## The Abcs Of Real Estate Investing The Secrets Of Finding Hidden Profits Most Investors Miss Rich Dads Advisors

Social Entrepreneur is a book about how two ordinary people turn a huge social problem into a solution, not only for themselves but for thousands of others. From Nightclub Owner (Josh) and Law Enforcement Officer (Lisa) to Social Entrepreneurs of Journey Healing Centers (accredited private drug and alcohol treatment centers). They turned their lives around and are building businesses that bring families back together again (by using the Rich Dad principles). Businesses are evolving to a higher purpose, the why we do what we do. Like the movements across the world and in our own backyards (occupy wall street) people want purpose in their lives. They want to be a positive contribution. We are in the next Mega Trend of a social movement.

Outlines how to achieve financial independence and successful self-employment through property investment, discussing such topics as screening potential partners, utilizing research tools, and setting up maintenance and rent collection systems.

"I've set up my corporation. Now what do I do?" All too often business owners and real estate

## Access Free The Abcs Of Real Estate Investing The Secrets Of Finding Hidden Profits Most Investors Miss Rich Dads Advisors

investors are asking this question. They have formed their protective entity – be it a corporation, LLC or LP – and don't know what to do next. "Run Your Own Corporation" provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad's Advisor Garrett Sutton, Esq., who also authored the companion edition "Start Your Own Corporation", the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the fifth year when trademark renewals must be filed, and all the requirements in between, "Run Your Own Corporation" is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author Robert Kiyosaki states, "Run Your Own Corporation is the missing link for most entrepreneurs. They've set up their entity, but don't know the next steps. Garrett Sutton's book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading." When "Start Your Own Corporation" is combined with "Run Your Own Corporation" readers have a two book set that offers the complete corporate picture. When you finish this book you will know how to make money for the rest of your life and become a millionaire real estate investor. You will be learning the ABCs of real estate 101, starting with the rich dad poor dad style mindset and how to create bigger pockets through house flipping, rehab and rent formulas, rental property management, and all the creative ways to buy real estate with no money down, and how to truly create passive income to create real money and wealth. In this Real Estate Investing book, you'll learn the secrets of being a

successful apartment building investor, including: - How to raise all the money you need to do your first deal. - How to get your offers accepted even if you're new to the game and don't have proof of funds. - How to analyze deals and make offers in as little as ten minutes. - The #1 way to find the best deals. This is truly a non-fiction book, and a roadmap to freedom. It WILL take you where you want to go, so let's get started.

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

The world of real estate can be very intimidating for someone with no experience in the market , this book explains in simple language the basic concepts in the area of buying and selling real estate .

To win in business requires a winning business plan. To write a winning business plan requires reading Garrett Sutton's dynamic book on the topic. Writing Winning Business Plans provides the insights and the direction on how to do it well and do it right. Rich Dad/Poor Dad author Robert Kiyosaki says, "The first step in business is a great business plan. It must be a page turner that hooks and holds a potential investor. Garrett Sutton's Writing Winning Business Plans is THE book for key strategies on preparing winning plans for both business and real estate ventures. Crisply written and featuring real life illustrative stories, Writing Winning Business Plans discusses all the key elements for a successful plan. Topics include focusing your business vision, understanding your financials and analyzing your competition. Also covered are how to really use your business plan as a tool and how to attract funding for your new or existing businesses. As business plan competitions become more popular around the world Writing Winning Business Plans also discusses how to enter and how to win these ever more lucrative contests. In addition, how to quickly interest a potential investor, also known as the elevator pitch, is explained. And, as opportunities arise around the world, how to present your plan in various countries is explored. Writing Winning Business Plans is the complete compendium for this essential business rite of passage – preparing a winning plan.

