

## Oxford Broadway English Literature Class 6 Answers

The first comprehensive academic survey of British musical theatre from its origins, *The Oxford Handbook of the British Musical* offers both a historical account of musical theatre from 1728 and a range of in-depth critical analyses of key works and productions that illustrate its aesthetic values and sociocultural meanings.

From paddy wagon to rush hour, New York City has given us a number of our popular words and phrases, along the way fashioning a recognizable dialect all its own. Often imitated and just as often ridiculed, New York English has its own identity, imbued with the rich cultural history of (as New Yorkers tell it) the greatest city in the world. How did this unique language community develop, and how has it shaped the city as we know it today? In *You Talkin' to Me?*, E.J. White explores the hidden history of English in New York City -- a history that encompasses social class, immigration, culture, economics, and, of course, real estate. She tells entertaining stories of New York's most famous characters, streets, and cultural institutions, from Broadway to the newspaper office to the department store, illuminating a new dimension of the city's landscape. Full of little-known facts -- C-3PO was originally written to have a New York accent; *West Side Story* was originally going to be *East Side Story*, about Jewish and Christian New Yorkers; and "confidence man" started in reference to a specific New York City criminal --the book will delight lovers of language and history alike. The history of English in New York is deeply intertwined with the story of a famous city trying to develop its own identity. White's account engages issues of class and social difference; the invisible barriers that separate insiders from outsiders; the war between children who fit in and their parents who do not; and the struggle of being both an immigrant to the city and a New Yorker. Following language from *The Bowery* to *The Bronx*, *You Talkin' to Me?* offers a fascinating account of how language moves and changes--and a new way of understanding the language history, not only of New York, but of the United States.

Examines New York City as a paradigmatic example of the tensions between privatization and public uses of space in the contemporary U.S.

This is the ultimate anthology of theatrical anecdotes, edited by lifelong theatre-lover Gyles Brandreth in the Oxford tradition, and covering every kind of theatrical story and experience from the age of Shakespeare and Marlowe to the age of Stoppard and Mamet, from Richard Burbage to Richard Briers, from Nell Gwynn to Daniel Day-Lewis, from Sarah Bernhardt to Judi Dench. Players, playwrights, prompters, producers—they all feature. *The Oxford Book of Theatrical Anecdotes* provides a comprehensive, revealing, and hugely entertaining portrait of the world of theatre across four hundred years. Many of the anecdotes are humorous: all have something pertinent and illuminating to say about an aspect of theatrical life—whether it is the art of playwriting, the craft of covering up missed cues, the drama of the First Night, the nightmare of touring, or the secret ingredients of star quality. Edmund Kean, Henry Irving, John Gielgud, Laurence Olivier, Ellen Terry, Edith Evans, Maggie Smith, Helen Mirren—the great 'names' are all here, of course, but there are tales of the unexpected, too—and the unknown. This is a book—presented in five acts, with a suitably anecdotal and personal prologue from Gyles Brandreth—where, once in a while, the understudy takes centre-stage and Gyles Brandreth treats triumph and disaster just the same, including stories from the tattiest touring companies as well as from Broadway, the West End and theatres, large and small, in Australia, India, and across Europe.

Fascinating, never-before-published interviews with Broadway's leading men offer behind-the-scenes looks at the careers of some of the most beloved performers today. In *A Wonderful Guy*, a follow up to *Nothing Like a Dame: Conversations with the Great Women of Musical Theater*, theatre journalist Eddie Shapiro sits down for intimate, career-encompassing conversations with nineteen of Broadway's most prolific and fascinating leading men. Full of detailed stories and reflections, his conversations with such luminaries as Joel Grey, Ben Vereen, Norm Lewis, Gavin Creel, Cheyenne Jackson, Jonathan Groff and a host of others dig deep into each actor's career; together, these chapters tell the story of what it means to be a leading man on Broadway over the past fifty years. Alan Cumming described *Nothing Like a Dame*, as "an encyclopedia of modern musical theatre via a series of tender meetings between a diehard fan and his idols. Because of Eddie Shapiro's utter guilelessness, these women open up and reveal more than they ever have before, and we get to be the third guest at each encounter." *A Wonderful Guy* brings more fly-on-the-wall opportunities for fans to savour, students to study, and even the unindoctrinated to understand the life of the performing artist.

