But her new client, Amal Harper, is testing her in ways she never imagined. As tempers ignite, Hannah fights a desire that's taking her from the boardroom and into the bedroom of the town's most notorious playboy. Amal doesn't want to lose Hannah, especially after she starts working her seductive magic. Is it too late to mend his bad-boy ways and claim a future with a woman who's his total opposite - except when it comes to love? 'Absolutely brilliant... I devoured it in a few hours because it was impossible to put down... Be prepared for a rollercoaster of emotions... Packed full of laughs... Had me laughing all the way through... Perfect.' Goodreads Reviewer Is this all there is? I scraped the last dregs of Caramel Chew Chew ice cream out of the bottom of the tub with my finger and licked it. It left a sticky smear on my phone's screen when I typed into Google, "How to find love, sex and happiness." Charlotte has always been a good girl. But being good is getting boring... She's not just stuck in a rut – she's buried in it up to her chin. The only company she has in bed is the back catalogue of Netflix and falling in love feels like the stuff of fairy tales. So when she stumbles across a popular podcast, 'Sorry Not Sorry', which challenges women to embrace their inner bad girl, she jumps at the chance to shake things up. Old Charlotte would never ask for a stranger's number, go on a blind date or buy lacy lingerie... But New Charlotte is waving goodbye to her comfort zone (with a side order of margaritas). And it turns out that good things happen to bad girls... A fabulously feel-good novel that will make you laugh till you cry and leave you living life to the full, margarita in hand! If you're a fan of romantic comedies by Sophie Kinsella, Lindsey Kelk or Matt Dunn, and love TV shows like Girls, Crazy Ex-Girlfriend and Jane the Virgin, you won't be able to put down this hilarious read. Have you ever felt that particular urge to share your excitement just after reading an amazing novel? Ever experienced that bubbling happiness that won't be subdued?... There is only one thing I can shout at you: READ IT! ... An excellent light read that is hard to put down. It cost me a night's sleep, but that was so worth it. Happy reading everyone!' Goodreads Reviewer, 5 stars 'I am sitting on a bus leaving New York and I couldn't even wait to get in front of my laptop to write a review... This book was THAT. GOOD... I took this book slowly because it was one of those novels you know you'll be sorry to see end. Hell, I even slacked on some finals to read instead of working on my dissertation. I'm not sorry that's for sure ;)... That last minute twist???? I was screaming.' Goodreads Reviewer, 5 stars 'Fantastic... So good I binge read it overnight... There was no way I was putting this book down once I started... The twists and turns kept me hooked... It had me laughing out loud, cringing and falling in love with the characters... Everyone knows that your best friend's ex is totally off limits. I didn't want to date Dylan, my best friend's ex-boyfriend. I just felt bad for him because the last two girls he'd gone out with had dumped him to go back to their exes. He was a sweet guy who deserved better, and in a moment of insanity I decided to make it happen for him. I was going to discover everything there was to know about him and then find the girl who was his perfect match. It all sounded so easy, until I started hanging out with him. But things got complicated really fast, and the more time I spent with him the less interested I was in matching him up with someone else. Dylan is afraid that I'm going to be like the other girls, though, and dump him to go chasing after Seth first chance I get. And I'm scared that he's going to be like every other boy I've gone out with and drop me without a backwards glance. Plus there's that whole issue of him being my best friend's ex, which would be majorly awkward. There's just no way that the two of us could possibly work out, so the safest thing to do is to stick with my plan and get him out of my life as soon as possible. Even though deep down I know that he's my perfect match. high school romance, ya romance, teen romance, romance series, clean and wholesome romance, beach romance, young adult romance, contemporary

After two years of being deafened by the TICKTOCK of her biological clock and tormented by Mother Nature's refusal to grant her a baby, Emma Hamilton decides to go for the instant solution: finding a Russian baby in need of a home. But Emma hasn't reckoned on the route to adoption being so complicated. Between proving that she's fit to be a mother (by inventing an unblemished past and discovering an unsuspected talent for housekeeping), driving her long-suffering husband insane with madcap schemes to make them the perfect would-be parents (a few Russian verbs a night and they'll be fluent in no time), and tripping over red tape every step of the way (who knew social workers could be so terrifying?) Emma finds out that adoption is far from the easy option and that perfection has very little to do with finding the perfect match.
