You could hardly blame Dexter, ordinarily a well-behaved young dragon, for showing off when he suddenly found that he could make clouds of smoke. The temptation is irresistible, but Dexter quickly becomes insufferable. First he watches his own reflection in the river in order to admire the smoke. Then he puffs it in the faces of his friends: the zebra, the giraffe, and the elephant. He even blows smoke rings around his own tail to prove how clever he is. Soon Dexter has no friends left. He is a very lonely dragon indeed, until quite by accident he discovers a way his talent can be used to win back his playmates. This wonderful story -- first published in 1953 -- will delight both young readers and their parents, and so will Lisa McCue's appealing new pictures of this lovable show-off.

With her best friend, Loretta, though, she doesn't feel shy, embarrassed, awkward, or odd -- not one bit. Together they're like two peas in a pod, whether anyone's watching or not. Any readers who have felt shy will certainly recognize themselves within the pages of this adorable book, which will encourage even the most timid of audiences with its celebration of the value of a good friend. From the illustrator of the #1 smash hit *The Day the Crayons Quit* comes an imaginative tale of friendship in a world where what makes us different isn't nearly as important as what makes us the same. When a boy discovers a single-propeller airplane in his closet, he does what any young adventurer would do: He flies it into outer space! Millions of miles from Earth, the plane begins to sputter and quake, its fuel tank on empty. The boy executes a daring landing on the moon . . . but there's no telling what kind of slimy, slithering, tentacled, fangtoothed monsters lurk in the darkness! (Plus, it's dark and lonely out there.) Coincidentally, engine trouble has stranded a young Martian on the other side of the moon, and he's just as frightened and alone. Martian, Earthling—it's all the same when you're in need of a friend.

An artful mixture of fantasy and reality, humor and heart, Maya Was Grumpy celebrates the power of imagination and humor to improve moods. Maya wakes up on the wrong side of the bed, tangled in her blanket, and in a crispy, cranky, grumpy, grouchy mood. She doesn't want to color or wear her favorite shorts or go outside to play. What's worse, she's determined to share her grumpiness with everyone as she glumps, clumps, and thumps around the house. But when Maya growls at her grandmother, she graciously takes Maya's mood in stride, and even has a solution: Gramma suggests a series of unusual activities that Maya will probably not want to do since she's feeling grumpy—and then dismisses her own silly suggestions before Maya can reject them. Children will find it hard to keep from smiling as they watch Maya's grouchiness dissolve into glee at Gramma's giggle-inducing ideas, while adults will find Gramma's clever tactic a useful strategy to add to their repertoire when kids are grumpy.
