Traditional Chinese edition of James and the Giant Peach, the Roald Dahl classic . In Traditional Chinese. Distributed by Tsai Fong Books, Inc.

Excerpt from Jack the Giant-Killer And we read that some emperors are feasting in company at their splendid revels, while another is torn from his throne and carried away by a furious and angry foe, by a giant of the race which has filled the world with such terror in its time. Of late a young giant of that very tribe has marched through our own streets; a giant at play, it is true, and feeding his morbid appetite with purses, chains, and watches, and iron park railings; but who shall say that he may not perhaps grow impatient as time goes on, and cry for other food? Excerpt from Snickerty Nick and the Giant The idea of the Selfish Giant in this play has been taken from the story of Oscar Wilde's Selfish Giant. Spring would not come to his garden because he would not let the children play in it. It was always winter there. One morning he woke up hearing the music of a linnet singing in his garden. He jumped out of bed and saw a most wonderful sight, owers were looking up through the green grass and laughing, and in every tree was a little child; but one little boy was too tiny to climb the tree and the Giant's heart melted and he helped the little child into the tree. The little child kissed him and forever after the children played in the Giant's garden, because his heart had softened through love of the little child. The children never saw the child again. But one day he came to the Giant, who saw on the palms of the child's hands

The Giant Book of Trivia: 1000 Questions and Answers to Engage all Minds; picks up right where The Great Book of Trivia left off! Once again, we've brought together a host of fresh and intriguing questions that will test the limits of your knowledge across a huge range of subjects. The book is divided into 4 parts: Part 1 presents 50 challenging general knowledge quizzes. Part 2 introduces the "specialist rounds" at three levels of difficulty: medium, challenging and fiendish. Here you'll find questions on geography, history, sport, science and nature, literature, art and architecture, and movies and TV. Part 3 brings a lighter touch with a selection of "bonus round" quizzes, where you'll be asked to spot connections, identify years from a series of clues, unravel proverbs, and sort out lists of famous people, places and things. Part 4 contains 20 "family fun" quizzes that will be especially enjoyable for younger minds. There are straightforward general knowledge questions, alongside rhyming and alphabet quizzes. At Elsinore Books we pride ourselves on creating beautiful e-Books, and devote great attention to formatting, and ease of navigation. This book contains a cleanly-styled contents page that permits easy movement between quizzes. Each quiz occupies its own chapter, so you can move between quizzes by pressing a single button on your e-reader. You can access the answers to each quiz by following the links at the top and bottom of the question page. On the answer pages you'll find each question rewritten and followed by its answer in bold. You can view a full listing of the games inside by clicking on the preview of this book and viewing the contents page. Some of the collection highlights are outlined below: General Knowledge 1 1. If you are weary of a large house with high property taxes, big utility bills, tons of maintenance, and too much stuff, you're definitely not alone! Millions of Americans are turning to smaller living spaces as a pathway to a happier, stress-reduced life. The Giant Book of Tiny Homes captures the essence of this downsizing trend by showcasing homes across a spectrum of styles and locations, each filled with stylish interiors, ingenious solutions for small-space living, and stories of contented homeowners. Plus, you'll get great advice and insights from the growing number of talented builders and architects who have trained their skills on creating beautiful, imaginative smaller dwellings. Whether custom-designed for a traditional foundation, assembled on a moveable trailer, or flat-packed and flown in by helicopter, small houses are all about "less is more." If you're a small house aficionado or simply considering the possibilities, this book is your inspiration for living large in a small space!
