Recommended by the National Council of Hotel Associations, this guide offers guidance and advice on how to set up and manage a hotel, guest house or B&B. The author highlights how to enter the business and shows how to decide what to look for, raise finances, get professional advice, and more.

Would you give custom to a cafe that had grumpy staff? What's the atmosphere like in a cafe that's led by a miserable boss and would you want to spend time there? Of course you wouldn't. Gloomy service businesses don't thrive. What's more, I'll lay odds the cause of grumpiness is a business owner under stress and 10-1 that stress is caused by the business. Our mythical cafe owner had not read The Complete Guide To Buying A Cafe. Through this insight-full book, Craig will not only help you avoid failure, but if you pay careful attention, he'll put you on a path to great prosperity. Devour every page and be prepared to take notes.

A perfect guide for entrepreneurs Whether you just want an overview of the business buying process or you're ready to acquire an existing business, you know you'll need to finance, negotiate and structure the deal and protect yourself from unpleasant surprises. The Complete Guide to Buying a Business will give you everything you need to know including more than two dozen crucial forms and legal documents to help you do it. You'll learn how to: find the right business analyze the seller's numbers make sense of the tax issues avoid outstanding liens and liabilities prepare and sign a sales agreement close the deal prevent the seller from competing against you work with lawyers, accountants and brokers The 4th edition of The Complete Guide to Buying a Business is completely updated to reflect the latest laws and tax information.

Fish: The Complete Guide to Buying and Cooking is a book that simplifies, once and for all, the process of preparing fish. Organized in an easy-reference, A-Z format, Fish gives you the culinary lowdown on seventy kinds of fish and shellfish commonly found in American supermarkets and fish stores. Each entry describes how the fish is sold (fillets, steaks, whole, salted), other names it goes by, how the fish should look, and buying tips. Fish begins with general guidelines on how to store, prepare, and cook fish, whether sauteing, frying, grilling, or smoking, and you will find easy-to-follow illustrations of such important basics as how to gut and fillet a fish. Fish also includes up-to-the-minute information on the health benefits of fish in our diet. In addition, there are more than five hundred recipes and variations, all of which use low-fat, high-flavor ingredients to accent the intrinsic natures of the individual fish rather than mask them. And the vast majority of the recipes are ready in less than thirty minutes.

Every parent wants their child to flourish throughout their education but few decisions are more difficult than choosing the right school. The Independent Schools Guide from Gabbitas Education has been informing parents in their independent school choices since 1924. Included in this most authoritative and extensive guide to UK independent schools: Choosing a school (day, boarding, prep and senior) School fees planning Coming from overseas Independent school inspections (ISI and Ofsted) Extensive directory of UK independent schools Detailed school profiles Sixth form choices, including tutorial colleges, and beyond To see schools online, visit the guide's website at www.independentschoolsguide.com

Point by point and step by step, with a 100-item checklist, "the authors provide concise information, checklists, anecdotes, and infectious enthusiasm".--ALA Booklist.

Offers a complete overview of these special, usually smaller, residences. It points out dozens of hints and suggestion as to what to look for as well as demonstrating the many mistakes common with these types of investments. You will learn how to find the best opportunities, to negotiate, finance, budget, handle pre-construction issues, set values, and make the offer. You will be able to define what you are buying (and what you are not) issues on your right to sell, lease, or mortgage. You will be prepared for restrictions pertaining to children, pets, parking, vehicles, boats, music, maintenance of windows, doors,

screens, air conditioners, plumbing, club memberships, recreation facility leases, use of recreational facilities, and common areas. In addition, you will learn the advantages of using credit reports, home warranties, insurance, creative financing, closing procedures, moving plans, closing and settlement inspections, and certain legal contracts. You will have instruction in obtaining mortgages -- which government agencies can help, considerations for veterans, IRA use, hiring an attorney, calculating monthly payments, and establishing an escrow account. The real estate and mortgage glossaries alone are invaluable resources, even for the 'old hand' at property acquisition.

Important insights into effective option strategies In *The Complete Guide to Option Strategies*, top-performing commodity trading advisor Michael Mullaney explains how to successfully employ a variety of option strategies, from the most risky--selling naked puts and calls--to more conservative strategies using covered positions. The author covers everything from options on stocks, exchange-traded funds, stock indexes, and stock index futures to essential information on risk management, option "Greeks," and order placement. The book provides numerous tables and graphs to benefit beginning and experienced traders. Written by a CTA who has successfully employed various options strategies to generate market-beating returns, *The Complete Guide to Option Strategies* will be an important addition to any trader's library. Michael D. Mullaney (Jacksonville, FL) is a high-ranking commodity trading advisor who specializes in option selling strategies.

