An excellent value atlas featuring fully updated cartography from Philip's digital database, which has been voted Britain's clearest and most detailed mapping in an independent consumer survey and now includes speed camera locations. This atlas includes all the mapping features normally included only in more expensive road atlases. The front section includes route-planner, distance table, legend, London street map, chart of motorway junctions with restricted access, and key map. The road map section includes 96 pages of large-scale mapping covering Britain at 3 miles to 1 inch (north Scotland at 4 miles to 1 inch), marking all fixed speed cameras as well as full road network and town and village details. The town plan section includes 53 town centre maps, marking car parks and places of interest. The comprehensive index includes 28,000 names. Main map scale: 3 miles to 1 inch. Includes entries for maps and atlases.

Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.
