Aurias and Ethan marry and go to live at the Golden Castle of Avalon, and their four children are Summer, Autumn, Winter, and Spring. *The Fleur-de-lis* is a collector's delight of the select works of poet Emily Isaacson. The naturalist has pulled back the veil of time, prompting reminiscence from medieval times to the present.

A new understanding of the man who changed the face of American politics William F. Buckley Jr. is widely regarded as the most influential American conservative writer, activist, and organizer in the postwar era. In this nuanced biography, Alvin Felzenberg sheds light on little-known aspects of Buckley's career, including his role as back-channel adviser to policy makers, his intimate friendship with both Ronald and Nancy Reagan, his changing views on civil rights, and his break with George W. Bush over the Iraq War. Felzenberg demonstrates how Buckley conveyed his message across multiple platforms and drew upon his vast network of contacts, his personal charm, his extraordinary wit, and his celebrity status to move the center of political gravity in the United States closer to his point of view. Including many rarely seen photographs, this account of one of the most compelling personalities of American politics will appeal to conservatives, liberals, and even the apolitical.

The Lion's Den (HB) By: Frank B. Atkinson *The Lion's Den* is essential reading for anyone whose confidence in American democracy has been shaken by recent events. There is plenty to discourage and alarm us these days; the supply of negative political role models, real and fictional, seems endless. Frank Atkinson leaves no doubt that we can do better and be better. Just in time, it seems, he arrives with some exemplary political characters, a powerfully uplifting story, and a summons to get to work restoring the ethic of principled citizenship and service that reflects the 'better angels of our nature' and offers hope for bringing Americans together again." - LARRY J. SABATO, Director, UVA Center for Politics *The Lion's Den* offers a prescription for American renewal at a time of eroding confidence in our political institutions and growing confusion about our national purpose. In Frank Atkinson's formulation, there are no quick fixes for our broken politics ... no easy cure for what ails our democracy. A republic's community spirit and capacity for constructive self-governance depend on a consensus about essential values and the active choice to practice, promote, and perpetuate those values. The ethic of principled citizenship and service that Atkinson considers indispensable for American renewal is not an inherited trait – like every ethic, it is a character requiring cultivation. And it is strongest when grounded in personal faith and integrity ... illuminated by hard-learned lessons from history and experience ... inspired by worthy human exemplars ... propelled by the optimistic pursuit of a "more perfect union" ... and kindled in a culture of mutual respect and forbearance guided by the "Golden Rule." No starry-eyed idealist, Frank Atkinson's major nonfiction works – *The Dynamic Dominion* and *Virginia in the Vanguard* – turned a candid lens on the hard-fought modern politics of his native state. In *The Lion's Den*, he offers a compelling fictional account of life in the political arena – at once a venue for selfless contribution and palace of selfish ambition. Inspired by timeless lessons from the Book of Daniel, Madison's vision of competition and compromise, and the colorful politics of his contemporary Commonwealth, Atkinson places his characters in a modern-day lion's den where they grapple with vexing moral and practical choices. But Atkinson's players find the grace to come together ... and, he suggests, so can we.

Year 2019: once again, the scholar Lucia Balleani and the archaeologist Andrea Franciolini will take us by the hand and guide us through the arcane mysteries of the Renaissance Jesi, among streets, alleys and palaces of a historical centre that, at the gates of the 1920s, begins to regurgitate from the underground ancient and important objects from past eras.

The archaeological excavations of Piazza Colocci will in fact reserve unexpected surprises in the eyes of the entire population of Jesi. We begin to follow the events of the characters of the sixteenth century through the discovery of ancient documents and archaeological finds by the young couple of researchers of our time. New winds of war will in fact lead the Captain of Arms of the Royal City of Jesi to the battlefields. After the first two episodes of the series "The Printer", here we are at the end, the last episode of the saga dedicated to the Renaissance Jesi. We left Andrea almost at the point of death, helped by his beloved, hidden in disguise. The plot has moved to Urbino, but certainly our two heroes, Andrea Franciolini and Lucia Baldeschi, will have to return to Jesi to fulfill their dream of love. The wedding will have to be a festive and opulent event, and will have to be celebrated by the Bishop of the City of Jesi, Monsignor Piersimone Ghislieri. But are we sure that obscure plots, of destiny and of men, will not be able to hinder for the umpteenth time the union between Andrea and Lucia? The two lovers have found each other again, and for nothing in the world would they want to leave each other again. Andrea finally wants to be a father to his little girl, Laura and, why not, to Lucia's adopted daughter, Anna. The girls are fantastic, they are growing up healthy and lively in the country residence of the Counts Baldeschi, and Andrea is enjoying their closeness. But winds of war will once again lead the Captain of Arms of the Royal City of Jesi to the battlefields. And soon to leave the peace and quiet regained. The Lansquenets press the gates of northern Italy and the Duke of Oak, in a strange alliance with Giovanni De' Medici, better known as Giovanni Dalle Bande Nere, will do his best to prevent German soldiers from reaching Florence and even Rome. Avoiding the sacking of the Eternal City in 1527 will not be an easy task, neither for the Duke Della Rovere, nor for Giovanni dalle Bande Nere, nor for Captain Franciolino de' Franciolini. Let us once again follow the events of the characters of the sixteenth century through the discoveries of ancient documents and archaeological finds of the young couple of researchers of our time. Once again, the scholar Lucia Balleani and the archaeologist Andrea Franciolini will take us by the hand and guide us through the arcane mysteries of the Renaissance Jesi, among streets, alleys and palaces of an old town centre that, at the gates of the 1920s, begins to regurgitate from the underground ancient and important objects from past eras. The Lion's Roar of Queen Srimala, or Sri-mala-sutra, became the Mahayana scripture preeminent for teaching that all sentient beings have the potentiality of Buddhahood. It was an inspiration for both the Lankavatara-sutra and the Chinese classic Awakening of Faith. The translators present evidence that it was composed in the Andhra region of South India in the third century A.D. Thereafter it had remarkable success in China, and through Korea entered into the beginnings of Buddhism in Japan, where it has been important up to the present time. This, the first complete rendering of the scripture into a western language, utilizes all the known Sanskrit fragments, the Tibetan, the two Chinese versions and the Japanese renditions, Chinese and Japanese commentaries, and various studies in Japanese.
