When 17 year-old Callie's life is suddenly cut short, she "wakes up" ABOVE, and soon discovers it's not exactly what she expected. Still reeling from the fact that she is, in fact, no longer living, Callie learns that she's also part of a select group of recently-passed teens fated to become Guardians. Not only does Callie have to go to Guardian school, her dead grandmother happens to be the headmistress and the curriculum includes revisiting every mistake she's ever made. And since no one seems to want to give her a straight answer about anything -- including the mysterious empty room next to hers -- Callie comes to realize that life ABOVE is even more confusing than the life she just left behind. Callie must come to terms with her Watched resisting her guidance, her feelings for Logan, a boy she's drawn to but who withholds from her, and the knowledge that she is a target for the evil that exists ABOVE. But her hardest lesson will be to understand that she has as much to give as she has to learn. Callie must choose to acknowledge and accept her gifts, embrace her fate, and become a Guardian who can make a difference that will impact the worlds below, ABOVE and beyond.

Entertainment spending is soaring worldwide, driven by new technologies, new platforms, new business models, and unrelenting demand amongst seven billion consumers. That means entertainment marketing opportunities are soaring, too. But this business is more complex and competitive than ever—and it's changing at breakneck speed. Now, two leading practitioners show how to transform content into profits today and tomorrow...in *The Definitive Guide to Entertainment Marketing*. *Marketing Metrics: The Definitive Guide to Measuring Marketing Performance, Second Edition*, is the definitive guide to today's most valuable marketing metrics. In this thoroughly updated and significantly expanded book, four leading marketing researchers show exactly how to choose the right metrics for every challenge and expand their treatment of social marketing, web metrics, and brand equity. They also give readers new systems for organizing marketing metrics into models and dashboards that translate numbers into management insight.

Everyone wants to know how EL James, a middle-aged mom of two from the London suburbs became the best-selling author of all time, with over a million books selling worldwide in less than a year, and now a major motion picture. Read this book to find out exactly how she did it. Inside you'll learn how she wrote her first draft based on Twilight fan fiction, and how she rewrote it as the book we know and love today, the rough and tumble process of editing, and how she assembled a group of dedicated fans herself that brought this smutty masterpiece to the rest of the world, Inside these pages is the step-by-step process by which this middle-aged British mother came up with the international best-selling erotic romance series that has sold more copies than Harry Potter and Gone with the Wind combined! NY Times best-selling

biographer Marc Shapiro uncovers the inspiration and secrets behind this writing sensation, explaining how she did it with exclusive interviews with her editors and early fans. Tackles a human problem we all share?the fate of the earth and our role in its future Confident that your personal good deeds of environmental virtue will save the earth? The stories we encounter about the environment in popular culture too often promote an imagined moral economy, assuring us that tiny acts of voluntary personal piety, such as recycling a coffee cup, or purchasing green consumer items, can offset our destructive habits. No need to make any fundamental structural changes. The trick is simply for the consumer to buy the right things and shop our way to a greener future. It's time for a reality check. Ecopiety offers an absorbing examination of the intersections of environmental sensibilities, contemporary expressions of piety and devotion, and American popular culture. Ranging from portrayals of environmental sin and virtue such as the eco-pious depiction of Christian Grey in Fifty Shades of Grey, to the green capitalism found in the world of mobile-device "carbon sin-tracking" software applications, to the socially conscious vegetarian vampires in True Blood, the volume illuminates the work pop culture performs as both a mirror and an engine for the greening of American spiritual and ethical commitments. Taylor makes the case that it is not through a framework of grim duty or obligation, but through one of play and delight, that we may move environmental ideals into substantive action.

