Authored by Kelly Murray, this book follows two people, from two different worlds, who come together for love. Witches Falls was a small town with a small town philosophy. But it drastically changed when a series of death occurred starting with the tragic murder of the schizophrenic Joyce Dorothy McDonnell, who was tied up, suffocated, and sexually abused. Her death, and more that followed, alarmed the police department. While looking into these puzzling events, Persephone Dahl's ordinary life as a police began to alter when Javed Atanasio, a dog handler, joined the force. As they worked together to solve the mysterious death and other cases, romance developed between the two until they found out they were both in love with each other. But there was something about Javed that was mystifying. Not later, Sephi found out that Javed was a demon who existed for more than two thousand years. Would she accept him for who he is and where would this discovery lead them and their love? Skillfully written with mystery, suspense and gripping scenes, The Falls is one engaging read everyone will surely enjoy from beginning to end.

A fresh twist on the classic story of Beauty and the Beast, Bellamy and the Brute proves true love really is blind. When Bellamy McGuire is offered a summer job babysitting for the wealthy Baldwin family, she's reluctant to accept. After all, everyone in town knows about the mysterious happenings at the mansion on the hill—including the sudden disappearance of the Baldwin's eldest son, Tate. The former football star and golden boy of Wellhollow Springs became a hermit at the age of sixteen, and no one has seen or heard from him since. Rumors abound as to why, with whisperings about a strange illness—one that causes deformity and turned him into a real-life monster. Bellamy wants to dismiss these rumors as gossip, but when she's told that if she takes the job, she must promise to never, ever visit the third floor of the mansion, she begins to wonder if there really is some dark truth hidden there. Tate's condition may not be the only secret being kept at Baldwin House. There are gaps in the family's financial history that don't add up, and surprising connections with unscrupulous characters. At night there are strange noises, unexplained cold drafts, and the electricity cuts out. And then there are the rose petals on the staircase. The rose petals that no one but Bellamy seems to be able to see. The rose petals that form a trail leading right up to the 3rd floor, past the portrait of a handsome young man, and down a dark hallway where she promised she would never, ever go... As Bellamy works to unravel the mysteries of Baldwin House and uncover the truth about Tate, she realizes that she is in way over her head... in more ways than one. Can her bravery and determination help to right the wrongs of the past and free the young man whose story has captured her heart? You may or may not have heard of me. My name is Kueshango. Kueshango Ghji. I was born in this foreign empire called Ezaekia. It's ruled by my father, Jurrata who is the emperor of Ezaekia. As the prince of Ezaekia, I had many responsibilities, most of which were taken care of by my father's noblemen. To my father, I was his first and only son but to the citizens of the empire, I was known to be Ezaekia's most kind and warm-hearted person on Earth. But all of that changed in the blink of an eye. There was this prophecy that my father kept mentioning about over the years and I didn't really pay any attention to any of it until that tragic day. I was called up by the One Being to fight in

some battle that I had no part in. But guess what: that prophecy that my father was talking about...I was in it. In fact, I was the key to Earth's salvation, or so my father says. So I went along with this quest to save the Universe from eternal damnation and supposedly become a defender of peace. But...that didn't turn out so well. Little did I know that this prophecy was some sort of quest put forth by the Holy Trinity to grant a worthy mortal the title of a Defender if that mortal fulfills the prophecy. That worthy mortal turned out to be me. I was the chosen one.

I had to decide whether or not Elijah was worth the pain his past would bring and if I was strong enough to stand by his side and fight.
