This final entry in Peacock's dark, romantic, paranormal suspense series pits friendship against survival, and trust against love. Ever since Mac's best friend, Amy, was murdered, Hemlock has been a dangerous place. But now that Mac, her boyfriend, Kyle, and Amy's ex, Jason, instigated a mass breakout from Thornhill, a werewolf "rehabilitation" camp, the danger has only grown. Fear of the infection spreading is now at an all-time high and anyone with a scar is suspected of being a wolf. What makes Mac even more afraid, though, are the dark experiments that the warden of Thornhill was performing on wolves in a secret asylum called Willowgrove. Uncovering the truth about what happened may be the only way for Mac to save everyone she loves and end her nightmares for good.

FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF BITTEN—NOW A SYFY SERIES From one of today's most original writers comes the mesmerizing tale of an exceptional young woman caught up in an otherworldly realm where some will stop at nothing to get what they want. Paige Winterbourne was always either too young or too rebellious to succeed her mother as leader of one of the world's most powerful elite organizations—the American Coven of Witches. Now that she is twenty-three and her mother is dead, the Elders can no longer deny her. But even Paige's wildest antics can't hold a candle to those of her new charge—an orphan who is all too willing to use her budding powers for evil...and evil is all too willing to claim her. For this girl is being pursued by a dark faction of the supernatural underworld. They are a vicious group who will do anything to woo the young, malleable, and extremely powerful neophyte,

including commit murder—and frame Paige for the crime. It's an initiation into adulthood, womanhood, and the brutal side of magic that Paige will have to do everything within her power to make sure they both survive.

Readers around the world have fallen for Kelley Armstrong's intoxicating, sensual and wicked tales of the paranormal, in which demons and witches, werewolves and vampires collide – often hilariously, sometimes violently – with everyday life. In Armstrong's first six novels, Elena, Paige and Eve have had their way with us. Now get ready for Jaime Vegas, the luscious, lovelorn and haunted necromancer. . . Jaime, who knows a thing or two about showbiz, is on a television shoot in Los Angeles when weird things start to happen. As a woman whose special talent is raising the dead, her threshold for weirdness is pretty high: she's used to not only seeing dead people but hearing them speak to her in very emphatic terms. But for the first time in her life – as invisible hands brush her skin, unintelligible fragments of words are whispered into her ears, and beings move just at the corner of her eye—she knows what humans mean when they talk about being haunted. She is determined to get to the bottom of these manifestations, but as she sets out to solve the mystery she has no idea how scary her investigation will get, or to what depths ordinary humans will sink in their attempts to gain supernatural powers. As she digs into the dark underside of Los Angeles, she'll need as much Otherworld help as she can get in order to survive, calling on her personal angel, Eve, and Hope, the well-meaning chaos demon. Jeremy, the alpha werewolf, is also by her side offering protection. And, Jaime hopes, maybe a little more than that. "As I knelt on the cobblestones to begin the ritual, I opened not some ancient leather pouch, but a Gucci make-up bag. . . . I know little about the geography and theology of the afterlife, but I do know that the worst spirits are kept secured, and my risk of "accidentally" tapping into a hell dimension is next to nil. Even if I do bring back some depraved killer's spirit, what can it do to me? When you deprive someone of the ability to act in the living world, he's pretty darned helpless. In death, even the worst killer plummets from lethal to merely annoying. Yet whatever had been trying to contact me apparently could cross that barrier, could act in the living world. . .at least on me. I added an extra helping of vervain to the censer." —from *No Humans Involved*

