

# Political Cartoon Paper

Included in this book are more than 150 examples of Nast's work which, together with the author's commentary, recreate the life and pattern of artistic development of the man who made the political cartoon a respected and powerful journalistic form.

". . . one of the most important books in recent years on hemisphere relations. . . . A bold work that could scarcely have been conceived until recently, Latin America in Caricature is a product of the climate of raised consciousness that has made many privileged white males aware of the hollowness of the stereotypes they have concocted to rationalize domination over Blacks, women, and other purportedly less-than-rational beings--stereotypes that they then projected southward so as to justify their assumed rights of hegemony in the hemisphere."--fredrick b. pike, hispanic american historical review"Not many readers will thank the author as he deserves, for he has told us more about ourselves than we perhaps wish to know," predicted Latin America in Books of Latin America in Caricature--an exploration of more than one hundred years of hemispheric relations through political cartoons collected from leading U.S. periodicals from the 1860s through 1980. The cartoons are grouped according to recurring themes in diplomacy and complementing visual imagery. Each one is accompanied by a lengthy explanation of the incident portrayed, relating the drawing to public opinion of the day. Johnson's thoughtful introduction and the comments which precede the individual chapters provide essential background for understanding U.S. attitudes and policies toward Latin America. Serves as the only complete bibliography on comic art for the 87 countries discussed.

First published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

To clear their minds and organize their ideas, artists will often start projects by drawing sketches. Drawing asks why artists and designers use drawing in that way to kick-start their creative thinking, considering the application of drawing and its various uses across disciplines. From the interdisciplinary perspectives of archaeology, jewelry design, illustration, and landscape architecture, this innovative volume highlights how drawing is used in the professional world. With examples from both contemporary and historical contexts, Drawing will be an invaluable resource for practitioners and scholars seeking a rationale for why we draw.

Ironic, isn't it? For more than a quarter century, Pat Oliphant has skewered the denizens of Congress with his biting sharp editorial cartoons. Now, in an exhibit and this companion volume, Oliphant is honored in the very repository of that illustrious body: The Library of Congress. Oliphant is, after all, the most important political cartoonist of the 20th century. His trademark wit -- shared with the adoring fans who read almost 350 daily and Sunday newspapers that carry his work -- has impaled presidents, dogged members of Congress, and critiqued a whole host of issues. From Vietnam to Bosnia, from Lyndon Johnson to Bill Clinton, Pat Oliphant has applied his considerable talent to the workings of the world. "Oliphant's Anthem" will catalog the 60 drawings, sculptures, and various art media that will be exhibited as a special tribute to Pat Oliphant's art in March 1998 at the Library of Congress. Interviews with the artist throughout the book will highlight his thoughts, concerns, and considerations as he has created this impressive body of work. Printed on glossy enamel stock, the black and white book will include an eight-page color signature. It is certain to be a collectible edition for Oliphant fans everywhere.

An institution at the Chicago Sun-Times, his home paper for more than twenty-five years, Pulitzer Prize-winning editorial cartoonist Jack Higgins gathers for the first time in *My Kind of 'Toon (Chicago Is)* approximately 250 editorial and political cartoons. Over the years, he has filed syndicated cartoons from the Soviet Union, Hungary, Ireland, and Cuba. From his front-row seat he has lately focused on the highs and lows of the Chicago and Illinois politics that produced both the first African American president and a string of corrupt gubernatorial administrations.

A latecomer within the prestigious award system, the Pulitzer Prize for Editorial Cartooning began in 1922. That was five years after the establishment of the other Pulitzer Prizes. This book analyzes and documents the fascinating history of the cartoon awards up to 2012. The annual juror selection processes are explained on the basis of the jury reports. Each award winner is portrayed in a biographical sketch together with a reprint of one of his cartoons. (Series: Pulitzer Prize Panorama - Vol. 4)

Journals are great for writing down ideas, taking

notes, writing about travels and adventures, describing good and bad times. Writing down your thoughts and ideas is a great way to relieve stress. Journals are good for the soul!

In an age when local daily papers with formerly robust reporting are cutting sections and even closing their doors, the contributors to *The Life of Kings* celebrate the heyday of one such paper, the *Baltimore Sun*, when it set the agenda for Baltimore, was a force in Washington, and extended its reach around the globe. Contributors like David Simon, creator of HBO's *The Wire*, and renowned political cartoonist Kevin Kallauger (better known as KAL), tell what it was like to work in what may have been the last golden age of American newspapers -- when journalism still seemed like "the life of kings" that H.L. Mencken so cheerfully remembered. The writers in this volume recall the standards that made the *Sun* and other fine independent newspapers a bulwark of civic life for so long. Their contributions affirm that the core principles they followed are no less imperative for the new forms of journalism: a strong sense of the public interest in whose name they were acting, a reverence for accuracy, and an obligation to keep faith with the reader.

