

Past Papers Of Advanced Accounting

Intended for a senior level course in advanced accounting taught at many four-year schools, the book's primary objective is to provide a comprehensive treatment of selected topics in a clear and understandable manner. The third edition reflects current issues in advanced accounting, integrates all three alternative recording methods (cost, partial equity, complete equity) for teaching consolidation concepts using worksheet icons and labels to distinguish among the three methods and new, enhanced student pedagogy.

Everything you need for success in Accounting at A-Level.

Written by E. John Larsen, the Study Guide contains an outline of the important points for each chapter, plus a variety of objective questions, short exercises, and a case. Answers are found at the end of each study guide chapter.