Welcome to Shadow Falls, nestled deep in the woods of a town called Fallen... Kylie Galen has never felt normal. One night she finds herself at the wrong party, with the wrong people, and it changes her life forever. Her mother ships her off to Shadow Falls—a camp for troubled teens—but within hours of arriving, it becomes clear that her fellow campers aren't "troubled." Here at Shadow Falls, vampires, werewolves, shapeshifters, witches and fairies train side by side—learning to harness their powers, control their magic, and live in the normal world. They insist Kylie is one of them, and that she was brought to Shadow Falls for a reason. As if life wasn't complicated enough, enter Derek and Lucas. Derek's a half Fae who's determined to be her boyfriend, and Lucas is a brooding werewolf with whom Kylie shares a secret past. Both Derek and Lucas couldn't be more different, but they both have a powerful hold on her heart. Even though Kylie is uncertain about everything, she starts to realize that Shadow Falls is exactly where she belongs... Don't miss this spectacular, New York Times bestselling, young adult paranormal romance series from C. C. Hunter! Born at Midnight will steal your heart and haunt your dreams.

"In the final book of the Books of Beginning trilogy, Kate and Michael must help the magical world prepare for the final war against the Dire Magnus, while Emma must travel to find the final book--the Book of the Dead"--

After spending time in London negotiating with the British pack, Elena Michaels returns home to discover that one of her eight-year-old twins has disappeared, and a former psychotic pack member may be the culprit.

A riveting stand-alone short story from bestselling author Kelley Armstrong. Kat is a sixteen-year-old vampire, and she's not too happy about it. After an experiment-gone-wrong and a bullet to the heart, she now hungers for human blood, and the worst part about that is the guilt. But guilt isn't the only thing stressing her. Kat is being hunted by the Edison Group, a dangerous Cabal that is responsible for her undead state. Kat is running out of places to hide, and she has no one to turn to—until she meets Chad and Neil. They're on the run like she is, and they offer to help Kat against their common enemy. But the boys aren't all that they seem, and for Kat, deciding whether to trust them may be a matter of life or death. Set in the world of Kelley Armstrong's New York Times bestselling Darkest Powers and Darkness Rising series, "Hunting Kat" will leave you on the edge of your seat and thirsting for more.

Step into the world of Shadow Falls, a camp that helps teens tap into their special...talents. Once you visit, you'll never forget it—and you'll never, ever be the same. From the moment Kylie Galen arrived at Shadow Falls Camp, she's had one burning question: What am I? Surrounded by vampires, werewolves, shape-shifters, fairies and witches, Kylie longs to figure out her own supernatural identity...and what her burgeoning powers mean. And now she'll need them more than ever, because she's being haunted by a new spirit who insists that someone Kylie knows—and loves—will die before the end of the summer. If only she only knew who she was supposed to save. And how... But giving Kylie the most trouble is her aching heart. Gorgeous werewolf Lucas left camp with another girl, but he's still visiting Kylie in her dreams. And Derek, a sexy half Fae who's always been there for her when she needed him, is pushing to get more serious—and growing impatient, especially when Lucas returns. Kylie knows she needs to decide between the boys, and it's tearing her up inside. Yet romance will have to wait, because something from the dark side of the supernatural world is hiding in Shadow Falls. It's about to threaten everything she holds dear...and bring her closer to her destiny. Awake at Dawn is the second installment in C.C. Hunter's young adult fantasy series. On the heels of the wildly popular "The Darkest Powers" series comes the first in another supernatural YA trilogy from New York Times bestselling author Kelley Armstrong. Maya lives in a small medical-research town on Vancouver Island. How small? You can't find it on the map. It has less than two-hundred people, and her school has only sixty-eight students — for every grade from kindergarten to twelve. Now, strange things are happening in this claustrophobic town, and Maya's determined to get to the bottom of them. First, the captain of the swim team drowns mysteriously in the middle of a calm lake. A year later, mountain lions start appearing around Maya's home, and they won't go away. Her best friend, Daniel, starts getting negative vibes from certain people and things. It doesn't help that the new bad boy in town, Rafe, has a dangerous secret — and he's interested in one special part of Maya's anatomy: Her paw-print birthmark.

