An interactive multimedia picture dictionary in American English.

The Oxford Picture English/Spanish Dictionary provides a fully integrated vocabulary development program, progressing from essential words to the more complex, delivered in short, thematic units. This edition still features the rich and vibrant illustrations that the Oxford Picture Dictionary is known and loved for. These illustrations present vocabulary in meaningful, real-life contexts to ensure success outside of class. So, what's new in the Third Edition? 11 new and expanded topics. What words do students need to navigate a doctor's appointment? Or on their first day at a new job? New and expanded topics - Illnesses and Medical Conditions, Health Insurance, Cyber Safety, Job Search, Career Planning, Soft Skills, First Day on the Job, Inside a Company, Information Technology, Digital Literacy, Internet Research - focus on the important life skills students need today. Updated activities and an increased focus on 21st century skills help students prepare for work, academic study, and citizenship. A focus on Oxford 3000 vocabulary ensures students learn the most useful and important words.

Teaches English as a second language to Spanish speakers through the use of pictures dealing with everyday topics such as the body, post office, law, travel, and family.

The second edition of this well-loved dictionary with an increased emphasis on academic language, alignment to curriculum standards, and a research-based pedagogy.

The OPD Second Canadian Edition English/Spanish is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Spanish, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Spanish speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Spanish is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

Heinle Picture Dictionary; Spanish Bilingual Edition.
