

## The Crystal Bible

Crystals have been used for divination since ancient times. Their powerful intrinsic energies can serve as mirrors to reveal your true path and link you to that part of yourself that is all-seeing and all-knowing. Created by bestselling crystals expert Judy Hall, The Crystal Wisdom Oracle will connect you to your higher, intuitive self, and, in the process, give you amazing insights into your past, present and future. The kit consists of a fully-illustrated book containing profiles of the 40 crystals and a beginners guide; a handsomely designed deck; and a crystal, which is kept atop the cards to keep their energy clear. Shuffle the pack and draw a card for an immediate insight. Or, for more in-depth readings, spread the shuffled cards according to one of the four crystal "lattice" designs the author describes, each one suitable for a different type of inquiry: Square (answering "what if?" questions); Hexagonal (how to move forward); Orthorhombic (hidden obstacles and skills); Triclinic (making decisions). Four card suits reflect the vibrational frequencies of crystals (Earthy, Healing, Cosmic, and Integration) and allow you to conduct divinations at various levels, from the material to the spiritual. Superb, specially commissioned photography captures the essence of each of the 40 crystals shown on the cards. Perfect for anyone drawn to the beauty and healing energy of crystals, this Oracle shows you how to call upon them, even in card form, for life guidance and self-knowledge. The perfect introduction to the power of meditating with crystals. Judy Hall, world-renowned crystal expert, explains how to use crystals in everyday mindfulness practice to help focus awareness and be in the moment. Are you looking for a better way to practice mindfulness? Crystals can help in so many ways. They have been around for millions of years and in their terms the passing of decades is merely the blink of an eye, so they offer new ways of perceiving your life. Gazing into the depths of a crystal offers you instant clarity and stillness of mind. Providing a point of soft focus, crystals help you to stay attentively in the present moment without judging it or needing it to change. The unique qualities of each crystal assist in switching off your mind's chatter. Crystals can ease your anxieties, dispel your anger, show you how to forgive and let the past be, and so much more. They can help you make a decisive move (when that's appropriate). They connect you to yourself at a very deep level.

The introduction covers what mindfulness is, how it works, what the benefits are for you and how crystals can help you practise it. Part 1 looks at specific topics that are relevant to your mindfulness practise, such as staying grounded, becoming centred, shutting off the chattering mind and accepting yourself. Part 2 is a comprehensive crystal mindfulness directory featuring 24 beautifully photographed crystals. Each description of the crystal and its benefits to mindfulness is accompanied by an exercise for a specific purpose, as well as other features such as keywords and a Crystal Reflection to use for instant access to inner calm. Flick through the pages until a picture catches your eye and work with the crystal as suggested, or target your crystal mindfulness practise more specifically using the book's headings. Then tune into the crystal you need and the magic will happen. Internationally bestselling author Judy Hall presents a newly updated and expanded comprehensive guide to more than 450 powerful healing crystals including an additional 50 stunning stones.
