In view of the explosion of violent conflicts in many parts of the world and the hasty, but prevailing, assumption that ethnicity is the source of these conflicts, this book is encompassed to highlight, describe and examine how ethnicity is politicized in many of these current conflicts. By deploying the instrumentalist approach and the theory of identity and difference in ethnicity, the author identifies the actors involved and depicts how religion is exploited as an instrument of division by reflecting it on the Nigerian situation, exploring the examples of the Jos conflicts and the Warri Crisis within a twenty years period, 1990 to 2010.

Welcome to the world of opportunities through my book named 'Ranjesh's Current Job

Interview Questions and Answers for All Job Interviewers & Interviewees'. It is meant for all Professional Students and teachers, who want to win job interviews in any company, organization in any field – across the country. This book is aimed at changing your nervous mindset towards interviews and more importantly, making you believe that to win every job simply in your own hand. This book is the ultimate guide to job interview answers. It is aimed and designed to crack all job interviews across The Globe. This book is a must for All Job Interviewers & Interviewees'.

Outlines the best answers to key job-interview questions, presenting sample responses to frequently asked questions and offering tips on how to handle a critical job interview. The authors present core concepts of entrepreneurship in an easy-to-follow, logical sequence. Starting with basic definitions and an overarching conceptual framework in Part I, the book then addresses topics pertaining to Venture Initiation (Part II), Venture Management (Part III), and Venture Development (Part IV). Each chapter contains a case study in which a real-life entrepreneur, who confronts the issues of growth and competition, is followed. Venture initiation and development are key components of this book. Entrepreneurship has all the standard features that entrepreneurs-in-training need. The book's strength, however, lies in the clear, straightforward, and logical manner in which the various topics within this complex subject are presented. The book also includes learning objectives, outlines, terms, and review questions.

Get Through Postgraduate Medical Interviews aims to forearm candidates with practical advice on how to maximise their chances of success in the postgraduate medical interview. Following short-listing, the interview is the final and often the toughest hurdle standing between a candidate and their career path of choice. For many candidates there will only be 'one shot' and competition is likely to be fierce. Formatted in a style that lends itself to easy reading and information access, this book systematically and logically examines the entire interview process from start to finish, dispelling common myths and advising the candidate on how to prepare, what to expect and what will be expected of them. It gives guidance on commonly encountered 'hot interview topics' and advice on ways to approach the 'awkward' interview question. It also gives guidance on constructing a portfolio as well as a CV and tips on how to sell your best attributes and maximise your chances of success. Get Through Postgraduate Medical Interviews is an essential text for all junior doctors to help them through this very stressful time.

Experienced interviewers provide answers to the 121 most frequently asked job interview questions including behavioural and competency based questions, commitment and fit and questions specially for graduates and school leavers. This comprehensive work also includes a step by step guide helping candidates predict the questions they may be asked.

Knowledge for Free... Get that job, you aspire for! Want to switch to that high paying job? Or are you already been preparing hard to give interview the next weekend? This course covers aspects like HSE, Process, Mechanical, Electrical and Instrumentation & Control that will enable you to apply for any position in the Oil and Gas Industry.

Most career books take one of two approaches: They provide theoretical frameworks that are difficult to apply or they offer cookie-cutter answers to a series of stock interview questions that, in reality, rarely get asked. The Introvert's Guide to Job Hunting provides a flexible, easy-to-follow process for selecting or affirming your career goal, crafting a rock star resume that sets you apart from the competition, and enabling you to confidently navigate the interview and negotiation processes. It also offers the perspective of top-notch career coaches, headhunters, and assessment experts. The Introvert's Guide to Job Hunting crosses experience levels, industries, and geographic boundaries. Whether you are an experienced professional seeking the next level, a career changer, or a recent graduate just getting started, it can help you achieve your goals.While this book specifically targets introverts, it also provides tips and techniques for job seekers who view themselves as more extroverted.

SQL Server Interview Questions You'll Most Likely Be Asked is a perfect companion to stand a head above the rest in today's competitive job market.

If you want sample questions, answers, and rationales, this book will give you a great feel for what it's like to get through a residency interview day. Written by two practitioners who have extensive experience with the interview process, you'll get the nuts and bolts of what it takes to become an exceptional candidate. In interviews, you can't be ordinary, you must be memorable. This book will help you answer questions in a way that both shows your value and helps you stand out.

From leading researchers, this book presents important advances in understanding how

growing up in a discordant family affects child adjustment, the factors that make certain children more vulnerable than others, and what can be done to help. It is a state-of-the-science follow-up to the authors' seminal earlier work, Children and Marital Conflict: The Impact of Family Dispute and Resolution. The volume presents a new conceptual framework that draws on current knowledge about family processes; parenting; attachment; and children's emotional, physiological, cognitive, and behavioral development. Innovative research methods are explained and promising directions for clinical practice with children and families are discussed.

The following is included in this book: · 150 Administrator and Helpdesk Questions and Answers that test your knowledge and can assist you in the interview for a variety of roles. · 75 HR Questions and Answers along with examples to help you answer the most commonly asked as well as tricky non-technical questions

Have you ever faced stress or anxiety before an important interview? Facing a potential employer and knowing that your dream job is just around the corner can be a nerve-wracking experience for most of us. Being at a job interview can quickly feel like navigating through a minefield without proper preparedness. Have you ever suspected that any unconscious habits of yours might be working against you when talking with a hiring manager? More often than not, job seekers have negative habits that never fail to crop up at the worst moments during an interview. These bad behaviors and habits can be tricky to spot and discard without someone pinpointing them. Here's some of what you can expect to learn inside the pages of this book: Learn exactly which steps to follow in order to be well prepared before you arrive to the interview. The key things that employers look for in candidates when conducting an interview. The best way to eliminate stress and anxiety and be in complete control during the process. Using social media to your advantage instead of having it work against you before meeting the hiring manager. Learn how to answer many of the most commonly asked regular and "trick" questions. Learning what not to say or do is just as crucial as giving the right answers. Job seekers will usually diminish their chances of getting an offer by saying the wrong things during the interview process without them even being aware of it. Sucking up or being too flattering to your employer can be as bad as acting too aloof or uninterested. Get ready to ace your next interview and get an offer by taking action today. Scroll up and click the BUY NOW button at the top of this page!
