But when she finds a talking dolphin in her backyard pool one day after school, she discovers she's not only swimming for a trophy-but also her life. Every morning Meredith wakes up in her swimming pool, fresh from a nightmare about the King of the Sea who wants her help in leading an evil revolution. To convince her, he's even sent a mysterious new student who has every girl swooning except her. Can Meredith stop the King from taking over the Kingdom of the Sea and return to her old life or is she destined to be an eighth grade mermaid?