'*Ulysses*' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. '*Ulysses*' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic

and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

Disney Theatrical Productions: Producing Broadway Musicals the Disney Way is the first work of scholarship to comprehensively examine the history and production practices of Disney Theatrical Productions (DTP), the theatrical producing arm of the studio branch of the Walt Disney Corporation. This book uncovers how DTP has forged a new model for producing large-scale musicals on Broadway by functioning as an independent theatrical producer under the umbrella of a large entertainment corporation. Case studies of three productions (The Lion King, Tarzan, and Newsies) demonstrate the flexibility and ingenuity of DTP, and showcase the various production models that the company has employed over the years. Exploring topics such as the history of DTP, its impact on the revitalization of Times Square, and its ability to open up a new audience base for Broadway theatre, this volume examines the impact that DTP has had on American musicals, both domestically and internationally, and how its accomplishments have helped reshape the Broadway landscape. This book is relevant to students in Musical Theatre, History of Musical Theatre, Theatre History, and Arts Management courses, along with general Disney enthusiasts.

One of Zola's most famous realistic novels, Therese Raquin is a clinically observed, sinister tale of adultery and murder among the lower classes in nineteenth-century Parisian society. Set in the claustrophobic atmosphere of a dingy haberdasher's shop in the passage du Pont-Neuf in Paris, this powerful novel tells how the heroine and her lover, Laurent, kill her husband, Camille, but are subsequently haunted by visions of the dead man and prevented from enjoying the fruits of their crime. Zola's shocking tale dispassionately dissects the motivations of his characters--mere "human beasts", who kill in order to satisfy their lust--and stands as a key manifesto of the French Naturalist movement, of which the author was the founding father. Published in 1867, this is Zola's most important work before the Rougon-Macquart series and introduces many of the themes that can be traced through the later novel cycle.

"The History of a Heel chronicles the genesis, influence, and significance of Rodgers and Hart's classic musical comedy Pal Joey (1940). When Pal Joey opened at the Barrymore on Christmas day, 1940, it flew in the face of musical comedy convention. The characters and situation were depraved. The setting was caustically realistic. Its female lead was frankly sexual and yet not purely comic. A narratively-driven dream ballet closed the first act, begging audiences to take seriously the inner life and desires of a confirmed heel. Although the show appears on many top-ten lists surveying the so-called "Golden Age," it is a controversial classic; its legacy is tied both to the fashionable scandal that it provoked, and, retrospectively, to the uncommon attention it paid to characterization and narrative cohesion. Through an archive-driven investigation of the show and its music, History of a Heel offers insight into the historical moment during which Joey was born, and to the process of genre classification, canon formation, and the ensuing critical debates related to musical and theatrical maturity. More broadly, I argue that the critique and commentary on class and gender conventions in Pal Joey reveals a uniquely American concern over status, class mobility, and progressive gender roles in the pre-war era The History of a Heel chronicles the genesis, influence, and significance of Rodgers and Hart's classic musical comedy Pal Joey (1940).

Hamilton opened on Broadway in 2015 and quickly became one of the hottest tickets the industry has ever seen. Lin-Manuel Miranda - who wrote the book, lyrics, and music, and created the title role - adapted the show from Ron Chernow's biography Alexander Hamilton. Although it seems an unlikely source for a Broadway musical, Miranda found a liminal space where the life that Hamilton led and the issues that he confronted came alive more than two centuries later while also commenting on contemporary life in the United States and how we view our nation's history. With a score largely based on rap and drawing on other aspects of hip-hop culture, and staged with actors of color playing the white Founding Fathers, Hamilton has much to say about race in the United States today and in our past, but at the same time it leaves important things insufficiently explained, such as the role of women and people of color in Hamilton's time.

