Supernatural encounters are for everyone! God still speaks to his children today. Encounters can include visions, dreams, or a personal encounter, seeing Jesus himself. Each encounter brings revelation and transformation. Once the power of God is experienced, a person is never the same again. What is God speaking to you today? Spending time with Jesus brings about our transformation, which affects the world around us. This book will:

- Share supernatural encounters. Examples are given from the word of God and from personal experiences of my own.
- Mention a personal encounter with Jesus himself!
- Encourage the reader to answer the call of God on their life.

Queen Hadassah is the president of the Penny Harvest in her school. She has always collected millions of pennies in order to help those people who are less fortunate than herself. She wants all of the children in the world to experience the power of a penny. She has commissioned teachers and their students to collect pennies. The students in their local schools can do this great work of bringing liberation and true freedom to the peoples of the world.

The veil is lifted on the unholy events that took place in Africa that bound together the lives of Sir Malcolm and Sembene. On an expedition to seek the source of the Nile, they witnessed nightmarish scenes that left their mark forevermore... and revealed the power of the supernatural world.

Penny receives a surprise kind act from a stranger and is asked to travel the kindness. What happens next surprises her as she makes new friends and goes on to better the world all because of one kind act.

'Dee MacDonald's books are so heart-warming. They make you laugh-out-loud one minute, and then have you crying the next... they're really emotional and tug at the heart strings but are fun, life-affirming reads!' Stardust Book Reviews Tess and Orla have been best friends throughout most of their adult lives. So when life gave them lemons and their loved ones let them down, they pooled their resources and bought a dressmakers shop on the corner of Penny Lane. And they've been doing just fine ever since. But one day, while studying her tired eyes and shapeless figure in the mirror, sixty-two-year-old Tess realised that she doesn't want her life to be just fine anymore. She wants it to be extraordinary. For as long as she can remember she's put everyone else first. Now she wants to rediscover herself – and experience the kind of whirlwind adventure that will have the power make her smile when she's confined to the armchair of a retirement home. With the encouragement of fun-loving and quirky Orla, Tess joins an over-the-hill dating agency and the two friends book a singles cruise around the Mediterranean. And that's when their adventure of a lifetime really begins... A totally uplifting, heart-warming, hilarious page turner about embracing the moment, learning to love again and the joy of second chances. Perfect for fans of The Kicking the Bucket List and The Unlikely Pilgrimage of Harold Fry. What readers are saying about Dee MacDonald: 'OMG!... It made me howl with laughter and it made me sob my heart out... I absolutely adored every single step... had my jaw dropping!!... one of my favourite books of the year.' My Chestnut Reading Tree, 5 stars '5 Fabulously FUN Stars... such a delightful and fun book from first page to last!... An absolutely perfect summer read that I would strongly recommend to all!' Audio Killed the Bookmark, 5 stars 'I was laughing out loud... totally did not see the ending coming! WOWSERS! 5 stars for me!' Goodreads Reviewer, 5 stars 'Made me laugh and cry and laugh again, especially at the end. That was a little bit of genius!... beautifully written and the characters are lovingly drawn to make them come alive. I absolutely loved the ending, that really had me chuckling...' Goodreads Reviewer, 5 stars 'This is an adventure with a difference!... absolutely brilliant... I felt quite emotional... very touching and extremely poignant.... A thought-provoking, energetic, promising, and huggable read... another delightful treat from Dee MacDonald!' The Writing Garnet 'Delightful!... a wonderful summertime story!.. the fun begins NOW!... hilarious... love this story about strong women!' Escape With a Book, 5 stars 'A fabulous and entertaining read that I didn't want to end... a heart-warming and fun filled story that every woman should read. It's an uplifting story that makes you realise that you are never too old to go after what you want in life. Loved it.' Goodreads Reviewer, 5 stars 'Made me laugh out loud one minute and then hit me with an emotional bombshell the next... hilarious, delightfully different... warmed my soul...' My Chestnut Reading Tree 'Had me laughing out loud, getting emotional and taking the main character to heart... if I could give this book more than five stars, I would.' Goodreads reviewer, 5 stars

