of relationships. Intimate and always illuminating, *The Rough Patch* is an essential, compassionate resource for people trying to understand “where they are” on the continuum of marriage, giving them a chance to share in other people’s stories and struggles. “De Marneffe writes with poetry, wit, and compassion about the necessity of struggle in the quest for true love. Anyone in any relationship at any stage of life could stand to learn from the wisdom in these pages” (Andrew Solomon, National Book Award-winning author of *Far from the Tree*).

Two grieving brothers learn the importance of family and the power of white water. When their parents are killed in a car accident, Scott and his brother Gregg are sent to live with an uncle they never knew they had. Hurt, angry, and confused, they leave a comfortable life in the California suburbs and head to the remote Colorado Rockies, where their uncle runs a white-water rafting company. Scott, forced to confront his loss and face an uncertain future, determines to make the best of a difficult situation. But his brother Gregg, burying his grief deep inside, begins to drift away from the only family he has left. As they become acquainted with the power and unpredictability of the river and begin to learn the skills of maneuvering the rapids, the brothers discover that it is harder than they ever dreamed to master the art of survival—both on and off the water. Award-winning author S. L. Rottman has crafted an absorbing young adult novel that powerfully depicts the complexity of grieving and the value of family.

In this Algonquin Indian version of the Cinderella story, the Rough-Face Girl and her two beautiful but heartless sisters compete for the affections of the Invisible Being. Cielo Drive cuts like a beautiful scar along the bottom of

a V-shaped canyon in the hills of Bel Air, off of Benedict. In February, 1969, as she looked out on it from the red farmhouse at 10050 Cielo she and her husband Roman Polanski had just rented, Sharon had no way of knowing that she only had 6 months to live. On the night of August 9th, members of "The Manson Family" would invade that house and murder Sharon and three of her closest friends. But strangely, half a year earlier, she'd had a brush with a different killer. It happened after her younger sister Patti, then 11, looked across at the ominous Spanish-Moorish estate Sharon called "The Haunted House." In "Restless Souls," their remarkable memoir, Alisa Statmen and Brie Tate write that Patti then hiked down and across Cielo, walking up to No. 1436 Bella Drive. There, she encountered an open gate where white pillars bore the name: Falcon Lair. Once the home of Rudolf Valentino, it had been purchased in 1953 by the fabulously wealthy heiress Doris Duke. The wrought iron gates were open when Patti wandered inside. Suddenly, she heard, the caretaker yell, "This is private property!" Startled, she turned and lost her balance, skinning her knee, when just then, a black limo pulled in. A tinted window went down and a tall woman in black lowered her sunglasses to ask who she was. Once she ID'd herself as Patti, whose sister Sharon lived "across in the red barn," Doris knew that this wasn't just any child. She was the sibling of the hottest young star in town. So Doris snapped to the caretaker, "Stop being such an ogre and bring Patti in, so we can clean those scraps. And get me the Polanski's phone number." Later, the Duke staff was bandaging Patti's knee when Sharon

arrived, "nervously chewing her lower lip" and apologizing to the blond billionaire who was the 3rd richest woman in the world behind Queen Elizabeth & Queen Juliana. But by then, Sharon Tate was Hollywood royalty herself; her husband Roman, coming off "Rosemary's Baby," was a kind of cinematic prince. So why was she nervous? What would make her bite her lip in the face of a woman whose caretaker's aggressive warning had caused her little sister to draw blood? Since Sharon was killed that summer, we'll never know. But one thing is clear: this wasn't the first time Sharon Tate had been pulled into Doris Duke's orbit. 2 1/2 years earlier, one of Sharon's closest friends, Eduardo Tirella, had been violently killed after Doris crushed him under a two-ton station wagon. At the time, all of Eduardo's friends suspected he'd been murdered. The brutal stabbing of Sharon Tate is the tragic tale of a young woman of great promise cut down in the prime of life. But the same could be said for Eduardo, whose own Hollywood career was just catching fire, when he told the possessive, heiress he was leaving her, just minutes before she ran him down outside the gates of her Newport, RI estate. Because she had the money and power, Doris Duke succeeded in effectively erasing his death from the narrative of her troubled life. For more than 50 years, the real truth behind what happened at Rough Point in 1966 has been hidden. Until now!

"Taking off on a horse into the Mongolian Steppe sounds like the bracing inverse to an overpopulated, busy urban life, but having the skills and grit to pull it off is another thing entirely. . . . Lara Prior–Palmer attempted the Mongol Derby not really knowing what she was getting into; she ended it knowing much more about herself, and a race champion besides." ?Estelle Tang, Elle At the age of nineteen, Lara Prior–Palmer discovered a website devoted to “the world’s longest, toughest horse race”?an annual competition of endurance and skill that involves dozens of riders racing a series of twenty–five wild ponies across 1,000 kilometers of Mongolian grassland. On a whim, she decided to enter the race. As she boarded a plane to East Asia, she was utterly unprepared for what awaited her. Riders often spend years preparing to compete in the Mongol Derby, a course that re–creates the horse messenger system developed by Genghis Khan. Many fail to finish. Prior–Palmer had no formal training. She was driven by her own restlessness, stubbornness, and a lifelong love of horses. She raced for ten days through extreme heat and terrifying storms, catching a few hours of sleep

where she could at the homes of nomadic families. Battling bouts of illness and dehydration, exhaustion and bruising falls, she decided she had nothing to lose. Each dawn she rode out again on a fresh horse, scrambling up mountains, swimming through rivers, crossing woodlands and wetlands, arid dunes and open steppe, as American television crews chased her in their jeeps. Told with terrific suspense and style, in a voice full of poetry and soul, *Rough Magic* captures the extraordinary story of one young woman who forged ahead, against all odds, to become the first female winner of this breathtaking race. "Think the next *Educated* or *Wild*. Palmer's memoir of beating the odds to become a horse champion is an inspiring saga of perseverance—and a classic underdog tale." —*Entertainment Weekly*

After learning to play guitar at the age of ten, Shawn Colvin was determined to make a life in music—a decision that would send a small-town girl out on the open road for good. In 1997, two decades after she started, she got her big break. Like the troubled would-be arsonist and survivor of her smash hit "Sunny Came Home," Colvin knows a thing or two about heartache—and setting fires. *Diamond in the Rough* recounts this passionate musician's coming-of-age, from the prairies of South Dakota to the dark smoky bars in Austin, Texas, to the world stage at the Grammys. Humorous and deeply honest, Colvin relates the experiences behind her best-loved songs in vivid color in this memoir. *Diamond in the Rough* captures her years of touring cross-country in bands and vans full of guys; falling in and out of love; meeting heroes like Joni

Mitchell; searching for her musical identity; and making friendships that would last a lifetime. In its pages, we witness the inspiring story of a woman honing her artistry, finding her voice, and making herself whole.

Originally written in the mid-1950s, *Go Set a Watchman* was the novel Harper Lee first submitted to her publishers before *To Kill a Mockingbird*. Returning home to Maycomb to visit her father, Jean Louise Finch—Scout—struggles with issues both personal and political, involving Atticus, society, and the small Alabama town that shaped her. Exploring how the characters from *To Kill a Mockingbird* are adjusting to the turbulent events transforming mid-1950s America, *Go Set a Watchman* casts a fascinating new light on Harper Lee's enduring classic. Moving, funny and compelling, it stands as a magnificent novel in its own right.