Dueling Grounds: Revolution and Revelation in the Musical Hamilton is a volume that combines the work of theater scholars and practitioners, musicologists, and scholars in such fields as ethnomusicology, history, gender studies, and economics in a multi-faceted approach to the show's varied uses of liminality, looking at its creation, casting philosophy, dance and movement, costuming, staging, direction, lyrics, music, marketing, and how aspects of race, gender, and class fit into the show and its production. Demonstrating that there is much to celebrate, as well as challenging issues to confront concerning Hamilton, Dueling Grounds is an uncompromising look at one of the most important musicals of the century.

(Vocal Selections). Six has received rave reviews around the world for its modern take on the stories of the six wives of Henry VIII and it's finally opening on Broadway! From Tudor queens to pop princesses, the six wives take the mic to remix five hundred years of historical heartbreak into an exuberant celebration of 21st century girl power! Songs include: All You Wanna Do \* Don't Lose Ur Head \* Ex-Wives \* Get Down \* Haus of Holbein \* Heart of Stone \* I Don't Need Your Love \* No Way \* Six.

This title examines the careers of Broadway's major orchestrators and follows the song as it travels from the composer's piano to the orchestra pit.

In a post-digital media landscape tracked endlessly by streams and feeds of images, it is clearer than ever that photography is an art poised between arresting singularity and ambiguous plurality. Drawing on work in visual culture studies that emphasizes the interplay between still and moving images, In and Out of Sight provides a provocative new account of the relationship between photography and modernist literature--a literature which has long been considered to trace, in its formal experimentation, the influence of modern visual technologies. Making pioneering claims about the importance of photography to the writing of Gertrude Stein, Jean Toomer, John Dos Passos, and F. Scott Fitzgerald, Alix Beeston traverses the history of photography in the late nineteenth and early twentieth centuries. From the composite experiments of Francis Galton to the epic portrait project of August Sander; from the surrealist self-

fashioning of Claude Cahun to the reappropriation of lynching photographs by black activist groups; from the collectable postcards of Broadway stars to the glamour shots of Hollywood celebrities--these and other serialized photographic projects provide essential contexts for understanding the fragmentary, composite forms of literary modernism. In a series of richly detailed literary analyses, Beeston argues that the gaps and intervals of the composite literary text model the visual syntax of photography--as well as its silences, absences, and equivocations. In them, the social and political order of modernity is negotiated and reshaped. Moving in and out of these textual openings, *In and Out of Sight* pursues the fleeting, visible and invisible figure of the woman-in-series, who recasts absence and silence as forms of presence and witness. This shadowy figure emerges as central to the conceptual space of modernist literature--a terrain not only gendered but radically constructed around the instability of female bodies and their desires.

There can be no area of human experience that has generated a wider range of powerful feelings than war. The 250 poems included in this acclaimed anthology span centuries of human conflict from David's lament for Saul and Jonathan, and Homer's *Iliad*, to the finest poems of the First and Second World Wars, and beyond. Reflecting the feelings of poets as diverse as Byron, Hardy, Owen, Sassoon, and Heaney, they reveal a great shift in social awareness from man's early celebratory 'war-songs' to the more recent 'anti-war' attitudes of poets responding to 'man's inhumanity to man' - and to women and children.

The thrill and chill of the ghost story is displayed in all its variety and vitality through this marvellous anthology. Ranging from the early 19th century to the 1960s, the collection reveals the development of the genre, and showcases many of its greatest expositors - from Sir Walter Scott, H. G. Wells, M. R. James, T. H. White, Walter de la Mare, and Elizabeth Bowen in the UK to Edith Wharton in America. Though its heyday coincided with the golden age of Empire in the nineteenth century, the ghost story enjoyed a second flowering between the two World Wars and its popularity is as great as ever.

*Nothing Like a Dame* captures the stories and insights of the greatest living female actors of the American musical theatre in new, exclusive interviews, accompanied by a terrific selection of photographs of the women in iconic roles.

Captivating Discovery Education(TM) video and stimulating global topics spark curiosity and engage teenage learners.

After a cyclone transports her to the land of Oz, Dorothy must seek out the great Wizard in order to return to Kansas.

