and lover, Amethyst, for a quiet dinner, she has no idea of his true intention. Donovan has planned a sharing - a vision that will give her the keys to his early life - the origins of his power - and a lot more than she bargained for. Join young Donovan as he fights to keep his soul, save a town, and learn the roots of his teacher and guardian - and meet his familiar, Cleo. Kali's Tale: When Donovan is asked to follow in secret as a hot-headed group of young vampires set out on a 'blood quest' to kill the ancient who created the young vampire Kali against her will, he learns that - as usual - there is a lot more to the story than meets the eye. Through the juke joints of Beale Street in Memphis, to the depths of The Great Dismal Swamp, Donovan and his lover and partner, Amethyst, find themselves drawn along on one of the strangest quests in their long, enigmatic lives as they delve into the world of the undead, the magic of The Blues, and the very heart of alchemy both to protect their young, vampiric charges - and to prevent an ancient evil from destroying the balance of power in the universe. This novel directly crosses over to the original series O.C.L.T. - where Donovan is a sometimes consultant. It features appearances by Geoffrey Bullfinch and Rebecca York, O.C.L.T. agents, as well as Old Mill, North Carolina's own Cletus J. Diggs. Something in Lavender, California is waking up. Leatherman, his girlfriend Ruthie, and their buddies Flash and Weasel invade Shady Grove Cemetery for a “ghost hunt” on their way home from a concert, they are drawn into a web of darkness and intrigue that threatens to consume them. Nick and Ruthie witness a gruesome murder, and Nick’s pocketknife shows up at the crime scene the next morning. Nick has had problems in the past, and Inspector Kendall Straker remembers. He remembers Ned Leatherman, Nick’s alcoholic step-father as well, and he doesn’t believe the boy is a killer. The problem is that the knife - emblazoned with the name of the band Maelstrom - is the only clue he has. Horace Goldbough is the local pastor. He’s built a huge following and a beautiful church, but there are things about the good reverend that the town doesn’t know. In particular there is his relationship with a dark woman named Beauchane, and a certain book he keeps hidden from the world. With local reporters, and a television talk-show host hounding his every step, Straker attempts to unravel the series of grisly killings terrorizing Lavender, while simultaneously protecting Nick. Nick, in the meantime, has begun his own investigation, feeling trapped and needing to clear his name. Ritual words are being spoken, and a power that has been denied access to the Earth for centuries is poised to strike. The clock is ticking. Can Straker, Nick, and Maelstrom find the answer to the killings and put an end to them before the final

DAVID NIALL WILSON'S WORK For Deep Blue: " Wilson demonstrates that a horror novel doesn't need gallons of blood to succeed, that spiritual terror can be even more effective." - Publisher's Weekly "This is an exquisite meditation upon the nature of pain and redemption written with a blues sensibility that rolls through the mind like bleak, resounding chords of dark music. The perfect novel for a hot, sultry night." - J. L. Comeau - CountGore.com For This is My Blood: "Wilson's prose is smooth and powerful, carrying its allegorical weight with grace. His first novel is one of the most unique vampire stories to appear in recent years, balancing themes of damnation and prophesy against those of faith and redemption." - Publisher's Weekly For The Orffyreus Wheel - " The book started off with a bang. From page one the book is intense and filled with suspense." - Blondie - Amazon.com

Nevermore is a dark, historical fantasy filled with romance, southern charm, and all the trappings of a classic historical romance. Walking the line between the occult, the paranormal, and the reality of 1800s life in The Great Dismal Swamp, Nevermore is also chock full of action and adventure. Follow Edgar Allan Poe and Lenore into The Great Dismal Swamp and experience one version of the birth of Poe's famous poem, "The Raven." On the banks of Lake Drummond, on the edge of The Great Dismal Swamp, there is a tree in the shape of a woman. One dark, moonlit night, two artists met at The Lake Drummond Hotel, built directly on the borderline of North Carolina and Virginia. One was a young woman with the ability to see spirits trapped in trees and stone, anchored to the earth beyond their years. Her gift was to draw them, and then to set them free. The other was a dark man, haunted by dreams and visions that brought him stories of sadness and pain, and trapped in a life between the powers he sensed all around him, and a mundane existence attended by failure. They were Eleanore MacReady, Lenore, to her friends, and a young poet named Edgar Allan Poe, who traveled with a crow that was his secret, and almost constant companion, a bird named Grimm for the talented brothers of fairy-tale fame. Their meeting drew them together in vision, and legend, and pitted their strange powers and quick minds against the depths of the Dismal Swamp itself, ancient legends, and time. Once, upon a shoreline dreary, there was a tree. This is her story.

AUTHOR'S NOTE: This novel is a direct spin-off from "Kali's Tale," the fourth book in the DeChance Chronicles - initially it was going to be the prologue to book V - but is now a fully separated, stand-alone work - though the stories tie together, and are all one big story - as novels, over time, tend to become. Book One, "Heart of a Dragon," is only .99 and books 2-4 are now available in a single omnibus edition. If you enjoy Nevermore, you may find The

There are incidents and emergencies in the world that defy logical explanation, events that could be defined as supernatural, extraterrestrial, or simply otherworldly. Standard laws do not allow for such instances, nor are most officials or authorities trained to handle them. In recognition of these facts, one organization has been created that can. Assembled by a loose international coalition, their mission is to deal with these situations using diplomacy, guile, force, and strategy as necessary. They shield the rest of the world from their own actions, and clean up the messes left in their wake. They are our protection, our guide, our sword, and our voice, all rolled into one. his buddy Jasper decide to go fishing. When Jasper tells him two fishermen they know saw a dinosaur in The Great Dismal Swamp, Cletus is ready to chock it up to shadows and too much beer. When he and Jasper are out fishing themselves and find a bass boat jammed nose first into the bottom of the Perquimans River with nothing left of the other two men but a boot with a leg protruding from it and one big-assed track in the mud, things get serious. Joined by Geoffrey Bullfinch, Wendell "Mack" Macklemore, and Isabella Ferrara of the O.C.L.T., two genetic scientists with a strange story of hurricanes and DNA splicing, and a strange cast of others (including a very loud cockatiel)- Cletus has to solve the mystery of where the monster killing people in the swamp came from, where it's gone and find a way to stop it before it kills again. Unfortunately for the team, taking down a forty foot sixteen ton dinosaur no one believes in is no easy task, and the clock is ticking... This is the Fifth book in the O.C.L.T. series, following the novella "Brought to Light," By Aaron Rosenberg, the novel "The Parting," by David Niall Wilson, the novella "The Temple of Camazotz," also by David Niall Wilson, and the novel "Incursion," by Aaron Rosenberg (in which the existence of the O.C.L.T. as a cohesive unit is finalized).
