Rich Dad Poor Dad Part Ii Rich Dads Cash Flow Quadrant Rich Dads Guide To Financial Freedom

It can be hard for busy professionals to find the time to read the latest books. Stay up to date in a fraction of the time with this concise guide. Rich Dad Poor Dad by Robert Kiyosaki is one of the bestselling books of this generation and is now taught in business schools around the world. What makes it so special? The answer is undoubtedly Kiyosaki's unique writing style; the book not only offers financial advice, but also entertaining anecdotes about his childhood and the lessons he learnt from his real dad (his 'poor dad') and a father figure (his 'rich dad'). Kiyosaki is the founder of the Rich Dad Company, which provides personal finance education through books, films, games and workshops, teaching people the importance of entrepreneurship and escaping the 'rat race'. This book review and analysis is perfect for:

- Anyone wanting to understand more about active and passive income
- Anyone looking to escape the 'rat race'
- Anyone who wants financial advice from a self-made millionaire

Rich Dad Poor Dad: What the Rich Teach Their Kids About Money - That the Poor and Middle Class Do Not! By Robert T. Kiyosaki - Book Summary - Readtrepreneur (Disclaimer: This is NOT the original book, but an unofficial summary.)

The school system does a lousy job teaching students about money. So take in charge of your financial education so you can impart your wisdom to your kids. *Rich Dad Poor Dad* reveals the cruel truth; many people don't know enough about money for their financial future because the school system doesn't teach it to them. In order to debunk a handful of myths and provide the necessary knowledge to become successful, you need to challenge your beliefs and learn all about money; *Rich Dad Poor Dad* helps you to do just that. This book can change your life. It's all about how we are taught to think; how we are programmed by schools, family, and friends to look at the rich as greedy no good bloodsuckers and opportunities as risks. It is an attempt to reprogram minds to look at why we do what we do.. why do we buy all these shoes, clothes, cars, jewelry.. have we earned it or are we just trying to maintain an image? The life changing book that has been a personal finance best seller for over a decade written by author Robert T. Kiyosaki. This little book has changed the lives of many people and their perspective on money, who are in misery, not knowing how to make ends meet due to lack of financial education. Note - This is a deep analysis of original book not a original book. Summary of Rich Dad, Poor Dad Introduction Key take-away from this book: Being rich is a mindset, not a sum of money. The rich don't think the way that most of us who are trapped in the Rat Race do. The rich buy and build assets that put money back in their pocket. Once their assets are generating enough money to live off, a completely new world of freedom opens up where they can work for themselves rather than working for someone else. The son of one of the authors summed it up well in the book introduction. "Mom, I don't want to work as hard as you and dad do. You make a lot of money, and we live in a huge house with lots of toys. If I follow your advice, I'll wind up like you, working harder and harder only to pay more taxes and wind up in debt. There is no job security anymore; I know all about downsizing and rightsizing. I also know that college graduates today earn less than you did when you graduated. Look at doctors. They

Where To Download Rich Dad Poor Dad Part II Rich Dads Cash Flow Quadrant Rich Dads Guide To Financial Freedom

don't make nearly as much money as they used to. I know I can't rely on Social Security or company pensions for retirement. I need new answers." The old answer is the Rat Race, "where you work for the owners of a company, for the government paying taxes, and for the bank paying off a mortgage and credit cards. We advise our children to 'study hard, get good grades, and find a safe job or career' but this is risky advice. "That is old advice, and it's bad advice. If you could see what is happening in Asia, Europe, South America, you would be as concerned as I am." Here is a Preview of What You Will Get: - A Full Book Summary - An Analysis - Fun quizzes - Quiz Answers - Etc Get a copy of this summary and learn about the book.

Taking to heart the message that the poor and middle class work for money, but the rich have money work for them, the authors lay out a financial philosophy based on the principle that income-generating assets always provide healthier bottom-line results.

Rich Dad Poor Dad is a 1997 book written by Robert Kiyosaki and Sharon Lechter. It advocates the importance of financial literacy (financial education), financial independence and building wealth through investing in assets, real estate investing, starting and owning businesses, as well as increasing one's financial intelligence (financial IQ) to improve one's business and financial aptitude. Rich Dad Poor Dad is written in the style of a set of parables, ostensibly based on Kiyosaki's life.

