

The Dare Game

Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

In a deliciously sexy twist on the classic game, USA Today bestselling author Mira Lyn Kelly proves that when playing truth or dare—always choose dare. After her one attempt at commitment ends in the worst kind of betrayal, Maggie Lawson vows that the only people she'll love 'til death do they part will be her friends. Unfortunately that means Maggie letting her bestie rope her into a year-long dating dare: score a new date each month or pay a penalty. Seems doable—until Maggie's date stands her up, leaving only one option: the sexy stud who just moved in upstairs. The problem? He and Maggie can't stop fighting—and that's just the beginning. His name is Tyler Wells and the last thing he needs is his neighbor distracting him with her girl-next-door smile and sharp tongue. Tyler's in Chicago for one reason: to woo back his selfish ex in order to reclaim the child he once thought was his—and that means keeping Maggie out of his bed. A tall order, since Maggie has become a bigger temptation than he ever expected to face. But before they can even consider leaving the past behind, Maggie and Tyler must accept a brand-new dare: real, forever love. Praise for Truth or Dare "It's clear from the beginning that all the snark between Tyler and Maggie is masking a powerful attraction that they both wish to ignore. Every time they resist just makes every time they give in that much hotter (and sweeter)."—Library Journal "Truth or Dare is a sexy, heartfelt story about hard choices, sweet temptation, and forever love!"—USA Today bestselling author Tina Waincott "I so enjoyed this book! Incredible tension, a great cast of characters—undoubtedly all ready for their books—some very funny moments and lines ('Friends don't let friends take their wine home in a baggie!') and some really gooey emotional conflict."—Molly O'Keefe, author of Indecent Proposal "Delicious tension, raw emotion, and plenty of heat make Truth or Dare a sexy, witty read."—Elisabeth Barrett, author of the Star Harbor series "Mira Lynn Kelly is a master storyteller, and she proved it again here. She crafted unforgettable characters that wormed their way into the reader's heart. You could never go wrong reading one of her books!"—The Romance Reviews Includes an excerpt from another Loveswept title.

Truth or dare? What begins as a carefree afternoon of celebrating their college graduations for a group of ten friends quickly turns dark when the girls of the group receive word that an abusive ex-boyfriend they had each dated in their time has been released early from prison. Handsome, exotic, and dangerous, John Miller has unfinished business with his latest ex-girlfriend, Taylor Johnson. With the help of her friends Kala, May, Judy, and Cristy, she had put him behind bars with her testimony for almost killing her one cold November night. After he makes his unwelcomed appearance at their graduation party, and makes it clear he's still in love with Taylor and wants her back, things begin to take a strange twist through the remainder of the day. After a game of truth or dare, the hostess of the party calls out a name to make the "ultimate dare," little does she know she will have to take part. Dared to go in the dead of night to an alley with a violent and bloody history, Taylor, Kala, and May witness one of their friend's brutal murder. They escape from the killer's grasp, barely making it out of the alley alive. The only problem is that the killer has seen them and knows who they are... Things are just getting started in part one of this series. Take the dare and follow the group of friends through one hell of a ride.

The man who has lived a classic rags-to-riches life story turns his passion for daring and challenge into life lessons on personal and professional achievement. The genius behind the wildly popular Survivor series, Mark Burnett is now the hottest producer in television. What most people don't know, however, is that Burnett has his own survival story to tell, and it's every bit as riveting as the show. A decade ago, he was selling t-shirts on the beach in Southern California. But through a combination of inspiration, determination, and sheer nerve, he transformed his life, went on to produce an Emmy-winning extreme sports program, and, of course, created the most popular series on the air today. A former paratrooper and an open-water certified SCUBA diver, Mark Burnett has used his life of daring experiences as a jumping-off point, and now shows readers how to chase their dreams, ignore their fears, and follow the road less traveled to personal and business success. His book unfolds like a real-life adventure story, offering valuable lessons, inspirational vignettes, and hard-hitting advice. Burnett's recipe for success encourages people to bend the rules, embrace risk, lead with compassion, learn through failure, revel in pain, and focus like a laser on their goals. By following this blend of heart and chutzpah, you'll not only survive, but go on to succeed beyond your wildest dreams.

From sexpert Susie Bright, this luxe box contains 30 seductive prompts and dares—each sealed in an envelope ready for the taking. Select an envelope, tear it open, and read the card aloud to discover what comes next. No two lovers will play the cards the same way twice!

When a simple round of truth or dare spins out of control, three girls find it's no longer a party game -- it's do or die. It all started on a whim: The game was a way for Tenley Reed to reclaim her popularity, a chance for perfect Caitlin "Angel" Thomas to prove she's more than her Harvard application. Loner Sydney Morgan wasn't even there; she was hiding behind her camera, as usual. But when all three start receiving mysterious dares long after the party has ended, they're forced to play along -- or risk exposing their darkest secrets. How far will Tenley, Caitlin, and Sydney go to keep the truth from surfacing? And who's behind this twisted game? Set against the backdrop of Echo Bay, an isolated beach town haunted by misfortune, Truth or Dare is a highly charged debut that will keep readers in suspense from beginning to end.

Calling on psychic resources he didn't know he possessed, Jonah was able to project himself to Alice's location, where he could hold her in his arms, touch her, kiss her, and plan.

She thought she had put all the questions to rest. But someone from her past wants answers. From the bestselling author of The Rumor and Who Did You Tell? comes The Dare, an electrifying novel of suspense. "I read The Dare in two big gulps—it's pacy, has great characters, and there's a flip worthy of Simone Biles."—Fiona Barton, New York Times bestselling author of The Widow At the time it was exciting. A game of dare, but one that had motive and justification. Children can be so judgmental, can't they? I can still hear her cry as she toppled forward, the dull thud of her body as it landed on the pavement. Lizzie and Alice are the best of friends, as close as can be. Until the day when they're out playing by the train tracks and a childish spat triggers Lizzie's epilepsy. When she comes to, she finds an unimaginable horror: Alice has been killed. Lizzie is devastated, and as she tries to cope with her grief, she is shocked to find herself alienated from Alice's friends and relatives, who are convinced Lizzie and "the dare" somehow had a role in her friend's death. But someone from her past isn't willing to forgive and forget. And they'll do anything to pry answers from her. Even if Lizzie doesn't know them herself.
