

Stargate Atlantis Reliquary

After an emergency police call from a lake house on Wisconsin's Lake Mondac, Deputy Brynn drives up to the deserted lake in search of answers. There, Brynn uncovers not only a gruesome murder, but a terrified witness to the murder, city-girl Michelle. And thus, a heart-pounding chase through the Wisconsin wilderness commences as the murderers pursue Brynn and Michelle, who must learn to trust each other if they want to survive.

The kingdom of Ile-Rien is in peril, menaced by magical threats and court intrigue. As the weak King Roland, misled by treacherous companions, rules the country, only his ruthless mother, the Dowager Queen Ravenna, truly guards the safety of the realm. But now Urbain Grandier, the dark master of scientific sorcery, has arrived to plot against the throne and Kade, bastard sister of the king, has appeared unexpectedly at court. The illegitimate daughter of the old king and the Queen of Air and Darkness herself, Kade's true goals are cloaked in mystery. Is she in league with the wizard Grandier? Or is she laying claim to the throne? It falls to Thomas Boniface, Captain of the Queen's Guard and Ravenna's former lover, to sort out who is friend and who is foe in a deadly game to keep the Dowager Queen and the kingdom she loves from harm.

All his life, Moon roamed the Three Worlds, a solitary wanderer forced to hide his true nature — until he was reunited with his own kind, the Raksura, and found a new life as consort to Jade, sister queen of the Indigo Cloud court. But now a rival court has laid claim to him, and Jade may or may not be willing to fight for him. Beset by doubts, Moon must travel in the company of strangers to a distant realm where he will finally face the forgotten secrets of his past, even as an old enemy returns with a vengeance. The Fell, a vicious race of shape-shifting predators, menaces groundlings and Raksura alike. Determined to crossbreed with the Raksura for arcane purposes, they are driven by an ancient voice that cries out from . . . The siren depths.

Atlantis, Major John Sheppard and Dr. Rodney McKay stumble on a recording device that reveals a mysterious new Stargate address. Believing that the address may lead them to a vast repository of Ancient knowledge, the team embarks on a mission to this uncharted world. There they discover a ruined city, full of whispered secrets and dark shadows. As tempers fray and trust breaks down, the team uncovers the truth at the heart of the city. A truth that spells their destruction. With half their people compromised, it falls to Major John Sheppard and Dr. Rodney McKay to risk everything in a deadly game of bluff with the enemy. To fail would mean the fall of Atlantis itself—and, for Sheppard, the annihilation of his very humanity....
