Roman's not like the other King souls in Primitus, he knows that. He thinks about things other than survival, like why the sun no longer sets or rises. He questions the strict laws and beliefs they are forced to live under. And he doesn't buy the official narrative about what happened to the world, why there's nothing left but suffering and death--that it's all Eve's fault. Chosen to lead a special operation, from Primitus to Antiquus and back again, the strange journey turns into an unexpected rabbit hole of answers. He discovers he's in the last epoch, living in what's left of the third dimension, a dimension that's collapsing. And that there's a higher dimension, called Aquarius. He must get to Aquarius, to Eve, and bring the rest of humanity with him. But first, he needs to learn what's creating this reality and why he's still in it. He'll need to unravel the secrets of existence, and the mysteries of the universe. The fate of humanity depends on it.

The Oldest Soul - Aquarius

“HONEY GIRL is an emotional, heartfelt, charming debut, and I loved every moment of it.” — Jasmine Guillory, New York Times bestselling author of *The Proposal* With her newly completed PhD in astronomy in hand, twenty-eight-year-old Grace Porter goes on a girls' trip to Vegas to celebrate. She's a straight A, work-through-the-summer certified high achiever. She is not the kind of person who goes to Vegas and gets drunkenly married to a woman whose name she doesn't know...until she does exactly that. This one moment of departure from her stern ex-military father's plans for her life has Grace wondering why she doesn't feel more fulfilled from completing her degree. Staggering under the weight of her parent's expectations, a struggling job market and feelings of burnout, Grace flees her home in Portland for a summer in New York with the wife she barely knows. In New York, she's able to ignore all the constant questions about her future plans and falls hard for her creative and beautiful wife, Yuki Yamamoto. But when reality comes crashing in, Grace must face what she's been running from all along—the fears that make us human, the family scars that need to heal and the longing for connection, especially when navigating the messiness of adulthood.

The winner of the Man Booker Prize, this "expertly written, perfectly constructed" bestseller (*The Guardian*) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping,

banking, and gold rush boom and bust, *The Luminaries* is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.

The Age of Aquarius starts off the seventh historical Millennium of our Creator God, His symbolic "day of rest," His Sabbath. Encoded in the circle of the Zodiac, is a story of a Redeemer, the Redemption, and the Redeemed; as the Zodiac intimately reflects Bible prophecy and is in complete accordance with prophecies of the ancient Patriarchs and Prophets. The sixties saw massive shifts in consciousness as a higher authority was setting the stage for "The Coming." Camelot was meant to fall, with the 5th Dimension singing background, as Petula sings curious lyrics to a "distant love" while Target changed its logo of 6 elements to that of 3 in preparation. The wizard then created it's polar 6 in the hills of OZark, and egos shop as if nothing approaches. The "Inconvenient Truth" of climate change is however, an allegory of Earth changes as we enter new energy fields as we align at the plane of galactic center, ushering the death of 3-D Iron. The smoke in the shape of a galaxy on its cover speak to the aware, confirming it to be an Alaôr , along with Al's assertion that he took the initiative in creating the Internet, as it too is an allegory for the coming Aquarian awareness. "The weather, very peculiar, Don't you think?" Like a Bronze Phoenix, the organic 5D NWO will "Spring" from the wintry rubble of rust, with its 4 letters, that was the dark polarities "mechanized" nwo. This mystical setting is for my fellow Prodigals, "to whom it is given," who are waking up to the emptiness of their 3D Las Vegash folly here in the 7-11 School of Duality! As the new millennium began, the ultimate paradox was played out. Understated symbolism with an ironic twist, as a president tells his countrymen to go out and shop after 9-11 with wars planned, while Target, in contradiction, airs a television commercial that has nothing to do with shopping, but everything to do with our spiritual

advancement beyond this 3D setting. A logo and a thirty-second commercial that defy any explanation in terms of ordinary marketing. A divine message, seen by billions and “not seen”. If You have not retreated, then perhaps it is Your time to take this information and prepare. It is the easiest, and most Sirius, choice you will ever make to finally understand why, there will be a cleansing "Reckoning", and what cosmological purpose it serves with a "Final Judgement", which I had rejected until I discovered the purpose it serves, as a very precise program that oversees the development of new Stars and their Darker polar partners, within the expanding Cosmos. Learn the real meaning of 9-11 and 7-11, and why “The Fall” of Man, the Angels and Lucifer was preordained and had to occur for this “Polar” expansion. When you Know Yourself, you will understand your own “Arc” frequency and how to adjust it, making you the Master of your game! This was the “Ark” Noah was “building” to adjust and align his with the “higher frequency” of the next Age, discovering the Narrow Gate! Time has come to pay attention to the “invisible” Man behind the curtain and the real identity of the “visible” Lucifer and the real truth of the “Light-Bearer”, that was hidden from the children until the few were ready for adult concepts. Time to be aware of our Mother and know “You’ve always had the power”, and that no “evil” can steal your “sole”, Dorothy! The multitude of clue filled counterfeit current “events” point to This, Sign of the Times! Oh thank heaven for 7-11, as one play concludes, and your new front row seat to “A Star is Born”!

Growing up, I had one rule: stay away from my brother's best friend. It was easy to follow. I spent my years avoiding the boys on the baseball team, studying hard, and saving every dime I could. When I was accepted to transfer into UC Berkeley, I needed a place to live, and my brother had a free room off-campus. Win-win, right? Except that best friend I was determined to stay away from is now my new roommate. My very naughty, very rebellious roommate, Wesley Knight. The boy who was once the bane of my existence with his constant teasing is now a drop-dead gorgeous athlete. He's the life of the party, but I can't have fun. According to Wes, no guys are allowed to talk to me. Well, two can play at this game. If I can't date, then neither can he. It starts off as innocent fun. Some half-naked yoga or a little flirting until an interrupted moment of self-gratification turns things dangerous ... for my body and my heart. Living with my brother and his best friend has me breaking all the rules. I just have to decide if the consequences are worth the reward.