Only two weeks ago, life was all too predictable. But that was before I saw my first ghost. Now along with my supernatural friends Tori, Derek, and Simon, I'm on the run from the Edison Group, which genetically altered us as part of their sinister experiment. We're hiding in a safe house that might not be as safe as it seems. We'll be gone soon anyway, back to rescue those we'd left behind and take out the Edison Group . . . or so we hope.

The first Harper Connelly mystery from #1 New York Times bestselling author Charlaine Harris! Harper Connelly has what you might call a strange job: she finds dead people. She can

sense the final location of a person who's passed, and share their very last moment. Harper and her stepbrother Tolliver are experts at getting in, getting paid, and then getting out of town fast—because the people who hire Harper have a funny habit of not really wanting to know what she has to tell them. At first, the little Ozarks town of Sarne seems like no exception. A teenage girl has gone missing, but the secrets of her death—and the secrets of the town—are deep enough that even Harper's special ability can't uncover them. With hostility welling up all around them, she and Tolliver would like nothing better than to be on their way. But then another woman is murdered. And the killer's not finished yet...

The heart-stopping final book in the Darkness Rising trilogy, from New York Times-bestselling author Kelley Armstrong! Things are getting desperate for Maya and her friends. Hunted by two powerful Cabals, they're quickly running out of places to hide. And with the whole world thinking they died in a helicopter crash, they can't simply go to the authorities for help. All they have is the name and number of someone who might be able to give them a few answers. Answers to why they're so valuable to the Cabals, and why their supernatural powers are getting more out of control. Maya is unprepared for the truths that await her, but she'll have to face them if she ever hopes to move on with her life. Because she can't keep running forever. With all the twists, thrills, and romance that have made Kelley Armstrong an international bestseller--plus the surprising return of some favourite characters--The Rising will keep you under its spell long after the last page is turned.

Fifteen-year-old Chloe, a necromancer, struggles to understand her feelings for werewolf Derek and his sorcerer brother, Simon, while seeking a way to enter the headquarters of the sinister Edison Group and rescue her aunt Lauren and friend Rachelle.

This extended-length anthology of novellas and short fiction complements the Darkest Powers and Darkness Rising trilogies, adding new dimensions to the characters and extending their stories beyond the series. Dangerous returns to Derek and Simon's past and tells how they came to be at Lyle House. Divided continues Derek's story, filling in his adventures with Simon while separated from Chloe. In Disenchanted, Tori takes center stage as she travels with Simon after Chloe and Derek go missing. In Facing Facts, Chloe helps Tori deal with the truth about her parents. Derek faces family issues of his own in Belonging, when his werewolf clan comes to claim him. The New Guy and The Invitation switch over to the Darkness Rising trilogy, giving a peek into the lives of Maya, Daniel and Rafe before their world is upended. Everyone comes together for Atoning, set after the two groups of teens have converged and face a new adventure in their lives together.

Casey Duncan is a homicide detective with a secret: when she was in college, she killed a man. She was never caught, but he was the grandson of a mobster and she knows that someday this crime will catch up to her. Casey's best friend, Diana, is on the run from a violent, abusive ex-husband. When Diana's husband finds her, and Casey herself is attacked shortly after, Casey knows it's time for the two of them to disappear again. Diana has heard of a town made for people like her, a town that takes in people on the run who want to shed their old lives. You must apply to live in Rockton and if you're accepted, it means walking away entirely from your old life, and living off the grid in the wilds of Canada: no cell phones, no Internet, no mail, no computers, very little electricity, and no way of getting in or out without the town council's approval. As a murderer, Casey isn't a good candidate, but she has something they want: She's a homicide detective, and Rockton has just had its first real murder. She and Diana are in. However, soon after arriving, Casey realizes that the identity of a murderer isn't the only secret Rockton is hiding—in fact, she starts to wonder if she and Diana might be in even more danger in Rockton than they were in their old lives. An edgy, gripping crime novel from bestselling urban fantasy writer Kelley Armstrong, *City of the Lost* boldly

announces a major new player in the crime fiction world.

