More than two thousand years before Christ and nine generations after Shem, who was one of Noah's three sons, a man by the name of Abram appeared on the pages of the Word of God. This man became known as Abraham, the "friend of God", and we will see how he was given that great honor as our story unfolds. Abraham believed in the Lord. He lived in a city called UR in southern Babylonia. The city of UR was not only very famous for its wealth and culture, but it was also a place of much idolatry. When Abraham was seventy-five years old, the Lord called him and said to him, "Abram! Get out of your country and away from your relation and your father's household! I will make of you a great nation. Also, I will bless you and make your name great. You will be a blessing to all the families of the earth. Furthermore, I will bless those nations that bless you, and I will curse those nations who persecute your people."

Abuse is a problem that needs to be understood, addressed, and challenged. The abused are humans in the image of God who need to be protected, loved, and empowered to stand with us and walk through life with respect and dignity. When God brings a victim to us, we have a responsibility to love them as we want to be loved and be faithful to that responsibility. We must make sure that they and their children are safe, protected, and given the chance to live in peace and love. Abusers are also humans who are in the image of God, and they need to be taught how to live and

respect all others. They must be confronted and challenged to change or face prosecution by our legal system and our spiritual communities. I believe that the faith community is in a great position to address this problem. We have a God who grieves over the violence that occurs in families. Yet we have a God who grieves even more over the fact that spiritual leaders have failed to act as servants of Yahweh in this respect. The rest of this book is an appeal to you to gain an understanding of what it really means to face domestic violence and how to help bring peace and wholeness to victims and their children caught in the web of abuse. It is an appeal to you to confront those who abuse others rather than shut your eyesÓ --from the Introduction

Today, we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature! How do we become spiritually mature? There's only one way, and it's called discipleship. However, statistics show that discipleship is in a state of crisis today. Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity. A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church. Sadly, what discipleship meant in the time of Christ and what it means today is vastly different. Moreover, the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today

give it. Unlike the disciples who had much of Scripture memorized, a whopping 81% of Christians today don't read their Bibles regularly. Unlike Christ's disciples who were "Fishers of Men," 61% of believers today have not shared their faith in the past six months. And sadly, unlike Christ and the Apostles who made discipleship the central focus of their ministries, 81% of pastors today have no regular discipleship programs in their churches. Discipleship is being neglected today, and the consequences are crippling many Christians and churches. This book hopes to change that! Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode. Chapter 2 reveals 13 key factors contributing to the lack of discipleship today. Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry. Chapter 4 brings to light 14 essential components of the discipleship-making process that must be understood and practiced in order to attain spiritual maturity. Chapter 5 provides practical, "how-to" help for growing in Christ. It includes self-assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands-on, useful ideas for taking steps toward spiritual maturity. Discipleship is a command for all believers and is our highest calling. This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ. It's both an informative book and a "how-to" book. It deals with the barriers that are hindering discipleship, and offers practical help for overcoming these barriers and attaining spiritual maturity. So, are you ready to

grow? Would you like to be pleasing to God? Would you like to fulfill the reason for which you've been created? Would you like the full blessings of God in your life? Would you like to become spiritually mature? Would you like to hear Christ's words, "Well done, good and faithful servant," when you arrive in heaven? If so, this book is for you.

Learn the ways God wants us to grow as Christians and how to cooperate with Him through the disciplines of grace. Spiritual Growth shows you how to grow and the many resources God provides to nurture you.

Work is core to our lives. And the gospel is core to our faith. In this Bible study, author and executive coach Stephen Graves introduces a fresh framework that explores not only how the gospel should shape our work but also how it could. Too often taking our faith into the workplace amounts to evangelism or moral responsibility. Although there is certainly nothing wrong with either practice, this study takes us further into our faith in such a way that we embody the gospel as a part of our work, office, home, or anywhere work may take us. This study employs a Four-Act Gospel: Creation, Fall, Redemption, and Renewal. Using this approach, we can be in the business of both helping individuals know Jesus and contributing to God's mission of renewing the world. Applying the Four-Act Gospel to our work is captured in the Baseline (the lowest-common-denominator application of the gospel that is relevant to all workers) and the Blue Sky (individualized applications of the gospel to each person's particular wiring