Wanna Read But Not Enough Time? Then, grab a SpeedyReads of Fifty Shades of Grey by EL James Now! Here's a sample of what you'll see in this book: Background Information about 50 Shades of Grey 50 Shades of Grey was published June 20th, 2011. It was originally entitled Master of the Universe and was part of a fan-fiction series based off of Stephanie Meyer's Twilight books. After being chastised for the explicit content, E. L. James removed her work from the website and turned to self-publishing via Kindle. The first official copy was released as an e-book from a virtual publisher, based in Australia, in May of 2011. *this is an unofficial summary of 50 Shades of Grey meant to enhance your reading experience. The Global eBook Report documents and analyses how ebook markets emerge in the US, UK, continental Europe, Brazil, China, India, Russia, and the Arab world. It combines the best available data and references to specialized local actors, with thematic chapters, focusing on critical policy debates and on key driving forces, notably ebook bestsellers and pricing strategies across European markets, self-publishing, government regulation, piracy, and the expanding impact of global players. The Global eBook Report is available for download from October 1st , 2013, at www.global-ebook.com. A project of Rüdiger Wischenbart Content and Consulting.

This is the best book about spanking ever. Mostly 5-Star reviews from mischievous folk all over the world. And no wonder - it's full of stunning photographs accompanied by intelligent, witty, often lol funny little stories. There's even a haiku. (When did you last read a book about spanking that had a haiku?) clb x

Peter Buffington took his personal experience with self-publishing and freely shares his hard-won wisdom and best advice for those looking to do likewise. This is a great guide for those starting out in self-publishing by someone who is successful in this genre and with the process. -Shelia F. English, CEO/Author/Producer, Circle of Seven Productions The Most Efficient Way to Publish an eBook is a fantastic and concise guide for anyone considering self-publishing. Peter's experiences as a best-selling aviation author and eBook conversion consultant are shared in this book and I love his bite-sized and easy-to-follow approach. - Paul Cameron, CEO, Booktrack

Do you want to know the secret to selling more of your self-published books? Would you like to increase the number of retailers selling your books (and your potential earnings) by 200%, 300% or more? Do you know why Amazon's KDP Select program is keeping you from achieving true global distribution of your eBooks? Would you like to know why over 50% of self-published Indie Authors made less than \$500 in 2011 while the "Top Earners" of the self-publishing world are making tens of thousands; even millions of dollars per year? Global Marketing expert John Weisenberger wanted to know the answers to these questions too, so he researched, experimented, and researched some more until he discovered what it really takes to successfully market and sell a self-published book. What he found may truly shock you. It may shock you to learn how easily Amazon is duping authors into granting them the

Wanna Read But Not Enough Time? Then, grab a SpeedyReads of Fifty Shades Freed and Grey: Fifty Shades of Grey as Told by Christian by EL James Now! Here's a sample of what you'll see in this book: CHAPTER 8 from Fifty Shades Freed Gia arrives to discuss their blueprints for the new house, and the atmosphere is tense. Christian, himself, seems to be uncomfortable around Gia. Her flirtatious demeanor and tendency to lightly touch Christian's arm when talking, created an unpleasant atmosphere. Christian leaves to discuss something important with Taylor, and Ana and Gia are left on their own. Ana uses this opportunity to forcibly, yet politely, tell Gia to get her hands off of Christian. Gia is flustered, but assures Ana that she will steer clear of Christian as often as possible. Christian returns and notices Gia's cool departure. Ana eludes his implications and inquiries about his business with Taylor. Christian informs her that it's been revealed that Jack Hyde has not been in his apartment for weeks. Christian asks her about the plans she's made for their house to distract her from the dangerous situation still unfolding. *this is an unofficial summary of Summary of Fifty Shades Freed and Grey: Fifty Shades of Grey as Told by Christian. Note: this is an abridged version of the original book with references removed. The complete edition is also available. This book explores the intersection of public policy and the fast changing digital media economy. Over the last 20 years, digital technologies and digital content have revolutionized many aspects of social, economic and political life around the world. Governments, locked into the policies and programs of the traditional economy, are struggling to respond to this dynamic and commercially unique global ecosystem. This study examines the nature and extent of the digital economy, looking at both the commercial diversity within the sector and the different digital implementations across the world. While the digital engagement of North America is well known, the scale and intensity of digital growth in East Asia is not fully understood not are the transformative changes occurring in parts of Africa. The digital world is marked by the unexpected and rapid re-orientation of economic, social, cultural and political affairs. The digitization of work, for example, has already brought major disruptions within national economies. Governments are struggling to respond, in part because of pressures from the traditional industrial and resource sectors but also because of the unique, somewhat anarchistic nature of the digital content industry. The Global Digital Economy provides a profile of the global digital environment, reviews current government digital policies (with an emphasis on innovative strategies), and offers policy suggestions for national and subnational governments. Countries that respond creatively to the digital economy--like Taiwan, South Korea, Finland and Israel--stand to prosper from the anticipated accelerated growth of the sector. Those nations that struggle to keep pace with the digital infrastructure needs of the new economy and with the potential for employment and business creation stand to fall behind economically. This book provides a policy roadmap for the digital economy and identifies the risks and opportunities of this core sector in the twenty-first-century economy.