This is a tremendous guide for buying foreclosed homes in any market. You will learn the simple formula, developed through real-life experience, to build massive wealth through foreclosures. It is a resource for novices and pros alike and will guide you through every step of the process including finding properties, negotiating and closing deals.

Out there somewhere is a buyer looking to buy a business like yours. So if you're ready to sell, make sure you protect your interests and maximize your profit with this all-in-one guide.

Focusing on price-forecasting in the commodity futures market, this is the most comprehensive examination of fundamental and technical analysis available. This guide treats both approaches in depth, with forecasting examined in conjunction with practical trading considerations including spread trading, option trading, and more. Schwager is the starting point for any serious reading on futures and options trading. Well-written and clear, and truly encyclopedic in scope: every conceivable options trade, with all permutations thereof, is discussed and dissected, even inadvisable ones.

Takes readers from thinking, "Hmm, should I buy a business?" right through the process of choosing, investigating, and entering into a legal contract to do so.

Expert money-making advice from the nation's leading fixer-upper guru "Excellent book on the fixer strategy."--John T. Reed, bestselling real estate author "Filled with practical examples of how to profit from rundown fixer-upper properties."--Robert J. Bruss, syndicated real estate columnist Nobody wants to buy an ugly, decrepit, rundown house--which is exactly why they provide real estate investors with the best bargains! In *Investing in Fixer-Uppers*, nationally known real estate guru Jay DeCima reveals how investors can add thousands of dollars to the value of an "ugly" house. He discusses how to substitute personal skills for traditional down payments, strategies to profit without waiting for appreciation, and dozens of other value-adding tips.

A guide to stock market investing which aims to demystify the world of shares, explaining how the stock-market works and providing a step-by-step guide through the tools and techniques of equity investing. Included are worked examples. "Debbie Harrison is one of the most knowledgeable writers on investment in the market today and she communicates with great clarity. Her skills are combined in this book to provide invaluable assistance to anyone who wants, or needs, to know more about investment." - Maria Scott, Personal Finance Editor, *The Observer*. "Debbie Harrison combines an insider's knowledge of investment with an outsider's ability to judge and explain. This is a book for all those daunted by mindless jargon and who are afraid of the unknown."-Jane Martinson, Investment Correspondent, *Financial Times*. "First Time Investor carries all of the Debbie Harrison hallmarks. Precise and clear for the novice, whilst still containing enough for the investor who has a lot more knowledge. Debbie's books are always worth keeping close by for reference."-Simon Philip, Partner, Arthur Andersen. "This excellent book puts investment firmly in the context of overall financial planning, which is as it should be."-David Norton FCA, ATII,FIFP, CFP, President, The Institute of Financial Planning. "Buying this book is itself a great investment and I would thoroughly recommend it to anyone. It should be read from cover to cover before making any decisions about your personal finances. This is the sort of book which empowers the private investor to make the sort of decisions which are going to prove profitable for them in the long term."-Lawrence Gosling, Editor-in-Chief, *Bloomberg Money* and Editor of *Investment Week*. "It is not as simple to get involved with shares as it is to buy a lottery ticket, though the returns are generally much better. It can be hard to know where to start and difficult to understand the strange terms that financial people use. So, as a first step, read this book. It is a truly definitive and understandable guide." Angela Knight, Chief Executive, The Association of Private Client Investment Managers and Stockbrokers.

In the past decade property prices in the UK have risen by 138 per cent - far higher than in the USA. With no language problems, near-perfect weather and low property prices, Florida is an ideal location for a holiday or retirement home. Many people now have sufficient equity in their British homes not only to buy a home in Florida, but also to satisfy the investor criteria for immigration into the United States. By setting up a business or investing in a (possibly quite modest) business in the US, they can turn their dream into a reality. *The Complete Guide to Buying Property In Florida* is the ideal tool for those who want to take any of those steps. It deals with every aspect of buying or renting a home in Florida in a practical, straight-forward style. There are maps, useful addresses, Web sites, and information on a whole host of topics including: choosing a location, renting, purchasing, buying land, letting, selling, taxation and inheritance rules, and retiring, working and setting up a business. Comprehensive and readable, it will help any prospective buyer avoid the pitfalls and get everything right first time.