and particular organizations). This framework helps us understand the reach, power, and intent of the gospel's going to work. These are revolutionary insights, even for veterans of the faith. This Bible-study experience includes free downloadable panel discussions and "The Gospel Goes to Work" podcast series. These tools allow groups to participate from practically anywhere and in any way they like, whether in a restaurant, in a coffee shop, in a classroom, or even via email or mobile technology. The Gospel Goes to Work Bible Study Book includes exercises and discussion for individuals and groups, along with links to free video downloads and additional enrichment tools. Session Topics: 1. The Gospel and Work 2. What Should We Do? Lessons from John the Baptist 3. Individual Baseline: David's Personal Calling 4. Individual Blue Sky: Take the Armor 5. Organizational Baseline: Character Within the Context of Calling 6. Organizational Blue Sky: Aligning Personal and Public Expressions of Faith Features: - Free downloadable videos with author Stephen Graves and a host of contributors from all walks of working life - Additional enrichment content and exercises available as free downloads - Short, daily readings for ongoing spiritual growth - "The Gospel Goes to Work" supplemental podcast - Six-session Bible Study Book with group- and personal-study components Benefits: - Push beyond Christian values and personal evangelism as the only ways of taking the gospel to work, and learn new ways to completely embody the gospel in your work. - Get beyond the minimum expressions of your faith at work to see more clearly the ways work itself is a

service to God. - Become better acquainted with the minimal biblical expectations of all believers in the workplace. - Discover unique gospel applications for your particular organization or workplace. - Learn how the rigors of the workday keep your faith strong and vibrant. - Incorporate the power of the gospel more effectively into the details of your everyday life.

Whether you are a new believer or have been a Christian for many years, mytwocents is designed to assist you in your walk with Christ. One of the indispensable keys to spiritual growth is time spent studying the Bible. Scripture gives us sound instruction on how to live our lives, as well as how to enjoy the love, joy, and peace that come from a personal relationship with Jesus. Section 1: "It was for freedom that Christ set us free!" This is Paul's declaration in this most important of New Testament letters. Galatians is a look at how we are now justified by faith in the finished work of Christ on the cross and not by works. This new covenant brings freedom, joy, and spiritual fruit as we live our lives in the power of the Spirit of God. Section 2: We do not have the music, but the lyrics have been preserved. Psalms is a collection of songs written by a variety of authors revealing the character and nature of God. These "God songs" can assist us in drawing near to Him as we focus on His goodness, protection, and provision. Spending time in the Psalms can act as a catalyst in bringing healing and restoration back into our lives. This book can be used as a personal, daily devotional or a group Bible study. Whether it is the examination of one specific passage or a walk-through an entire book of the Bible, these studies will bring biblical insight, allowing for a deeper understanding of God's Word. May God richly bless you as you make the study of Scripture a priority

Somewhere along the way the "American Dream" replaced the biblical expectations of life following Christ. We insist that a loving God will provide a trouble-free life. When this does not happen, we blame God for not keeping His side of the bargain. But...God never promises a rose garden! He promised us eternal life. He promised us forgiveness of sins. He promised us He will never leave us or forsake us. Isn't it time we got real with the real God of the bible? We are being led to publish this work to help Christians unveil themselves before God! Let's begin our adventures into God's Word as we consider the words of David in Psalm 139:17, "HOW PRECIOUS ARE THY WORDS UNTO ME, O GOD; HOW GREAT IS THE SUM OF THEM" Throughout the Old Testament scriptures, people were told that One would come to pay the penalty for sin. The Lord told Adam and Eve about the eventual coming of the Savior when He spoke prophetically of that event in Genesis 3:15.

This book takes you on a journey that unpacks and demystifies what spiritual growth is and how it unfolds. The aim is to set you on your own path toward genuine, personal spiritual transformation. The book provides all the tools you need--biblical, scientific, and practical--so that you can develop your own pathway for spiritual growth. What is unique about Victor Copan's approach to spiritual growth is that he explores recent findings of brain research as well as scientific research on habit formation and brings them into conversation with the process of spiritual formation. Research on the brain and on habit formation has uncovered significant insights about the process and dynamics of human transformation that can be fruitfully incorporated into our own pursuit of spiritual transformation. Tapping into this research allows us to work in concert with how God designed humans to function--body, soul, and spirit.

with a dream in my heart and a destiny to fulfill. I faced my share of adversity and it appeared as though I was fighting a losing battle. My response to the intense pain was to give up on God and life. Your story might be similar. The book is based on the Christian life teachings of the Revelation of the 23rd Psalm found in the Bible. The book teaches people how they can live their lives abundantly, protected, loved and with so much freedom. The book will reveal to users or readers the mystery that has been hidden from the world until now. The great works of King David were written from revelations since he was not just a skillful poet, but also a great worshipper. Inside his poetries, a divine truth is revealed. The revelation of the 23rd Psalm has the power to transform the life of the readers radically for the better. 'A Royal Departure' is a book written to help people transition from a life of defeat to the purposeful life they were created to live. People living abundantly according to the Bible have developed a personal relationship with Christ and in order to overcome the shadow of adversity, they understand and live according to certain scriptural principles. David's writings were actually a guide for escaping trouble. The writings can help anyone live a life that is free from fear when the example of David is followed. The struggle and pains that we have experienced in life has shaped us for a greater purpose. No struggle or pain will ever leave anyone the same again. They will learn great