An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, *Bitten* will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

Globe and Mail and New York Times bestselling author Kelley Armstrong follows *No Humans Involved* with a new, sexy, action-packed, *Women of the Otherworld* novel featuring a wickedly beautiful, supernaturally gifted heroine who may love danger a bit too much. Sending readers into a dazzlingly entertaining world of danger, vice and romance, Kelley Armstrong's phenomenal *Women of the Otherworld* novels mark her as a trailblazer of paranormal romantic suspense. Hope Adams, tabloid journalist and half-demon, looks like a Bollywood princess. Like full demons, she gets an almost sexual rush from danger and chaos—in fact, she thrives on it. But she is determined to use her gifts for good. When the head of the powerful Cortez Cabal calls in an old debt and asks her to infiltrate a Miami gang of bored, rich, troublemaking supernaturals, she can't resist the excitement. As she becomes dangerously entangled in the plot she has no choice but to turn to her crooked werewolf ex-boyfriend, and the heir to the Cortez Cabal, for help. In typical Kelley Armstrong fashion, *Personal Demon* takes the reader on an energetic ride through the supernatural world and the human one, bringing them together to create one huge devilish adventure.

Summer camp is a traditional teenage rite of passage, but when you add supernatural powers to the typically high dosage of adolescent hormones – you get an even more combustible mix. Sixteen-year-old werewolf twins Kate and Logan Danvers are none too thrilled at being shipped off to a supernatural youth leadership conference in West Virginia. From the moment they arrive at the camp, the twins sense something is off and they react in their usual manner – Logan reserving judgement and surveying the setup, while Kate charges forward determined to get answers. Kate and Logan quickly ascertain that most of the conference attendees have already formed hostile factions, leaving the twins and a few other misfits to band together. What seems like teen hormones in overdrive becomes something much more dangerous, even deadly. Add in a strange magic-warded cabin in the woods and a local history rife with curses and macabre legends, and it becomes clear this was a really, really bad place to build a camp for teenage supernaturals.

On the heels of the wildly popular *The Gathering* comes the second in the "Darkness

Rising" YA trilogy from NYT bestselling author Kelley Armstrong. Maya Delaney's paw-print birthmark is the mark of what she truly is--a skin-walker. She can run faster, climb higher, and see better than nearly everyone else. Experiencing intense connections with the animals that roam the woods outside her home, Maya knows it's only a matter of time before she's able to Shift and become one of them. And she believes there may be others in her small town with surprising talents. Now, Maya and her friends have been forced to flee from their homes during a forest fire they suspect was deliberately set. Then they're kidnapped, and after a chilling helicopter crash, they find themselves in the Vancouver Island wilderness with nothing but their extraordinary abilities to help them get back home.

Book II in the Darkest Powers trilogy takes us deeper into a world where the supernatural intrudes on the everyday with riveting effect. If you had met me a few weeks ago, you probably would have described me as an average teenage girl – someone normal. Now my life has changed forever and I'm as far away from normal as it gets. A living science experiment – not only can I see ghosts, but I was genetically altered by a group of people who call themselves The Edison Group. What does that mean? For starters, I'm a teenage necromancer whose powers are out of control: I raise the dead without even trying. Trust me, that is not a power you want to have. Ever. I'm running for my life with three of my supernatural friends – a charming sorcerer, a cynical werewolf, and a disgruntled witch – and we have to find someone who can help us gain our freedom back before The Edison Group finds us first. Or die trying.

The exciting, page-turning LAST episode of Kelley Armstrong's acclaimed, bestselling Women of the Otherworld series! Savannah Levine, a young witch of remarkable power and a dangerous pedigree, staggers away from a bomb blast in New Orleans, glad that she's managed to rescue her half-brother Bryce from the supernatural revolutionaries who'd held him captive. But everyone and everything she holds dear is still at risk. The reveal movement has shaken the Otherworld to its core and the resulting chaos has thinned the boundaries between dimensions, allowing creatures of the deeper realms to break through and wreak havoc on supernaturals but also on innocent humans.