*To Broadway, To Life!* The Musical Theater of Bock and Harnick is the first complete book about these creative figures, one of Broadway's most important songwriting teams. The book draws from personal interviews with Bock and Harnick themselves to offer an in-depth exploration their shows, including *Fiddler on the Roof*, *She Loves Me*, and *Fiorello!*, and their greater place in musical theater history.

A concise introduction to the emerging field of data science, explaining its evolution, relation to machine learning, current uses, data infrastructure issues, and ethical challenges. The goal of data science is to improve decision making through the analysis of data. Today data science determines the ads we see online, the books and movies that are recommended to us online, which emails are filtered into our spam folders, and even how much we pay for health insurance. This volume in the MIT Press Essential Knowledge series offers a concise introduction to the emerging field of data science, explaining its evolution, current uses, data infrastructure issues, and ethical challenges. It has never been easier for organizations to gather, store, and process data. Use of data science is driven by the rise of big data and social media, the development of high-performance computing, and the emergence of such powerful methods for data analysis and modeling as deep learning. Data science encompasses a set of principles, problem definitions, algorithms, and processes for extracting non-obvious and useful patterns from large datasets. It is closely related to the fields of data mining and machine learning, but broader in scope. This book offers a brief history of the field, introduces fundamental data concepts, and describes the stages in a data science project. It considers data infrastructure and the challenges posed by integrating data from multiple sources, introduces the basics of machine learning, and discusses how to link machine learning expertise with real-world problems. The book also reviews ethical and legal issues, developments in data regulation, and computational approaches to preserving privacy. Finally, it considers the future impact of data science and offers principles for success in data science projects.

Few musicals have had the impact of Lerner and Loewe's timeless classic *My Fair Lady*. Sitting in the middle of an era dominated by such seminal figures as Rodgers and Hammerstein, Frank Loesser, and Leonard Bernstein, *My Fair Lady* not only enjoyed critical success similar to that of its rivals but also had by far the longest run of a Broadway musical up to that time. From 1956 to 1962, its original production played without a break for 2,717 performances, and the show went on to be adapted into one of the most successful movie musicals of all time in 1964, when it won eight Academy Awards. Internationally, the show also broke records in London, and the original production toured to Russia at the height of the Cold War in an attempt to build goodwill. It remains a staple of the musical theater canon today, an oft-staged show in national, regional, and high school theaters across the country. Using previously-unpublished documents, author Dominic McHugh presents a completely new, behind-the-scenes look at the five-year creation of the show, revealing the tensions and complex relationships that went into its making. McHugh charts the show from the aftermath of the premiere of Shaw's *Pygmalion* and the playwright's persistent refusal to allow it to be made into a musical, through to the quarrel that led lyricist Alan Jay Lerner and composer Frederick Loewe to part ways halfway through writing the show, up to opening night and through to the present. This book is the first to shed light on the many behind-the-scenes creative discussions that took place from casting decisions all the way through the final months of frantic preparation leading to the premiere in March 1956. McHugh also traces sketches for the show, looking particularly at the lines cut during the rehearsal and tryout periods, to demonstrate how Lerner evolved the relationship between Higgins and Eliza in such a way as to maintain the delicate balance of ambiguity that characterizes their association in the published script. He looks too at the movie version, and how the cast album and subsequent revivals have influenced the way in which the show has been received. Overall, this book explores why *My Fair Lady* continues to resonate with audiences worldwide more

than fifty years after its premiere.