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. *By reading this summary, you will learn that to become rich, you must give up your salary. *You will

Where To Download Rich Dad Poor Dad Part II Rich Dads Cash Flow Quadrant Rich Dads Guide To Financial Freedom

also learn : that being rich doesn't mean having a full bank account; what are the basics of a good financial education; how to make money by working less; what rich parents teach their children from a young age.

*Earning money cannot be learned in school. It is usually a mindset passed on by parents who instill, voluntarily or involuntarily, their own view of money in their children, often as it has been passed on to them. Wealth is usually thought of in terms of inheritance, whereas a family's real wealth is the financial education it passes on. It is this legacy that allows one to free oneself, from an early age, from any feeling of dependence on money. As a child, Robert T. Kiyosaki grew up with two fathers whose financial realities were opposite: a poor father, his biological father, and a rich father, a family friend and mentor. While both men are hard-working, intelligent and well-paid, one will die in debt while the other bequeaths immense capital. What distinguishes these two destinies is simply the mastery of a financial education accessible to all, as the author who learned it at the age of 9 proves. Are you ready to change your vision of money and thus make the choice of wealth? *Buy now the summary of this book for the modest price of a cup of coffee!

Wisdom from Rich Dad Poor Dad for Teens shares Robert T. Kiyosaki's inspiring personal story and teaches how to make smart choices. Packed with straight talk, it will jumpstart a child's personal and financial success with lessons such as: how to speak the language of money; ways to make money work for you; tips for success; and why games can help you understand money, investing, and ways to choose your path to

financial freedom.
Buy now to get the insights from Robert T. Kiyosaki's Rich Dad Poor Dad. Sample Insights: 1) Robert Kiyosaki considers that he had two dads: a poor dad, who was his real father, and a rich dad, his friend's father. They had very different mindsets when it came to dealing with money, and Kiyosaki compared them to figure out which strategy was best for getting rich. 2) Poor and middle-class people work hard to make money. Rich people, however, make money work for them. Working hard rarely makes someone rich; working smart does.

Rich Dad's Guide to Investing is a roadmap for those who want to become successful investors and invest in the types of assets that the rich do. Whether your goal is to become financially secure, comfortable, or rich this book is your guide to understanding the asset classes and investment strategy. Robert explains his basic rules of investing, how to reduce your risk and Rich Dad's 10 Investor Controls as well as ways to convert your earned income into passive portfolio income.

Rich Dad Poor Dad is based mostly on Kiyosaki's young days spent in Hawaii. Enriched by Kiyosaki's personal experience and the teachings he received from his rich dad and poor dad, the book highlights different attitudes towards money, work and life. Framed around six main teachings and lessons, the book is mostly a self-reflection. Apart from the financial benefits, the book also describes and highlights the teachings he got from his poor dad, i.e., empathy and responsibility towards society. Described as a personal finance book, it has not only challenged, but has also changed the way people think about money. The book talks about Kiyosaki's background, his business ventures and investments and variation between possessions and liabilities and what importance they both have in terms of starting and owning a business. It also sheds light on the teachings given by rich to their kids, which is usually missed by poor as well as the middle class parents and why it is important to have financial literacy over and above all. It also provides impetus on doing work for learning and not for earning and teaches the importance of investing and building business. This path-breaking book also showcase how one must be prepared to take action and risk and communicates the idea of how one's primary residence is a liability and not an asset. It communicates the importance of intelligence and literacy in terms of finance and how financial and entrepreneurial skills play a vital role in the success. How to use power and prosper with the help of investment skills and why it is

This special just-for-teens edition builds a foundation of self-confidence from which readers can realize their dreams of financial security in an increasingly challenging and unreliable job market. Teen-friendly advice, examples, sidebars and straight talk will supplement all of Rich Dad's core advice: Work to learn, not to earn. Don't say "I can't afford it" - instead, say "How can I afford it?" And don't work for money - make money work for you! No matter how confident or "good in school" readers consider themselves to be, this makes financial intelligence available to all young people with its streamlined structure, clean design, and accessible voice.