Grey by E L James | Summary & Analysis Preview: Love is not the same for all people, neither is passion, sex, or intimacy. Sometimes what one person finds thrilling, another can only hope to understand. These are the lessons learned from the experiences of Anastasia Steele after meeting Christian Grey in the now famous Fifty Shades of Grey series. In this book, the motivations, thoughts, and introspections of the man who introduced Ana to the world of bondage and discipline, Christian Grey, are expressed and explored. Grey gives further insight into the lifestyle and the relationship between the two characters. Christian lives an orderly and highly controlled life as a successful businessman after suffering horrible abuse and neglect as a very small child. He understands only some of what he suffered, and what he does know

comes to him at night in horrible dreams. His biological mother, a prostitute addicted to crack, invited a great deal of violence into their lives... PLEASE NOTE: This is a summary and analysis of the book and NOT the original book. Inside this Instaread Summary & Analysis of Primates of Grey • Summary of book • Introduction to the Important People in the book • Analysis of the Themes and Author's Style

CHAPTER 2 from Fifty Shades of Grey After listening to Ana's recording of the interview, Kate is certain that Christian seems "quite taken" with Ana. Christian and Ana begin to fall for one another and a sort of courting begins, albeit in an unconventional form. He 'happens' run into her at the hardware store, where she works, and his purchases leave more questions than answers. During their conversation, Ana mentions that Kate is having a difficult time with her article, due to a lack original photos of her subject. Christian obligingly offers an original, and a photo shoot is scheduled. Ana and Kate enlist the help of their friend José, for his photography skills. José is not very pleased when he notices Christian's obvious interest in Anastasia.

Christian is also not very pleased with José's presence *this is an unofficial summary of Summary of Fifty Shades of Grey and Fifty Shades Darker. her damaged, driven and demanding Fifty Shades than she ever thought possible. Fifty Shades Freed Anastasia Steele always knew that loving Christian Grey would not be easy, and being together poses challenges neither of them had anticipated. But, finally together, they have love, passion, intimacy, wealth, and a world of infinite possibilities. Then just when it seems that they really do have it all, tragedy and fate combine to make Ana's worst nightmares come true ...

WAKE UP! You are trying too hard to become something you don't want. Most books give you a ton of impractical information. This book gives you a bulletproof system for: • Using the unfair advantage to get richer, healthier, happier at the same time • Designing your purpose and setting yourself up for success • Beating the pros at self-discipline and habit development • Achieving 3X greater results from a single hour of work • Overcoming your fears and eliminating stress • Turning \$10/day into \$1,634,421 and much more. Where other books tell you what you should do, 0.1% tells you how to do it. Where other books tell you how to do it, 0.1% gives you a bulletproof system for helping you execute.

This book contributes significantly to book, image and media studies from an interdisciplinary, comparative point of view. Its broad perspective spans medieval manuscripts to e-readers. Inventive methodology offers numerous insights into visual, manuscript and print culture: material objects relate to meaning and reading processes; images and texts are examined in varied associations; the symbolic, representational and cultural agency of books and prints is brought forward. An introduction substantiates methods and approaches, ten chapters follow along media lines: from manuscripts to prints, printed books, and e-readers. Eleven contributors from six countries challenge the idea of a unified field, revealing the role of books and prints in transformation and circulation between varying cultural trends, 'high' and 'low'. Mostly Europe-based, the collection offers book and print professionals, academics and graduates, models for future research, imaginatively combining material culture with archival data, cultural and reading theories with historical patterns.