This new second edition of *Enchanted Evenings* offers theater lovers an illuminating behind-the-scenes tour of some of America's best loved, most admired, and most enduring musicals. Readers will find such all-time favorites as *Show Boat*, *Carousel*, *Kiss Me, Kate*, *Guys and Dolls*, *My Fair Lady*, *West Side Story*, *Sweeney Todd*, *Sunday in the Park with George*, and *Phantom of the Opera*. Geoffrey Block provides a documentary history of each of the musicals, showing how each work took shape and revealing, at the same time, how the American musical evolved from the 1920s to today, both on stage and on screen. The book's particular focus is on the music, offering a wealth of detail about how librettist, lyricist, composer, and director work together to shape the piece. Block also includes trenchant social commentary and lively backstage anecdotes. Jerome Kern, Cole Porter, the Gershwins, Rodgers and Hart, Kurt Weill, Rodgers and Hammerstein, Lerner and Loewe, Frank Loesser, Leonard Bernstein, Stephen Sondheim, Andrew Lloyd Webber, and other luminaries emerge as hardworking craftsmen under enormous pressure to sell tickets without compromising their dramatic vision. The second edition includes a greatly expanded chapter on Sondheim, a new chapter on Lloyd Webber, and two new chapters on the film adaptations of the main musicals featured in the text (including such hard to find films as the original 1936 version of *Anything Goes* and the 1959 film adaptation of *Porgy and Bess*). Packed with information, including a complete discography and plot synopses and song-by-song scenic outlines for each of the fourteen shows, *Enchanted Evenings* is an essential reference as well as a riveting history. "A solid and fascinating work that should become a model of how to investigate and report on the evolution of a musical. Block's research is persuasive and his writing vivid. . . Indispensable for anyone who cares to know more about Broadway musicals than Playbill can provide." --Steven Bach, *The Los Angeles Times Book Review*

This gothic classic, "The Turn of the Screw" is one of the most famous ghost stories of all time. On Christmas Eve, Douglas reads a manuscript written by a former acquaintance, the governess, whom Douglas claims to have known and who is now dead. The manuscript tells the story of how the young governess is hired by a man who has become responsible for his young nephew and niece after the tragic deaths of their parents. He is uninterested in raising the children. The governess's new employer gives her full responsibility for the young siblings and explicitly states that he is not to be bothered with communications of any sort. Set in a remote estate this critically acclaimed novella tells the tale of a governess who, looking after two children, becomes convinced that the grounds are haunted. This story has been adapted many times for film and television, most recently in *The Turning* (2020). Famed for its ability to create an intimate sense of confusion and suspense, this novella is a must-read for all horror and ghost story fans.

Suitable for younger learners Word count 9,295

The Sound of Broadway Music A Book of Orchestrators and Orchestrations Oxford University Press, USA

The idea of American musical theatre often conjures up images of bright lights and big city, but its lifeblood is found in amateur productions at high schools, community theatres, afterschool programs, summer camps, and dinner theatres. In *Beyond Broadway*, author Stacy Wolf looks at the widespread presence and persistence of musical theatre in U.S. culture, and examines it as a social practice - a live, visceral experience of creating, watching, and listening. Why does local musical theatre flourish in America? Why do so many Americans continue to passionately engage in a century-old artistic practice that requires intense, person-to-person collaboration? And why do audiences still flock to musicals in their hometowns? Touring American elementary schools, a middle school performance festival, afterschool programs, high schools, summer camps, state park outdoor theatres, community theatres, and dinner theatres from California to Tennessee, Wolf illustrates musical theatre's abundance and longevity in the U.S. as a thriving social activity that touches millions of lives.

One of the most important dance artists of the twentieth century, dancer and choreographer Katherine Dunham (1909-2006) created works that thrilled audiences the world over. As an African American woman, she broke barriers of race and gender, most notably as the founder of an important dance company that toured the United States, Latin America, Europe, Asia, and Australia for several decades. Through both her company and her schools, she influenced generations of performers for years to come, from Alvin Ailey to Marlon Brando to Eartha Kitt. Dunham was also one of the first choreographers to conduct anthropological research about dance and translate her findings for the theatrical stage. *Katherine Dunham: Dance and the African Diaspora* makes the argument that Dunham was more than a dancer-she was an intellectual and activist committed to using dance to fight for racial justice. Dunham saw dance as a tool of liberation, as a way for people of African descent to reclaim their history and forge a new future. She put her theories into motion not only through performance, but also through education, scholarship, travel, and choices about her own life. Author Joanna Dee Das examines how Dunham struggled to balance artistic dreams, personal desires, economic needs, and political commitments in the face of racism and sexism. The book analyzes Dunham's multiple spheres of engagement, assessing her dance performances as a form of black feminist protest while also presenting new material about her schools in New York and East St. Louis, her work in Haiti, and her network of interlocutors that included figures as diverse as ballet choreographer George Balanchine and Senegalese president Leopold Sedar Senghor. It traces Dunham's influence over the course of several decades from the New Negro Movement of the 1920s to the Black Power Movement of the late 1960s and beyond. By drawing on a vast, never-utilized trove of archival materials along with oral histories, choreographic analysis, and embodied research, *Katherine Dunham: Dance and the African Diaspora* offers new insight about how this remarkable woman built political solidarity through the arts.

