

The Household Secret Menage BdsM Victorian Medical Erotica

Taylor Raine is a talented interior designer with a killer portfolio and a backlog of successful clientele. So when he's called out to the middle of nowhere to service the eccentric and reclusive Abramo De Rosa, his patience is already wearing thin... That is, until he lays eyes on the man himself. De Rosa is as handsome as he is unusual, and it's not long before Taylor finds himself charmed, led through from room to room of the strange old house as Abramo illustrates the various sundry activities he envisions for each nook and cranny. But it's not until his mysterious client leads him into the master bedroom - or "Dungeon", as Abramo calls it - that Taylor realizes exactly what kind of job he's stumbled into. And by then, it's far too late to turn back... --- Excerpt: "There is one final room I want you to see. It has my most favored items packed away." Taylor gave a swift nod and followed the eccentric person downstairs, his mind relatively calm for having experienced such strange behavior from his client. They reached the second floor again and Abramo pushed a door open to a very large bedroom. It was empty except for a wide bed, the mattress resting on an intricate, cast-iron frame. Four narrow poles erupted from the corners of the support, each spindly post decorated with black, metal vines. The headboard of the bed was lovely as well, sporting the same woven wires of sculpted flowers and leaves. "This is the master bedroom. I want this to be absolutely splendid: my own private lair." Abramo strode into the room and opened the closets. "If it's possible, I want some retractable toys in here. I want my friends and guests to be completely overwhelmed by the hidden contraptions that spring out and ensnare them." Taylor didn't know why he asked, but the words escaped him before he had even prepared to speak. "And what form of toys were you thinking?" His voice was silky and alluring, a tone he had never used before. Taylor surprised himself, normally being a soft-spoken, relatively bland guy, but he felt strong and confident in the Abramo's presence. Without really knowing the man, Taylor understood, with impressive clarity, that he would never be judged by the client for speaking out of turn. Abramo peered at Taylor, his dark eyes scanning the designer's thin body. He still held Taylor's sports coat and he smiled, appreciating the fact that the professional man was actually asking him questions with authentic curiosity. Turning around, Abramo went into his closet and grabbed something hidden in the shadows. Taylor stood by the door, his knees suddenly trembling as he wondered if he had somehow gotten himself into a situation he couldn't handle. But his gray eyes remained glued to the pointed thing that was covered by a red, silk blanket as it was wheeled onto the main floor of the bedroom. Abramo hesitated, gauging Taylor's expression, before slowly pulling the sheet from the metal contraption.

The Secrets Are Coming Out.... The deep link between Beth's family and Charlotte's mother has been found. But what are the shadows the past is casting on the present? ?And what is the connection to Charlotte's old enemy, Klempner? A Tale of BDSM Ménage Erotic Romance and Suspense.... I so admire writers who can create these great stories so that the characters seem real to the reader. You are definitely one of "them...."

PRIDE AND PUNISHMENT is an erotic retelling of a Jane Austen classic. Characters that you thought you knew...well, they're ready to reveal their secret selves. Mr. Darcy is a Dominant. Miss Elizabeth Bennet is submissive. Jane Bennet might be the only "handsome" woman in Meryton, but puppy-like Charles Bingley needs a Mistress. Mr. Darcy doesn't think Jane has what it takes and separates the couple. His growing lust leads Mr. Darcy to confess his desire to dominate Miss Elizabeth - a proposition that she mistakes for a proposal. Already accused of less-than-gentlemanlike behavior, Darcy must find a way to win the submissive heart of a woman who abhors him. Described as "Pride and Prejudice meets 50 Shades of Grey," Pride and Punishment is not your mother's Austen. This is a deliciously different BDSM erotic romance written for ages 18+. The original dialogue has been kept intact when possible. Passages modified to fit this retelling are rife with subtext and laden with innuendo. The basic timeline is essentially the same as Pride and Prejudice, but the characters populating the pages now include Darcy's bisexual cousin Hugh, his dominant Aunt Catherine/Mistress Cat, his "little" cousin Anne, his submissive sister Georgiana, kinky defiler-of-virgins George Wickham, lesbian switch Caroline Bingley, and militiamen who see more action in their bunks than out. This erotic Regency romance includes MF relationships, MFM menage sexual congress, and BDSM activities and is written for adults only."

Living in a small dorm room makes keeping secrets difficult, and his roommate, David, eventually finds out about the nasty things Cameron is into. But it's Cameron's lucky day. Sort of. David and his girlfriend are looking for a third person to join them under the covers. If he does, a reward is certainly in order -- but not the type this naïve college student expects. 2. Ben's Dangerous, Sinful Meeting: Ben's had his eye on his best friend, Scott, for as long as he can remember. There are just a few minor problems: Scott's not gay and he's in a relationship. Who knew cable ties and a gag could spice things up so much? 3. Curiosity Got Me Drilled: In the deep recesses of Jason's mind -- a place he doesn't like to go -- are secrets that no one knows. But when his gay roommate, Brent, catches him tugging on his shaft to some questionable videos that most straight men wouldn't get off on, the floodgates open and the secrets pour out.
