The Certified Welding Supervisor CWS exam is for foremen, inspectors, managers, quality supervisors, lead welders, procurement managers and chief executives who want to prove they possess the four most important metrics in welding operations, which are quality, cost, productivity and safety. Also, candidates must understand the fundamentals of processes, including SMAW, SAW, OFW, GTAW, FCAW, GMAW, SW, brazing, thermal cutting and mechanical cutting applied to the fabrication & repair of weldments...etc. This book provides questions that focus on the technical topics. We create these self-practice test questions referencing the concepts and principles currently valid in the welding profession. Each question comes with an answer and a short explanation which aids you in seeking further study information. For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Some have 2 while some have 5 or 6. We want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas. Think of these as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning only. The questions are NOT designed to "simulate" actual exam questions. "realistic" or actual questions that are for cheating purpose are not available in any of our products.
