"I have told you these things before they happen so that when they do happen, you will believe." John 14:29 One of the glorious things about the Bible is how it provides a foreknowledge of future events. This is especially the case with the birth and life of our Lord and Savior Christ Jesus. He is without question the Messiah that was promised to us and though at his coming He did not set up an earthly kingdom at that time He nevertheless promised that day would arrive. In relation to this He left us with many events to be on the lookout for which would herald this arrival. His apostles Matthew, Mark, Luke and John thankfully passed down to us those words of warning. No words or book fully encompasses everything that we need to know than his own Revelation which He passed to His most beloved apostle and friend St. John on the island of Patmos. Of course, it goes without saying that such a book remained mostly hidden from mankind's understanding, but again a promise was given that the time would arrive when it would be unsealed and explained. What you are therefore holding in your hands could very well be it. Come along with the writer on a journey of discovery that will leave you amazed at a prophecy that not only explains the present but more so our future. More importantly you will learn about the Kingdom of God as

foretold by the Lord and Savior Christ Jesus. The promise of the ages may be about to arrive. See for yourself!

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

A fun and fascinating way to learn about the book of Revelation. The Bible's final book, Revelation, can seem intimidating or downright impossible to comprehend, even for serious students of the Scriptures. Filled with complex imagery, vivid depictions of violence, and challenging spiritual references, Revelation is often set aside by readers in favor of more straightforward, easier-to-digest biblical material. Yet the capstone of the canon need not remain a mystery. In this refreshingly accessible book, Bible scholar and best-selling author Tim LaHaye (originator of the Left Behind series) and renowned puzzle master Timothy E. Parker (editor of the USA Today Crossword, and founder of The Universal Crossword, King James Games, and Master Puzzles) demystify Revelation for your benefit. Absorb this book and discover afresh—or for the first time—the richness of Revelation and its God-breathed, life-changing power to deepen your walk of faith.

An extraordinary, strange, and startlingly beautiful exploration of smell, the least understood of our five senses. The nose on your face is the Buckingham Palace Guard of your body, the *matre d'* of all taste, as well as the seducer of your imagination, and memory--and Jude Stewart has charmed them all into a wicked, poetic and illuminating tour of their mysterious domains. --Jack Hitt, author of *Bunch of Amateurs*

Overlapping with taste yet larger in scope, smell is the sense that comes closest to pure perception. Smell can collapse space and time, unlocking memories and transporting us to worlds both new and familiar. Yet as clearly as each of us can recognize different smells--the bright tang of citrus, freshly sharpened pencils, parched earth after rain--few of us understand how and why we smell. In *Revelations in Air*, Jude Stewart takes us on a fascinating journey into the weird and wonderful world of smell. Beginning with lessons on the incredible biology and history of how our noses work, Stewart teaches us how to use our noses like experts. Once we're properly equipped and ready to sniff, Stewart explores a range of smells--from lavender, cut grass and hot chocolate to cannabis and old books--using smell as a lens into art, history, science, and more. With an engaging colorful design and exercises for readers to refine their own skills, *Revelations in Air* goes beyond science or history or chemistry--it's a doorway into the surprising, pleasurable, and unfamiliar landscape of smell.

How is he or she to know whether this book is being soundly interpreted or misinterpreted? Father Chapman writes for the general reader, for the many who need to understand the truth of The Message of the Book of Revelation -both its historical message and its message for Christians today. He explains, phrase by phrase, in clear, direct terms what has been learned about the genre of writings called apocalyptic literature - of which Revelation is a part - and how that knowledge can be properly used to interpret the images and symbols of Revelation. Revelation, the last book in the Christian Bible, is full of strange and spectacular symbols and image, but first and foremost it is a revelation about Jesus Christ. This book follows the so-called 'historicist' way of interpreting Revelation, which was the most common method of prophetic interpretation for most of Christian history.

The Hebrew-Christian religion remains the most potent verifiably truthful religion on the planet. It suffers horrendously from murderous oppression in the Middle East, its homeland; and was crushed-flat by the largest political State the world has ever known (Soviet Russia); and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe. Despite these massive attacks from mistaken religion, hard-line atheists, and dont know-cant be bothered groups yet it remains. And more than this: It remains, philosophically, socially, prophetically, and scientifically the largest, most credible and consistent belief-system on the planet. Its not by accident that non-violent Christianity (believing in the non-violent Ten Commandments and the beautiful spirit of them in the Beatitudes), can survive such intense mentalphysical violent persecution and still remain so vibrant. True Christians know: The only reason it is so, is because the holy Messiah God of Israel is the only true God. He rules over all the kingdoms of men, but its only the kingdom of Christianity which knows this. He loves all

humans (but not their thoughtsactions). However only Christians recognise this and sincerely give thanks that He is their God, their prophet, priest and king. He prophesied that enormous ungodliness would come against His church, and followers but these gates of hell would not overcome it, and so it is now, as we head towards Armageddon and the end of the human age. This book explains His prophecies, and associated key milestone calculations. This is one of many ways, witnessing that He is the genuine-unique-article, just as the Hebrew-Christian Bible says. The purpose of our existence is to have a loving relationship with Him. When humans choose to reject Him it causes us to create corrupt and false gods. Without realising it, many religious people worship corrupt gods, and atheism worships its false no-God god. These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living-death. This grieves the Messiah God of Israel because He loves fruitful life. To encourage us and to verify who He is He leaves indicators throughout history, evidencing even now, in these days of the deeply sceptical cheating spirit that humans are without excuse, come the judgement.
