

The Complete Guide To Buying A Business

In the past decade property prices in the UK have risen by 138 per cent - far higher than in the USA. With no language problems, near-perfect weather and low property prices, Florida is an ideal location for a holiday or retirement home. Many people now have sufficient equity in their British homes not only to buy a home in Florida, but also to satisfy the investor criteria for immigration into the United States. By setting up a business or investing in a (possibly quite modest) business in the US, they can turn their dream into a reality. The Complete Guide to Buying Property In Florida is the ideal tool for those who want to take any of those steps. It deals with every aspect of buying or renting a home in Florida in a practical, straight-forward style. There are maps, useful addresses, Web sites, and information on a whole host of topics including: choosing a location, renting, purchasing, buying land, letting, selling, taxation and inheritance rules, and retiring, working and setting up a business. Comprehensive and readable, it will help any prospective buyer avoid the pitfalls and get everything right first time. The book looks at how Bitcoin works, the benefits of Bitcoin, what you can buy with Bitcoin, how to successfully create a Bitcoin mining "Rig", Investing in Bitcoin for major profits and the future of Bitcoin.

Fish: The Complete Guide to Buying and Cooking is a book that simplifies, once and for all, the process of preparing fish. Organized in an easy-reference, A-Z format, Fish gives you the culinary lowdown on seventy kinds of fish and shellfish commonly found in American supermarkets and fish stores. Each entry describes how the fish is sold (fillets, steaks, whole, salted), other names it goes by, how the fish should look, and buying tips. Fish begins with general guidelines on how to store, prepare, and cook fish, whether sauteing, frying, grilling, or smoking, and you will find easy-to-follow illustrations of such important basics as how to gut and fillet a fish. Fish also includes up-to-the-minute information on the health benefits of fish in our diet. In addition, there are more than five hundred recipes and variations, all of which use low-fat, high-flavor ingredients to accent the intrinsic natures of the individual fish rather than mask them. And the vast majority of the recipes are ready in less than thirty minutes.

As home prices in the U.S. hit record highs, Mexico has emerged as a solid contender for people who are considering either buying second homes or investing in a holiday home or future retirement properties. The U.S. State Department estimates that there are 385,000 Americans permanently living in Mexico. This book details precisely what to look for in real estate investments and buying prospects, as well as how to find the best opportunities, buy with little or no money down, decide where to purchase, and how to choose and hire a realtor. You also will become knowledgeable about negotiating and financing, budgets, home-buying timelines, the process of building a house, homeowners' insurance, creative financing, closing and settlement inspections, legal contracts, what you can afford, and which government agencies can help. This book is a must-have for the investor considering a second home below the border.

A guide to stock market investing which aims to demystify the world of shares, explaining how the stock-market works and providing a step-by-step guide through the tools and techniques of equity investing. Included are worked examples. "Debbie Harrison is one of the most knowledgeable writers on investment in the market today and she communicates with great clarity. Her skills are combined in this book to provide invaluable assistance to anyone who

wants, or needs, to know more about investment." - Maria Scott, Personal Finance Editor, The Observer. "Debbie Harrison combines an insider's knowledge of investment with an outsider's ability to judge and explain. This is a book for all those daunted by mindless jargon and who are afraid of the unknown."-Jane Martinson, Investment Correspondent, Financial Times. "First Time Investor carries all of the Debbie Harrison hallmarks. Precise and clear for the novice, whilst still containing enough for the investor who has a lot more knowledge. Debbie's books are always worth keeping close by for reference."-Simon Philip, Partner, Arthur Andersen. "This excellent book puts investment firmly in the context of overall financial planning, which is as it should be."-David Norton FCA, ATII,FIFP, CFP, President, The Institute of Financial Planning. "Buying this book is itself a great investment and I would thoroughly recommend it to anyone. It should be read from cover to cover before making any decisions about your personal finances. This is the sort of book which empowers the private investor to make the sort of decisions which are going to prove profitable for them in the long term."-Lawrence Gosling, Editor-in-Chief, Bloomberg Money and Editor of Investment Week. "It is not as simple to get involved with shares as it is to buy a lottery ticket, though the returns are generally much better. It can be hard to know where to start and difficult to understand the strange terms that financial people use. So, as a first step, read this book. It is a truly definitive and understandable guide." Angela Knight, Chief Executive, The Association of Private Client Investment Managers and Stockbrokers.