Although she's been temporarily stripped her of her powers, Savannah knows she has a crucial part to play in this war of survival. In fact the fate of her loved ones--of Adam, the friend she hopes will become a lover; of Paige and Lucas, her guardians; of the werewolf Pack and Jaime Vegas; of a pregnant Hope; of her brothers Sean and Bryce--and of the human world rests on her shoulders. If she can find the way and the will to defend them. Only in the final battle will Savannah find out her true capacities, and what love will drive her to do. In 13, Kelley Armstrong brings her powerful and unique saga to a deeply satisfying end: thrilling, surprising and harrowing.

Escape into this time travel romance series by #1 New York Times bestselling fantasy author Kelley Armstrong... Thorne Manor has always been haunted...and it has always haunted Bronwyn Dale. As a young girl, Bronwyn could pass through a time slip in her great-aunt's house, where she visited William Thorne, a boy her own age, born two centuries earlier. After a family tragedy, the house was shuttered and Bronwyn was convinced that William existed only in her imagination. Now, twenty years later Bronwyn inherits Thorne Manor. And when she returns, William is waiting. William Thorne is no longer the boy she remembers. He's a difficult and tempestuous man, his own life

marred by tragedy and a scandal that had him retreating to self-imposed exile in his beloved moors. He's also none too pleased with Bronwyn for abandoning him all those years ago. As their friendship rekindles and sparks into something more, Bronwyn must also deal with ghosts in the present version of the house. Soon she realizes they are linked to William and the secret scandal that drove him back to Thorne Manor. To build a future, Bronwyn must confront the past. * * * * * Keywords: award-winning novel; time travel novel; time slip; Victorian romance; bestselling author; gothic; second chance at love; cold-case mystery; haunted house; Yorkshire moors; first in series; no cliffhangers

The gripping finale to the New York Times bestselling Darkest Powers trilogy! In the end, there's always a reckoning. Chloe Saunders's life is not what you would call normal. First of all, she can't figure out how she feels about a certain antisocial werewolf or his charming brother—who just happens to be a sorcerer. Then there's the fact that she's running for her life from an evil corporation that's trying to kill her and her supernatural friends. And finally, she's a genetically altered necromancer who can raise the dead, rotting corpses and all, without even trying. Not normal. But Chloe has a plan. And the end is very near.

Kelley Armstrong's New York Times bestselling Darkest Powers trilogy is collected here for the first time! The Summoning: Chloe is locked up in Lyle House, a "special home" for troubled teens. Yet the home isn't what it seems. There is definitely more to Chloe's housemates than meets the eye. The question is, whose side are they on? It's up to her to figure out the dangerous secrets behind Lyle House . . . before its skeletons come back to haunt her. The Awakening: Chloe Saunders is a living science experiment--not only can she see ghosts, but she was genetically altered by a sinister organization called the Edison Group. She's a teenage necromancer whose powers are out of control, which means she can raise the dead without even trying. Now Chloe's running for her life with three of her supernatural friends--a charming sorcerer, a cynical werewolf, and a disgruntled witch--and they have to find someone who can help them before the Edison Group catches them. The Reckoning: Chloe Saunders's life is not what you would call normal. First of all, she can't figure out how she feels about a certain antisocial werewolf or his charming brother--who just happens to be a sorcerer. Then there's the fact that she's running for her life from an evil corporation that's trying to kill her and her supernatural friends. And finally, she's a genetically altered necromancer who can raise the dead, rotting corpses and all, without even trying. But Chloe has a plan. And the end is very near.