From Benjamin Franklin's drawing of the first American political cartoon in 1754 to contemporary cartoonists' blistering attacks on George W. Bush and initial love-affair with Barack Obama, editorial

cartoons have been a part of American journalism and politics. American Political Cartoons chronicles the nation's highs and lows in an extensive collection of cartoons that span the entire history of American political cartooning. "Good cartoons hit you primitively and emotionally," said cartoonist Doug Marlette. "A cartoon is a frontal attack, a slam dunk, a cluster bomb." Most cartoonists pride themselves on attacking honestly, if ruthlessly. American Political Cartoons recounts many direct hits, recalling the discomfort of the cartoons' targets---and the delight of their readers. "This is it. On these pages are the drawings and the points that truly make our politics, government, and democracy the enjoyable mess it is Nobody could have assembled and explained it all better and more completely than Stephen Hess and Sandy Northrop. Give yourselves a break. This IS it!" JIM LEHRER, PBS NewsHour

This is a book about visual literacy. It both advocates and equips the scholarly use of visual images as visual evidence. The visual is not mere illustration, it is the text. Enabling a rediscovery of the visual skills of the past facilitates the investigation of history and the understanding of the present. Chapters by international authorities have been specially commissioned on the use of visual evidence from painting to political prints, photographs, documentary, feature films, television, news and advertising.

interesting lessons for students in middle high school."--P. [4]. The Joy of Soy, the world's first (and funniest) collection of vegetarian cartoons, pokes fun at meat-eaters and vegans alike -- anyone, explains cartoonist Vance Lehmkuhl, who draws their ethical line above or below where he does. Vance Lehmkuhl's political cartoon strip, "How To Harry", appears every week in Philadelphia's City Paper. An amalgam of MAD Magazine, Life in Hell and Washington, the strip has managed to offend almost everyone in town at one time or another over the five years it has run, despite its reputation as "politically correct". It also won Philadelphia Magazine's 1992 "Best of Philly" award. Vance's cartoons have also appeared in the Philadelphia Inquirer, the Philadelphia Daily News and The Humanist, and are featured online in the "Cartoon Academy". Lehmkuhl has been a vegetarian for twelve years; The Joy of Soy is his first collection.

The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917. Nowadays there are prizes in 21 categories from the fields of journalism, literature and music. The Pulitzer Prize Archive presents the history of this award from its beginnings to the present: In parts A to E the awarding of the prize in each category is documented, commented and arranged chronologically. Part F covers the history of the prize biographically and bibliographically. Part G provides the background to the decisions.

Examines the American newspaper industry from the 1830s to 1930 and discusses how innovators of the press, such as Bennett, Greeley, Pulitzer, and Hearst, created a bond between newspapers and the American citizenry.

Celebrating the lesser known but significant lives and contributions of our nation's early African American leaders, this multicultural complement to most children's books on the American Revolution covers a wide spectrum of subjects, including military, art, religion, and science. Weaving the

histories of dozens of men and women—soldiers, sailors, ministers, poets, merchants, doctors, and other community leaders—to properly recognize them among the founders of the United States of America, this text gives a better sense of what these individuals accomplished and the times in which they lived. Activities include celebrating Constitution Day, cooking colonial foods, publishing a newspaper, petitioning their government, and more. This valuable resource also includes a time line of significant events, a list of historic sites to visit or explore online, and Web resources for further study. Before Mark Twain became a national celebrity with his best-selling *The Innocents Abroad*, he was just another struggling writer perfecting his craft-but already "playin' hell" with the world. In the first book in more than fifty years to examine the initial phase of Samuel Clemens's writing career, James Caron draws on contemporary scholarship and his own careful readings to offer a fresh and comprehensive perspective on those early years-and to challenge many long-standing views of Mark Twain's place in the tradition of American humor. Tracing the arc of Clemens's career from self-described "unsanctified newspaper reporter" to national author between 1862 and 1867, Caron reexamines the early and largely neglected writings-especially the travel letters from Hawaii and the letters chronicling Clemens's trip from California to New York City. Caron connects those sets of letters with comic materials Clemens had already published, drawing on all known items from this first phase of his career-even the virtually

## Where To Download Political Cartoon Paper

forgotten pieces from the San Francisco Morning Call in 1864-to reveal how Mark Twain's humor was shaped by the sociocultural context and how it catered to his audience's sensibilities while unpredictably transgressing its standards. Caron reveals how Sam Clemens's contemporaries, notably Charles Webb, provided important comic models, and he shows how Clemens not only adjusted to but also challenged the guidelines of the newspapers and magazines for which he wrote, evolving as a comic writer who transmuted personal circumstances into literary art. Plumbing Mark Twain's cultural significance, Caron draws on anthropological insights from Victor Turner and others to compare the performative aspects of Clemens's early work to the role of ritual clowns in traditional societies. Brimming with fresh insights into such benchmarks as "Our Fellow Savages of the Sandwich Islands" and "Jim Smiley and His Jumping Frog," this book is a gracefully written work that reflects both patient research and considered judgment to chart the development of an iconic American talent. Mark Twain, Unsanctified Newspaper Reporter should be required reading for all serious scholars of his work, as well as for anyone interested in the interplay between artistic creativity and the literary marketplace.

