For fans of Veronica Mars and Nancy Drew! Jane Day's a twenty-something temp-by-day, detective-by-night...and also sometimes during the day (don't tell Chad). Jane straddles two worlds: Reality - in boring grayscale - and her Imagination - in full, vibrant color. Jane uses the fantasy to cut through the tedium, living as much inside her head as out. Her wheelhouse is the weird. Not necessarily the macabre, but just the...strange. Collecting the first two volumes, several years of the P.I. Jane webcomic, into a mighty voltron of pop culture references and pro-am investigation, The Salad Days takes you for a ride-along on such cases as bootlegger minors, fun at the roller derby, a trip to River Heights to get Jane's Nancy Drew on, plus visits from favorites Pie and Cake. All the bonus stuff from volumes one and two are here - commentary, pencils 'n inks, pop culture glossaries, character design, Pie v. Cake a-plenty, guest contributors and more! So re-meet Jane Day...again...for the first time with The Salad Days. "Fans of The Venture Bros. or Buffy will enjoy the humor of this comic and will want to catch up on the fun that is P.I. Jane!" - Crisp Comics "A sassy webcomic with plenty of pop." – Comic Book and Movie Reviews.com A Caliber Comics release.

The Uncommercial Traveller is a collection of literary sketches and reminiscences written by Charles Dickens, published in 1860-1861. In 1859 Dickens founded a new journal called All the Year Round, and the "Uncommercial Traveller" articles would be among his main contributions. He seems to have chosen the title and persona of the Uncommercial Traveller as a result of a speech he gave on 22 December 1859 to the Commercial Travellers' School London in his role as honorary chairman and treasurer. The persona sits well with a writer who liked to travel, not only as a tourist, but also to research and report what he found visiting Europe, America and giving book readings throughout Britain. He did not seem content to rest late in his career when he had attained wealth and comfort and continued travelling locally, walking the streets of London in the mould of the flâneur, a "gentleman stroller of city streets". He often suffered from insomnia and his night-time wanderings gave him an insight into some of the hidden aspects of Victorian London, details of which he also incorporated into his novels.

This book encapsulates most of the Punk Rock/Hardcore shows in and around New Orleans, from 1982-1995. It includes stories from people that were/are in the New Orleans music scene and shows original artwork from the period. The flyers represented the only way we could get the word out about the shows. Back then almost no media would advertise. This was the only way we knew how.
