India Country Study Guide - Strategic Information and Developments Volume 1 Strategic Information and Developments

Traditional Chinese edition of Train To Somewhere

Includes section: Moderator-topics.

Presents a guide to children's literature and activities revolving around such themes as farm animals, dinosaurs, fairy tales, and poetry, along with teaching strategies that encourage children to read.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Provides quick access to reviews of books, periodicals, books on tape and electronic media representing a wide range of popular, academic, and professional interests. More than 60 publications are indexed, including journals and national general interest publications and newspapers.

"Gayle V. Fischer has produced a terrifically useful volume that no research library should be without." —The Journal of American History "... an indispensable resource to finding material on women's history throughout the world." —Journal of World History "... the work is recommended for its currency, depth of coverage, and scope." —Ethnic Forum As part of its mission to disseminate feminist scholarship and serve as the journal of record for the new area of women's history, the Journal of Women's History began a compilation of periodical literature dealing with women's history. This volume is drawn from more than 750 journals and includes material published from 1980 through 1990. There are forty subject categories and numerous subcategories. The guide lists more than 5,500 articles; all are extensively cross-listed.

Offers a collection of articles previously published in "Teacher Librarian" and "VOYA" discussing the role of the school library in a technologically oriented twenty-first century.

A Tale of Two Cities (1859) is a novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel depicts the plight of the French peasantry demoralised by the French aristocracy in the years leading up to the revolution, the corresponding brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution, and many unflattering social parallels with life in London during the same period. It follows the lives of several characters through these events. A Tale of Two Cities was published in weekly instalments from April 1859 to November 1859 in Dickens's new literary periodical titled All the Year Round. All but three of Dickens's previous novels had appeared only as monthly installments. It was the time of the French Revolution - a time of great change and great danger. It was a time when injustice was met by a lust for vengeance, and rarely was a distinction made between the innocent and the guilty. Against this tumultuous historical backdrop, Dickens' great story of unsurpassed adventure and courage unfolds. Unjustly imprisoned for 18 years in the Bastille, Dr. Alexandre Manette is reunited with his daughter, Lucie, and safely transported from France to England. It would seem that they could take up the threads of their lives in peace. As fate would have it though, the pair are summoned to the Old Bailey to testify against a young Frenchman - Charles Darnay - falsely accused of treason. Strangely enough, Darnay bears an uncanny resemblance to another man in the courtroom, the dissolute lawyer's clerk Sydney Carton. It is a coincidence that saves Darnay from certain doom more than once. Brilliantly plotted, the novel is rich in drama, romance, and heroics that culminate in a daring prison escape in the shadow of the guillotine. Novel by Charles Dickens, published both serially and in book form in 1859. The story is set in the late 18th century against the background of the French Revolution. Although Dickens borrowed from Thomas Carlyle's history, The French Revolution, for his sprawling tale of London and revolutionary Paris, the novel offers more drama than accuracy. The scenes of large-scale mob violence are especially vivid, if superficial in historical understanding. The complex plot involves Sydney Carton's sacrifice of his own life on behalf of his friends Charles Darnay and Lucie Manette.

Includes section: Book reviews.

Latter-Day Prophets Since 1844. This volume is the third of three on Church History and the Doctrine and Covenants. It covers Church history during the administration of all of its Prophet-Prophets since Joseph Smith. It begins with the succession of the Apostles after Joseph Smith's martyrdom, the building of the Nauvoo Temple, and the trek to the west of the Latter-day Saint pioneers. We follow them through Iowa, Winter Quarters, and on to Utah. We witness the colonization of the state of Deseret, while the rest of the country suffered from Civil War. Then we follow events through the administrations of all of the 19th-Century, 20th-Century, and 21st-Century prophets from John Taylor to Thomas S. Monson. We become familiar with the early lives, missions, marriages, and callings of each of these prophets, seeing how the Lord prepared them for the particular time that they led the Church. We finish with a look toward the future as we await the Second Coming of our Lord. The cover features a beautiful photograph of the Salt Lake Temple, taken at dusk during the Christmas season from the roof of the Joseph Smith Memorial Building.

Presents tips and advice for professionals who are creating or overseeing service-learning programs.

Offers brief biographies, annotated listings of each author's works, and suggestions for additional reading

A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by D.H. Lawrence, distinguished British writer and poet. Titles in this study guide include Sons and Lovers, The Plumed Serpent, The Rainbow, and Women in Love. As a controversial writer of the twentieth-century, Lawrence unknowingly shaped early modernism. Moreover, his reflections of human behavior depict the effects that industrialism had on the British people and their communities. This Bright Notes Study Guide explores the context and history of D.H. Lawrence's classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

A Study Guide for Mary Jo Bang's "Allegory," excerpted from Gale's acclaimed Poetry for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Poetry for Students for all of your research needs.

The Handbook of Human Factors in Web Design covers basic human factors issues relating to screen design, input devices, and information organization and processing, as well as addresses newer features which will become prominent in the next generation of Web technologies. These include multimodal interfaces, wireless capabilities, and agents that can improve convenience and usability. Written by leading researchers and/or practitioners in the field, this volume reflects the varied backgrounds and interests of individuals involved in all aspects of human factors and Web design and includes chapters on a full