The last four books in the much-adored Penn Friends series: The Rage of Penny, The Joy of Penny, The Darkness In Penny and The Penny Black. Welcome to the world of Penny Black! She is no ordinary girl. "People told me that what I could do was a gift-my special secret-but you know what? It was a curse." You are about to enter a world like no other, from a seasoned novelist writing a new series under a new pen name. In this second Boxset, we conclude Season One of the adventures of Penny and her incredible powers. Each book asks its own question. This edition asks: Is doing the right thing always a victimless action? How does it feel to be truly known? How does it feel to be truly broken? Have you thought about death? Penny, as well as the readers, learns more and more about who she is, where she comes from and why she has powers--and maybe the biggest question of them all; is she alone? As Season One comes to a shocking conclusion, two worlds collide. Who and what will be able to walk away from the resulting chaos? Love for the series so far: Interesting read from the very start as the author takes you down the path of Penny's inner thoughts. Lays bare the human nature very well and in an unusual read. Not my normal genre but found it to be a great read. TH Paul through the voice of Penny herself and the narrator take us deep into the mind of an adolescent girl awakening to a power that is a true double-edged sword--a gift and a curse. The author paints clear pictures of her, her life, and those around her. At one moment we emphasize with her and the next we are appalled at her behaviour. The story arc covers a number of years. It is complete and gives closure, but still, leaves you wanting to know more about Penny Black. I found this very entertaining and starting reading the second volume in the series as soon as it was available. The book is quite different from previous ones by the same author (under the real name). In some respects, it is like reading a different author except for the ability to paint a vivid picture with the written word. This is a great novella. Once I started I had to keep on going until the end. I adore Penny Black. She is so completely flawed that she becomes extremely endearing, despite having a dark side. Loved the way that Nothing goes as

planned too. Some interesting moral dilemmas and a challenging look at the issue of revenge. The inconclusive end means I have to read the next one ... soon! T H Paul continues the saga of Penny and her powers. While the premise is about the powers that Penny has it is really exploring the thoughts and actions of this teenage girl as she works through the typical issues that confront teens. With her powers, she comes up with some atypical solutions. Good fast read!! I recommend that you read all the books in order so you can fully understand all that is happening in the story. The saga of Penny Black continues...even better than before - still limited by Amazon to only 5 Stars but obviously a best buy!

Come see how the everyday penny is transformed into a radiant symbol of hope and possibility! Let the penny inspire you to embrace positive American values, build character and take action to live like Abraham Lincoln did. Travel the path of a hero, using the penny to light the way! The Power of the Penny will spark and capture the minds and hearts of children of all ages. This book modernizes Abe Lincoln and the vision of the Founding Fathers, igniting a new generation of heroes. Included are penny practices and activities to think about and do. After reading this book, one will never see the penny the same way again!

A message of inspiration describes how, although we may feel small, insignificant, and unimportant at times, our lives make a difference in the world and how we can all be a part of something larger than ourselves. 15,000 first printing.

The first four books in the much-adored Penn Friends series: The Powers of Penny, The Parents of Penny, The Heart of Penny and The Dark Side of Penny. What would you do if you could do anything? Welcome to the world of Penny Black! She is no ordinary girl. "People told me that what I could do was a gift-my special secret-but you know what? It was a curse." You are about to enter a world like no other, from a seasoned novelist writing a new series under a new pen name. In this first Boxset, we open up the adventure of Penny and her incredible powers. Each book asks its own question. This edition asks: What does it feel like to see a friend succeed only to have them dump you? What's it like to live without your parents? What's it like to give your heart--but not your secret--to someone? Is revenge all it's cracked up to be? Penny has so much to learn; about who she is, about the world around her, about what lives inside her. She is a girl of amazing potential and extreme dangers. As you work through the series, you will be both rooting for her and shocked at her, but throughout will grow to love a girl simply dealt a bad hand and trying to make the best of it. In 1909, a teenager discovers the important connection of the brand new Abraham Lincoln penny to his family's ancestry. The penny becomes a sacred family heirloom and then a good luck charm. Later, it helps a World War II soldier find his mission in life. Farther down the line, it sparks a romance. One person learns that the color of a penny doesn't affect its value, and still another believes the penny has been sent to her from heaven. Tracking the story of a single penny and its effect on those whose lives it touches as it passes from hand to hand, The Power of a Penny shows us all the true value of a coin that is supposedly worth just one cent.

An Entertainment Weekly Top 10 Romance Author Laura Westcote is the only suitable candidate for the job as Russian tycoon Vasilii Demidov's secretary. He may be forced to hire Laura, but Vasilii is far too cynical ever to trust a woman—particularly one with such a dubious

reputation.... Desperate for work, Laura knows she must impress her cool and complex new boss. However, it's not the chillingly ruthless Russian's legendary reputation that terrifies her, but the magnetic power of her attraction to him! And when Laura realizes she's in terrible danger, she finds herself at Vasili's mercy....