The Secret Garden by Frances Hodgson Burnett from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book.

"Where you tend a rose my lad, a thistle cannot grow." ? Frances Hodgson Burnett, *The Secret Garden* *The Secret Garden* is a classic children's novel about a little girl who goes to live with her uncle and discovers a great secret.

"Everything is Choreography: The Musical Theater of Tommy Tune is the first full-scale analysis of the work of Tommy Tune, and his place in a lineage of Broadway's great director-choreographers. The decade of the 1980s was considered a low point for the American musical. Tune's predecessors in the art of complete musical staging like Jerome Robbins, Bob Fosse, Gower Champion, and Michael Bennett were either dead or withdrawn from the Broadway arena. Yet it was the period of Tune's greatest success. The book examines how he adapted to an increasingly corporatized, high-stakes producing and funding environment. It considers how Tune kept the American musical a thriving, creative enterprise at a time when Broadway was

dominated by British imports. It investigates Tune's work of the last twenty-five years, when he shifted his attentions to touring and regional productions, far from the glare of Broadway. Unlike his fellow director-choreographers, Tune also maintained a successful performing career, and the book details the deft balancing act that kept him working as a popular singer-dancer-actor while directing a series of striking and influential Broadway musicals"--

Written in the style of a memoir, *My Ántonia* chronicles Jim Burden's friendship with the daughter of a Czech immigrant family. Recently orphaned, he moves west to Nebraska to live with his grandparents. Riding the same train is the Shimerda family, who are also on their way to settle in the area. The Shimerdas have a difficult life as pioneers: living in a sod house, working the fields, and running out of food in the winter. Jim soon becomes smitten with Ántonia, the eldest daughter, as they grow up and explore the landscape around them together. Through his eyes, we see both how she shapes the land around her and is shaped by the rigors of poverty. Similarly to Jim, Willa Cather spent her early years in Nebraska but most of her adult life in Eastern cities. She pays homage to her homeland with her Prairie Trilogy of novels: *O Pioneers!*, *The Song of the Lark*, and *My Ántonia*. They are tinged with her characteristic straightforward language, reverence for nature, and nostalgia, even as she acknowledges the hardships of the past. Published in 1918 to great enthusiasm, *My Ántonia* is considered one of Cather's finest works and a defining point in her identity as a writer. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Rewritten and redesigned in full-colour, A4 format, this new York Notes for GCSE edition of *An Inspector Calls* will help your students achieve the best possible grade. Written by GCSE examiners to give all students an expert understanding of the text and the exam, it includes: \* \*An invaluable exam skills section with essay plans, sample answers and expert guidance on understanding the question so students will know exactly what they need to do to succeed. \*A wealth of useful content including key quotes, checklists, study tips and short activities that will help students revise efficiently and remember everything they need to write the best answers. \*The widest coverage with in-depth analysis of character, themes, language, context and style, all helping students to succeed in the exam by demonstrating how well they understand the text.

A handy and engaging chronicle, this book is the most detailed production history to date of the original Broadway version of *Cabaret*, showing how the show evolved from Christopher Isherwood's Berlin stories, into John van Druten's stage play, a British film adaptation, and then the Broadway musical, conceived and directed by Harold Prince as an early concept musical. With nearly 40 illustrations, full cast credits, and a bibliography, *The Making of Cabaret* will appeal to musical theatre aficionados, theatre specialists, and students and performers of musical theatre.
