Enough Blood Shed confronts the reality of a world awash in weapons and the belief that war is inevitable, with people powerless to change the system. It provides an alternative perspective based on solutions known to be successful because they have been used already. The first part of the book describes the culture of violence that has led the world to this precipice of hopelessness, and then points to signs of hope that a different future is possible. It outlines the steps being made to build a culture of peace,