Illuminates Steinberg's creative genius as a writer of pictures by critically viewing his ability to transcend

borders between art and language in his drawings, cartoons, New Yorker covers, watercolors, and three-dimensional constructions.

*Pulling Newspapers Apart: Analysing Print Journalism* explores contemporary UK national and local newspapers at a significant and pivotal moment in their development when some pundits are busily, if mistakenly, announcing their demise. The book offers a detailed examination of features which previous studies have tended to neglect, such as editorial formats (News, Op Ed pages, readers' letters, cartoons, obituaries, advice columns, features and opinion columns), aspects of newspaper design (page layout, photographs, supplements, online editions, headlines, the emergence of the compact and Berliner editions), newspaper contents (sport, sex and Page 3, royalty, crime, moral panics and politics) as well as the content of newspapers which is not generated by in house journalists (advertising, TV listings, horoscopes, agency copy and public relations materials). This innovative and accessibly written collection provides journalism and media students with an invaluable study of newspapers in the digital age.

Presents subject review, full-length practice tests with answer explanations, and test-taking strategies to help readers prepare for and score higher on the high school equivalency test.

Millions of Americans know and love Charlie Brown and Snoopy, Blondie and Dagwood, Doonesbury, Li'l Abner, Garfield, Cathy, Beetle Bailey and other such comic strip characters. Thanks to the cartoonists--the people who have brought and still bring these and other characters to life day after day in the newspapers--the characters have become an entertaining and important part of American culture. Charles Schulz (Peanuts), Chic Young (Blondie), Gary Trudeau (Doonesbury), Al Capp (Li'l Abner), Jim Davis (Garfield), Cathy Guisewite (Cathy), Mort Walker (Beetle Bailey), Rudolph Dirks (The Katzenjammer Kids), Alex Raymond (Rip Kirby), Chester Gould (Dick Tracy), Frank King (Gasoline Alley), Cliff Sterrett (Polly and Her Pals), and other cartoonists whose comic strips appeared in American newspapers between 1945 to 1980 are featured in this work. The author provides a biographical sketch of each cartoonist, with special attention given to the cartoonist's career and characters.

In this first book-length study of Charles Johnson's work, Jonathan Little offers an engaging account of the artistic growth of one of the most important contemporary African American writers. From his beginnings as a political cartoonist through his receipt of the National Book Award for *Middle Passage*, Johnson's imagination has become increasingly spiritual. Little draws upon a wide array

## Where To Download Political Cartoon Paper

of sources, including short stories, interviews, reviews, articles, and cartoons, as he traces the brilliant achievement of this provocative artist who is very much at the height of his career. Charles Johnson's *Spiritual Imagination* begins with an analysis of Johnson's political cartoons from the late sixties and early seventies, when he was immersed in the Black Power Movement. Little shows that in these early cartoons one can already see Johnson's comic genius and his quest for unconstrained artistic freedom even when dealing with the highly charged issues of racial politics. By examining how Johnson incorporates the influences of phenomenology, Zen Buddhism, Taoism, Hinduism, and Romanticism into a strikingly original perspective on individual and social identity, Little chronicles Johnson's development. The book illuminates the progression of Johnson's aesthetics as he deals with the at times disturbing contrast between the hope offered by art and spirituality and the harsh realities of African American existence. As he situates Johnson within the tradition of African American literature, Little pairs each of his novels with a major precursor, including novels by Richard Wright and Ralph Ellison, and such far-ranging sources as Hermann Hesse's *Siddhartha* and the *Ten Oxherding Pictures*. These comparisons help to show Johnson's innovations within the African American literary tradition and include discussions of naturalism,

## Where To Download Political Cartoon Paper

realism, and modernism. This book will appeal to anyone interested in African American literature, spirituality, aesthetics, and the culture wars.

A comprehensive and authoritative encyclopedia of U.S. political history An essential resource for anyone interested in U.S. history and politics, this two-volume encyclopedia covers the major forces that have shaped American politics from the founding to today. Broad in scope, the book addresses both the traditional topics of political history—such as eras, institutions, political parties, presidents, and founding documents—and the wider subjects of current scholarship, including military, electoral, and economic events, as well as social movements, popular culture, religion, education, race, gender, and more. Each article, specially commissioned for this book, goes beyond basic facts to provide readers with crucial context, expert analysis, and informed perspectives on the evolution of American politics. Written by more than 170 leading historians and social scientists, The Princeton Encyclopedia of American Political History gives students, scholars, and researchers authoritative introductions to the subject's most important topics and a first step to further research. Features nearly 190 entries, organized alphabetically and written by a distinguished team of scholars, including Dean Baker, Lewis L. Gould, Alexander Keyssar, James T. Kloppenberg, Patricia Nelson