So you want to buy a new business - and leave the corporate world behind. Congratulations! You now have the opportunity to find both psychic and financial rewards doing something you truly enjoy - if you plan carefully. Finding the right business and buying it right is the subject of Richard Snowden's *The Complete Guide to Buying a Business*. This advice-packed book presents expert advice and a detailed action plan for making the move from company employee to company owner. Written by a business acquisitions specialist, it illuminates both the personal and

practical issues associated with locating a suitable business, negotiating a sales price, and managing it profitably for years to come. Of course you'll need to know whether or not you're cut out to own a business before you leave your job and invest your life's savings. The Complete Guide to Buying a Business helps you decide if you're ready to leave the rat race and answers such critical questions as: What is the tradeoff between risk and compensation? If the corporate world is no longer "it" for you, then what is? What are the advantages and disadvantages of self-employment? Finding a business that fits your goals is essential to your success and happiness. Small businesses rise or fall mainly on the talent of the owner. Therefore it's important to identify the specific skills that will make or break you as a business owner, Snowden warns. Packed with exercises, The Complete Guide to Buying a Business aids you in matching your experience, skills, and personal life-style preferences with a suitable enterprise. The book furnishes professional techniques for locating the business for you, as well as tactics for researching companies that are for sale. It also features compelling case studies - and do's and don'ts - from people who've successfully bought their own businesses. Once you've found a business that interests you, you'll need to know what to pay for it. Snowden explains how you can evaluate a company's potential and look beyond its financial statements to determine its true worth. Using examples and analysis, he unveils the secret of calculating a sales price. He also supplies you with winning strategies to use at the negotiating table, as well as practical guidance for dealing with professional advisers. Buying a suitable business isn't easy. Fully three-quarters of people fail in their attempts because they lack knowledge and a plan of action. But as Snowden states, "If you approach the job of finding the right business for you with due diligence and intelligence, the odds are excellent that you will find a company that has a high likelihood of long-term success under your directorship and the potential for an excellent financial return, as well." With dedication and The Complete Guide to Buying a Business, you'll have the tools to make your search a fruitful one - and your business a rewarding venture.

Whether you're a first-time real estate investor or a seasoned professional, The Complete Guide to Buying and Selling Apartment Buildings helps you map out your future, find apartment buildings at a fair price, finance purchases, and manage your properties. Now revised and expanded, this Second Edition includes tax planning advice, case studies of real acquisitions, and appendixes that add detail to the big picture. Plus, it includes a handy glossary of all the terms investors need to know, helpful sample forms that make paperwork quick and easy, and updated real estate forecasts. With this comprehensive guide at hand you'll find profits easy to come by.

This is a book you will use as a tool to assist you in new home buying. You will learn that buying a new home is not as complex as it might appear. By having an understanding of the process of new home buying, your experience will be one of knowledge not of ignorance. Lynda Michaels answers questions and more in this accessible and practical book. She explains and guides you through the new homebuying process and teaches you to communicate effectively with your realtor, sales person, contractor and builder. She emphasizes the importance of recognizing the need to understand why and where to buy a home and how to prevent buyers remorse. Throughout the book she draws upon her personal experience and provides information that is most often requested by new home buyers, especially first time home owners. This book is a valuable tool for anyone looking for a new or used home, because the information provided can be used by any one looking for a home anywhere.

Why? Because foreclosures are at an all-time high. meaning banks and other lenders have unprecedented numbers of properties they are all too eager to unload.

This text deals with the details of buying or renting a home in France in a practical, straightforward style. It covers financial issues such as mortgages available for the house buyer, French tax laws, choosing a location, issues in purchasing or renting, and health and education in France.

As home prices in the U.S. hit record highs, Mexico has emerged as a solid contender for people who are considering either buying second homes or investing in a holiday home or future retirement properties. The U.S. State Department estimates that there are 385,000 Americans permanently living in Mexico. This book details precisely what to look for in real estate investments and buying prospects, as well as how to find the best opportunities, buy with little or no money down, decide where to purchase, and how to choose and hire a realtor. You also will become knowledgeable about negotiating and financing, budgets, home-buying timelines, the process of building a house, homeowners' insurance, creative financing, closing and settlement inspections, legal contracts, what you can afford, and which government agencies can help. This book is a must-have for the investor considering a second home below the border.