Kelley Armstrong's New York Times bestselling Darkness Rising trilogy is collected here for the first time! The Gathering: Strange things are happening in Maya's tiny Vancouver Island town. First, her friend Serena, the captain of the swim team, drowns mysteriously in the middle of a calm lake. Then, one year later, mountain lions are spotted rather frequently around Maya's home—and her reactions to them are somewhat . . . unexpected. It doesn't help that the new bad boy in town, Rafe, has a dangerous secret, and he's interested in one special part of Maya's anatomy—her paw-print birthmark. The Calling: Now Maya and her friends have been forced to flee from

their homes during a forest fire they suspect was deliberately set. Then they're kidnapped, and after a chilling helicopter crash, they find themselves in the Vancouver Island wilderness with nothing but their extraordinary abilities to help them get back home. The Rising: All Maya and her friends have is the name and number of someone who might be able to give them a few answers. Answers to why they're so valuable, and why their supernatural powers are getting more and more out of control. But Maya is unprepared for the truths that await her. And like it or not, she'll have to face down some demons from her past if she ever hopes to move on with her life

Seduced by the Secret Circle, a coven of young witches whose power has controlled New Salem for three hundred years, Cassie falls hopelessly in love with the leader's boyfriend and falls prey to dark powers

"A strong . . . new trilogy, invoking just a little Harry Potter and Series of Unfortunate Events along the way."—Realms of Fantasy Siblings Kate, Michael, and Emma have been in one orphanage after another for the last ten years, passed along like lost baggage. Yet these unwanted children are more remarkable than they could possibly imagine. Ripped from their parents as babies, they are being protected from a horrible evil of devastating power, an evil they know nothing about. Until now. Before long, Kate, Michael, and Emma are on a journey through time to dangerous and secret corners of the world . . . a journey of allies and enemies, of magic and mayhem. And—if an ancient prophecy is true—what they do can change history, and it's up to them to set things right. "A new Narnia for the tween set."—The New York Times "[A] fast-paced, fully imagined fantasy."—Publishers Weekly "Echoes of other popular fantasy series, from "Harry Potter" to the "Narnia" books, are easily found, but debut author Stephens has created a new and appealing read . . ."—School Library Journal, Starred Review After the tumultuous events of last winter, Kate, Michael, and Emma long to continue the hunt for their missing parents. But they themselves are now in great danger, and so the wizard Stanislaus Pym hides the children at the Edgar Allan Poe Home for Hopeless and Incurable Orphans. There, he says, they will be safe. How wrong he is. The children are soon discovered by their enemies, and a frantic chase sends Kate a hundred years into the past, to a perilous, enchanted New York City. Searching for a way back to her brother and sister, she meets a mysterious boy whose fate is intricately—and dangerously—tied to her own. Meanwhile, Michael and Emma have set off to find the second of the Books of Beginning. The second book in a big, breathtaking new trilogy that blends fantasy, romance, horror, and pulse-pounding action, from #1 New York Times bestselling author Kelley Armstrong. Sisters Moria and Ashyn are the Keeper and Seeker of Edgewood. Or at least, they were. Their village is gone. Their friends have betrayed them. And now, they are all but prisoners in court, forced to watch and wait while the Emperor decides whether to help the children of Edgewood, who remain hostages of the treacherous Alvar Kitsune. But when the emperor finally sends the girls on a mission to rescue the children--accompanied by Prince Tyrus and a small band of men--the journey proves more perilous than any of them could have imagined. With lies and unrest mounting in the empire, Moria and Ashyn will have to draw on every bit of influence and power they possess to unite their people and avert an all-out war.

