

## The Auschwitz Escape Joel C Rosenberg

When New York Times foreign correspondent J. B. Collins hears rumors that an al-Qaeda splinter cell—ISIS—has captured a cache of chemical weapons inside Syria, he knows this is a story he must pursue at all costs. Does the commander of the jihadist faction really have weapons of mass destruction? If so, who is the intended target? The U.S.? Israel? Or someone else? With tensions already high, the impending visit of the American president to the region could prove to be the spark that sets off an explosion of horrendous proportions. Knowing that terrorist forces are already trying to bring down two Arab governments in the region—Iraq and Syria—can Collins uncover the truth before it's too late? Or will the terrorists succeed in setting their sights on the third target and achieving genocide?

Based on *Inside the Revolution*, this booklet provides stories and information about how God is drawing Muslims around the world to Christ and how believers can practically engage in what God is doing. Joel Rosenberg also shares four simple strategies that will help mobilize the church to love their neighbors: learn, pray, give, and go.

Is the crisis in the Middle East hurtling toward the point of no return? Israel's prime minister, Benjamin Netanyahu, tells the U.N. that Iran could have nukes by spring. Iran's president, Mahmoud Ahmadinejad, has called for the end of the United States and Israel. Chaos is erupting throughout the region. Rumors abound of an impending Israeli first strike against Iran's nuclear program. Is war imminent? New York Times best-selling author Joel C. Rosenberg looks at the events developing in the Middle East and asks the tough questions: Could Israel launch a preemptive strike at any moment? How might an Israel-Iran war set the Middle East on fire? What should we be watching for? *Israel at War* will help you understand what is happening right now behind the scenes in this volatile region—and how this high-stakes showdown could affect the future of the Middle East and the world.

From the New York Times, USA Today, and Publishers Weekly bestselling author! A game-changing peace treaty between Israel and the Saudis is nearly done. The secretary of state is headed to the region to seal the deal. And Special Agent Marcus Ryker is leading an advance trip along the Israeli-Lebanon border, ahead of the secretary's arrival. But when Ryker and his team are ambushed by Hezbollah forces, a nightmare scenario begins to unfold. The last thing the White House can afford is a new war in the Mideast that could derail the treaty and set the region ablaze. U.S. and Israeli forces are mobilizing to find the hostages and get them home, but Ryker knows the clock is ticking. When Hezbollah realizes who they've captured, no amount of ransom will save them--they'll be transferred to Beirut and then to Tehran to be executed on live television. In the fourth installment of Rosenberg's gripping new series, Marcus Ryker finds himself in the most dangerous situation he has ever faced--captured, brutalized, and dragged deep behind enemy lines. Should he wait to be rescued? Or try to escape? How? And what if his colleagues are too wounded to run? This is the CIA's most valuable operative as you have never seen him before.

The complete 3-book espionage and spy thriller series that has sold 700,000 copies! This product bundles three of Joel Rosenberg's blockbuster thrillers featuring David Shirazi together into one e-book. **The Twelfth Imam** As the apocalyptic leaders of Iran call for the annihilation of Israel and the U.S., CIA operative David Shirazi is sent into Tehran with one objective: use all means necessary to disrupt Iran's nuclear weapons program—without leaving American fingerprints, and without triggering a regional war. At extreme personal risk, Shirazi undertakes his assignment. A native Farsi speaker whose family escaped from Iran in 1979, he couldn't be better prepared for the mission. But none of his training has prepared Shirazi for what will happen next. An obscure religious cleric is suddenly hailed throughout the region as the Islamic messiah known as the Mahdi or the Twelfth Imam. News of his miracles, healings, signs, and wonders, spread like wildfire, as do rumors of a new and horrific war. With the prophecy of the Twelfth Imam seemingly fulfilled, Iran's leaders prepare to strike Israel and bring about the End of Days. Shirazi must take action, but the clock is ticking. **The Tehran Initiative** The world is on the brink of disaster, and the clock is ticking. Iran has just conducted its first atomic weapons test. Millions of Muslims around the world are convinced their messiah—known as the Twelfth Imam—has just arrived on earth. Israeli leaders fear Tehran, under the Twelfth Imam's spell, will soon launch a nuclear attack that could bring about a second Holocaust and the annihilation of Israel. The White House fears Jerusalem will strike first, launching a preemptive attack against Iran's nuclear facilities that could cause the entire Middle East to go up in flames, oil prices to skyrocket, and the global economy to collapse. With the stakes high and few viable options left, the president of the United States orders CIA operative David Shirazi and his team to track down and sabotage Iran's nuclear warheads before Iran or Israel can launch a devastating first strike. **Damascus Countdown** All eyes are on the Middle East. Israel has successfully launched a first strike on Iran, taking out all of their nuclear sites and six of their nuclear warheads—and causing The Twelfth Imam to order a full-scale retaliation. U.S. President William Jackson threatens to support a U.N. Security Council resolution condemning the Jewish State for unprovoked and unwarranted acts of aggression. Meanwhile, CIA operative David Shirazi has infiltrated the Iranian regime and intercepted information indicating that two Iranian nuclear warheads survived the attack and have been moved to a secure and undisclosed location. In danger not only from the ongoing missile strikes on Iran but also from the increasingly hostile and suspicious governments of multiple countries, David and his team are in a race against time to find the remaining nuclear warheads before disaster strikes.

2009 Retailer's Choice Award winner! For Jon and Erin Bennett, the world seems to be spinning dangerously out of control. A new dictator is rising in Iraq. China is making threatening new moves toward Taiwan. North Korean forces appear ready to strike south. Israel is feverishly trying to complete the Third Temple. Oil prices are surging. And in the wake of an horrific war in the Middle East, President James MacPherson's second term is coming to an end. Now the battle to succeed him is heating up into one of the most fiercely contested presidential elections in American history, and the Bennetts realize the stakes could not be higher. Who will lead a bitterly divided country over the next four years? What can the U.S. do to shape the new world order? And just what role—if any—does the U.S. play in the last days? As the presidential campaign narrows into a dead heat, the Secret Service learns of a catastrophic plot to assassinate one of the candidates—but which one, and can the terrorists be stopped in time?

The politics of the Middle East can be murky and confusing. But one thing is increasingly certain: The eyes of the nations are riveted upon Israel and her neighbors, the epicenter of the momentous events shaking our world and shaping our future. What does the future hold? How will it affect your world? **The Epicenter Study Guide** can be used along with Joel Rosenberg's best-selling book *Epicenter* as well as the *Epicenter DVD* to help de-mystify the events happening around the world.