So you've made your real estate investment, now the question is: How are you going to make it successful? Maximize its potential? MMake it grow? One word: management. Hundreds of thousands know bestselling author Ken McElroy as a real estate investment tycoon. In his new book, he reveals the key to his success, exceptional property management, and teaches you its most important principles, showing you how to fundamentally succeed where others fail. Buying and Selling a Business reveals key strategies used to sell and acquire business investments. Garrett Sutton, Esq. is a best selling author of numerous law for the layman books, and he guides the reader clearly through all of the obstacles to be faced before completing a winning transaction. “Buying and Selling a Business” uses real life stories to illustrate how to prepare your business for sale, analyze acquisition candidates and assemble the right team of experts. The book also clearly identifies how to understand the tax issues of a business sale, how to use confidentiality agreements to your benefit and how to negotiate your way to a positive result. Robert Kiyosaki, the best selling author of Rich Dad/Poor Dad has this to say about Buying and Selling a Business, “Garrett Sutton’s information is priceless for anyone who wants to increase his or her knowledge of the often secret world of the rich, what the rich invest in, and some of the reasons why the rich get richer.” Buying and Selling a Business is a timely business book for our times.

Every great team, culture, society, religion or business that has endured time, adversity and challenge has always had one thing in common: a set of simple but powerful rules that govern the internal behaviors and expectations of that group. It is called The Code of Honor. We hear of these Codes when we think of things like The Ten

## Access Free The Abcs Of Real Estate Investing The Secrets Of Finding Hidden Profits Most Investors Miss Rich Dads Advisors

Commandments, the Marine Corps or the Constitution. Yet if sales is the number one skill in business, number two has to be the ability to bring ordinary people together to build a championship team. This does not happen by chance or by the simple accumulation of talent. The Code is the core ingredient to creating winning organizations. The book is a step-by-step guide for any individual, group or company to actually create a Code of Honor specific to their team. The Rich Dad Poor Dad Advisor series was designed as a “how-to” series to empower individuals to succeed in the world of business and finance. “Team Code of Honor” is critical to this series because its processes bridge all facets of business, investment, entrepreneurship and even personal life. The book explains through graphic examples, stories and numerous case studies how a Code or set of rules is created, maintained, enforced and used for rapid and controlled growth of any entity. The book is designed as an operating manual for putting any business team together. It steps you all the way from properly choosing players, to creating the Code, to increasing performance and to winning. Each chapter gives the team specific assignments and examples so that by the time you have completed the book, your Code is in place and your team is operating at a true championship level.

Sometimes what it takes to be successful in Business is not sales strategy or technique. Rather it starts with something as simple as mindset and attitude plus the fundamental basics of business success that transcend any profession or industry. In

purchase price • Increase your income through proven property management tools  
Tax-Free Wealth is about tax planning concepts. It's about how to use your country's tax laws to your benefit. In this book, Tom Wheelwright will tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other taxes. Once you do that, you can live a life of Tax-Free Wealth.

Have you heard of a real estate investing program before? If you are looking into becoming a real estate investor, you may have come across the real estate spending programs available both locally and online. Although real estate investing programs are an excellent resource for all hopeful investors, you may be wondering whether or not it would be worth your time and money to take a course. To find the answer to your question, you are advised to examine the materials that most real estate investing programs cover. Since a big part of real estate investing is being able to do something with the properties that you purchase, a real estate investing class should also cover this. For instance, many real estate investors fix up the properties they bought and either try to resell them for a profit or become a landlord by renting out the property to tenants. A real estate investing program should give you information on each method, as well as tips on how to make each method work. Real estate investing can become very profitable for those who know what they're doing. For those who don't know what

passion and fulfillment.

Real estate investment is a great opportunity to earn profits and generate a cash flow. There is a slight difference between real estate investment and other types of investment. Real estate investment is not categorized as a long-term investment or short-term investment. Good real estate investor has ability to invest in real estate at right time. Real estate investment requires investor knowledge and experience in investment in good quality of land. Sometimes heavy investment gives wrong result in the future and sometimes with a small investment you can earn more. Investors should be alert at the time of investment in real estate. If you're going to rent your property you should have sufficient knowledge about tenant requirements and requirements for your real estate. Investment goals are the primary factor for real estate investment. This book will give you the necessary knowledge to decide what are your investment goals and know what you want to do with your real estate.