The wrong husband. The right lie. The serendipitous attack. The second chance that's always been there. I love my job. Being a teacher fills my heart each day. Especially when I meet great people in unexpected places, like the pickup door when parents come to get their kids. That's where I met Tyler. He's the one who saw it happen, a year ago, but neither of us knows it...yet. He's also the one who saves my life, but neither of us knows that yet, either. If only I'd met him sooner. If only I knew the right choices to make, then. Will his voice bring me back before it's too late? *** Sleep? What's that? Sure, my job and my business keep me busy, but I always make time for family. Then I meet Ripley, a teacher with a busted car and an a-hole husband, and I find myself lying to her, so I don't make the same mistake twice. But it comes back to bite me at the worst time, and I can't take it back. That's when I find out the truth about Ripley. That's when I find out things that I can't un-find out. And now I'm stuck. Until that knock at the door comes. And I wish like hell that I knew the truth sooner. Because now it may be too late. HEA (Happily ever after) Military romance Second chance romance Physical abuse (non-descriptive) Medium heat Course language Mild cliffhanger ending Fourth book in a 5 book complete standalone series "A deeply driven romance read." - 5 Stars from Jennifer Soppe, Amazon reviewer "Another great Lynch to read." - 5 Stars from Jessib, Amazon reviewer "Heavy subject compassionately written." - 5 Stars from Belinda, Amazon reviewer "Just an amazing story!" - 5 Stars from Kathleen Bulfon, Amazon reviewer "The author did a good job handling some difficult topics." - 5 Stars from Emily Pennington, Amazon Top 500 reviewer

Now in its fifth edition, Inside Book Publishing remains the classic introduction to the book publishing industry, being both a manual for the profession for over two decades and the bestselling textbook for students of publishing. This new edition has been fully updated to respond to the rapid changes in the market and technology. Now more global in its references

and resentments endanger them both, one misjudgment threatens to tear them apart. This book examines 'diversity', or the lack thereof, in young adult fiction (YA) publishing. It focuses on cultural hegemony in the United Kingdom and explores how literary culture aimed at young adults reproduces and perpetuates 'racial' and ethnic cultural hierarchies. Diversity is described by the We Need Diverse Books project as 'all diverse experiences, including (but not limited to) LGBTQIA, Native, people of color, gender diversity, people with disabilities, and ethnic, cultural, and religious minorities'. This study focuses on people of colour. While previous studies have looked at the representation of ethnic minorities in books for children and young adults, this book examines the experiences of 'own voice' cultural producers that create a counter-narrative. Specifically, this book will investigate the output and experiences of British young adult fiction authors of colour (BAME authors) published in the UK during the period 2006-2016, drawing upon semi-structured interviews with a sample of authors.

Whose Book is it Anyway? is a provocative collection of essays that opens out the copyright debate to questions of open access, ethics, and creativity. It includes views – such as artist's perspectives, writer's perspectives, feminist, and international perspectives – that are too often marginalized or elided altogether. The diverse range of contributors take various approaches, from the scholarly and the essayistic to the graphic, to explore the future of publishing based on their experiences as publishers, artists, writers and academics. Considering issues such as intellectual property, copyright and comics, digital publishing and remixing, and what it means (not) to say one is an author, these vibrant essays urge us to view central aspects of writing and publishing in a new light. Whose Book is it Anyway? is a timely and varied collection of essays. It asks us to reconceive our understanding of publishing, copyright and open access, and it is essential reading for anyone invested in the future of publishing.

Technology is rapidly advancing, and each innovation provides opportunities for such technology to mesh with the human enactment of physical intimacy or to be used in the quest for information about sexuality. However, the availability of this technology has complicated sexual decision making for young adults as they continually navigate their sexual identity, orientation, behavior, and community. Young Adult Sexuality in the Digital Age is a pivotal reference source that improves the understanding of the combination of technology and sexual decision making for young adults, examining the role of technology in sexual identity formation, sexual communication, relationship formation and dissolution, and sexual learning and online sexual communities and activism. While highlighting topics such as privacy management, cyber intimacy, and digital communications, this book is ideally designed for therapists, social workers, sociologists, psychologists, counselors, healthcare professionals, scholars, researchers, and students.