Picking up where the New York Times bestselling *Front Row at the Trump Show* left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump’s leaving the White House—from ABC News’ chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump’s rise in the New York Times bestseller *Front Row at the Trump Show*. Now he tells the story of Trump’s downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

For Kate and Logan Danvers, sixteen-year-old twins of the werewolf Alpha, nothing could ruin a summer faster than the words “supernatural teen leadership conference.” They expected a boring week of earnest political discussions and team-building exercises. Instead, in *Wolf’s Bane*, they got a crash-course in real-life leadership, when the camp imploded and the twins and their new friends fled into the West Virginia forest. Now, in *Wolf’s Curse*, the group has taken refuge in a magically warded cabin only to discover that they might have been safer taking their chances with the demon outside. Trapped in a dark witch’s sanctuary, surrounded by hell hounds, the twins will need to hone their leader and team building skills fast. There are battles to be waged and mysteries to be solved. Friendships to be forged in conflict and lost in betrayal. Even romances spark to life amid the turmoil. It might not be the way Kate and Logan expected to spend their week, but it will certainly be a summer camp to remember.

Blindsided by an attack that destroys her home and blamed for murder, Karolina Dalca, a half-vampire, escapes, only to plunge into the magical societies from which she was sheltered. Betrayed by those around her, she abandons her dreams of becoming an investigator and flees, trusting only herself. Her police internship would never prove more useful. Hoofing it through the wilderness, she makes it to her university dorm, disheveled but delightfully deflowered. Enter a full vampire: one wielding dark magic and a ride out of Canada. A fugitive from the law, Karo complies with his demands to escape, unsure whether his requests are bewitched. She vows to clear her name and avenge her mother's death, but Karo's family secrets aren't so easily left behind.

In this breathtaking final book in her epic trilogy, *The Age of Legends*, #1 New York Times bestselling author Kelley Armstrong blends fantasy, action and romance to give readers the unforgettable ending they've been waiting for. The empire rests on the edge of a knife, and sisters Ashyn and Moria are the handle and the blade. Desperate to outmaneuver the evil Alvar Kitsune, whose hold on the people grows stronger every day, Emperor Tatsu begs Moria to put aside past grievances and ally with Gavril--at least long enough to make an attempt on Alvar's life. Meanwhile, reunited with her long-lost grandfather, Ashyn discovers that she is the key to a ritual that could reawaken an ancient dragon and turn the tide of the coming battle in their favour. But with lies and betrayal lurking around every corner, Ashyn and Moria will have to decide once and for all where their allegiances lie. And it may not be where their hearts would lead them.

Following the epic conclusion of her internationally bestselling *Women of the Otherworld* series, Kelley Armstrong launches a brand-new series set in Cainsville, a small town as spookily fascinating as Stephen King's *Castle Rock* or Dean Koontz's *Moonlight Bay*. Olivia Taylor Jones, 24, seems to have the perfect life. The only daughter of a wealthy Chicago family, she has an Ivy League education, pursues volunteerism and philanthropy, and is engaged to a handsome young tech-firm CEO with political ambitions. But Olivia's world is shattered when she finds out that she's adopted. Her real parents? Todd and Pamela Larsen, notorious serial killers, each still serving a life sentence. The news brings a maelstrom of unwanted publicity to her adopted family and fiancé, and Olivia thinks the best thing she can do for herself and for them is run away from it all. She ends up in the small town of Cainsville, Illinois, an old and cloistered community that takes a particular interest in both Olivia and her decision to uncover the truth about her birth parents. Olivia decides to focus on the Larsens' last crime, the one Pamela Larsen swears will prove their innocence. But as she and Gabriel Walsh, Pamela's former lawyer, start investigating, Olivia finds herself drawing on abilities that have remained hidden since her childhood, gifts that make her both a valuable addition to Cainsville and deeply vulnerable to unknown enemies. There are dark secrets behind her new home, and powers lurking in the shadows that have their own plans for her. When Alexis's little sister Kasey becomes obsessed with an antique doll, Alexis

thinks she is just being her usual weird self. Things get weirder, though, when their house starts changing. Doors open and close by themselves; water boils on the unlit stove; and an unplugged air conditioner blasts cold air. Kasey is changing, too. Her blue eyes go green, she starts using old-fashioned language, and she forgets chunks of time.