E L James revisits the world of Fifty Shades with a deeper and darker take on the love story that has enthralled millions of readers around the globe. "I've never felt this desire, this . . . hunger before. It's a new feeling, new and shiny. I want so much from her: her trust, her obedience, her submission. I want her to be mine, but right now . . . I'm hers." Christian Grey exercises control in all things; his world is neat, disciplined, and utterly empty—until the day that Anastasia Steele falls into his office, in a tangle of shapely limbs and tumbling brown hair. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy, unworldly Ana seems to see right through him—past the business prodigy and the penthouse lifestyle to Christian's cold, wounded heart. Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him? Discover the world of Fifty Shades of Grey: An Instant #1 New York Times Bestseller More than 165 Million Copies Sold Worldwide One of 100 Great Reads in the Great American Read 133 Weeks on the New York Times Bestseller List This book is intended for mature audiences.

Ian McEwan once said, 'When women stop reading, the novel will be dead.' This book explains how precious fiction is to contemporary women readers, and how they draw on it to tell the stories of their lives. Female readers are key to the future of fiction and--as parents, teachers, and librarians--the glue for a literate society. Women treasure the chance to read alone, but have also gregariously shared reading experiences and memories with mothers, daughters, grandchildren, and female friends. For so many, reading novels and short stories enables them to escape and to spread their wings intellectually and emotionally. This book, written by an experienced teacher, scholar of women's writing, and literature festival director, draws on over 500 interviews with and questionnaires from women readers and writers. It describes how, where, and when women read fiction, and examines why stories and writers influence the way female readers understand and shape their own life stories. Taylor explores why women are the main buyers and readers of fiction, members of book clubs, attendees at literary festivals, and organisers of days out to fictional sites and writers' homes. The book analyses the special appeal and changing readership of the genres of romance, erotica, and crime. It also illuminates the reasons for women's abiding love of two favourite novels, *Pride and Prejudice* and *Jane Eyre*. Taylor offers a cornucopia of witty and wise women's voices, of both readers themselves and also writers such as Hilary Mantel, Helen Dunmore, Katie Fforde, and Sarah Dunant. The book helps us understand why--in Jackie Kay's words--'our lives are mapped by books.'

In the almost 15 years since *Our Enduring Values* was published, there has been a sea change in the way much of the world thinks about and uses libraries. Young librarians and seasoned LIS professionals alike are experiencing increasing pressure to adjust to new economic, societal, and technological demands amidst the often-dire rhetoric currently surrounding the future of our institutions. In this stirring manifesto, public intellectual, librarian, and philosopher Gorman addresses head on the "existential panic" among library professionals caused by the radical shift in how libraries are viewed. He reconnects readers with the core values that continue to inspire generations of library professionals and scholars—while making the case that these values are doubly crucial to hold on to in the brave new shifting world of librarianship. Destined to become another classic of library literature, this book explores such contemporary issues as The growing emphasis of the library as a cultural institution, placing libraries within their cultural context as gathering places for learning, access to information, and community The impact of technological innovations on core values such as access and stewardship Library places and spaces of the future How the mass digitization of books, archives, and other materials affects the purpose and function of libraries Intellectual freedom and privacy in the era of the PATRIOT Act, Wikileaks, and Edward Snowden The role of libraries as both champions and facilitators of social justice Inspirational yet clear-sighted, Gorman emphatically reaffirms the importance of libraries and librarians while proposing a path for future survival and growth.

The first, intimate biography of Jamie Dornan as he takes on one of the most iconic characters in fiction - Christian Grey. Jamie Dornan is about to become the hottest sex symbol on the planet after landing the leading role in the *Fifty Shades of Grey* movies. But he remains almost as enigmatic as Mr Grey himself. *Jamie Dornan: Shades of Desire* will reveal everything fans want to know about the mysterious Mr Dornan, from his tragic childhood to his career as a Calvin Klein model, dating Keira Knightley to finding love with his wife Amelia Warner. How does his part as a BDSM-loving billionaire sit alongside his real life role as a family man and father to a young daughter? And how will he cope with fame as the *Fifty Shades of Grey* films launch him into superstardom? This biography will be the first to show what Jamie Dornan is really like behind closed doors.
