We inhabit a time of crisis—totalitarianism, environmental collapse, and the unquestioned rule of neoliberal capitalism. Philosopher Jean Vioulac is invested in and worried by all of this, but his main concern lies with how these phenomena all represent a crisis within—and a threat to—thinking itself. In his first book to be translated into English, Vioulac radicalizes Heidegger's understanding of truth as disclosure through the notion of truth as apocalypse. This "apocalypse of truth" works as an unveiling that reveals both the finitude and mystery of truth, allowing a full confrontation with truth-as-absence. Engaging with Heidegger, Marx, and St. Paul, as well as contemporary figures including Giorgio Agamben, Alain Badiou, and Slavoj Žižek, Vioulac's book presents a subtle, masterful exposition of his analysis before culminating in a powerful vision of "the abyss of the deity." Here, Vioulac articulates a portrait of Christianity as a religion of mourning, waiting for a god who has already passed by, a form of ever-present eschatology whose end has always already taken place. With a preface by Jean-Luc Marion, *Apocalypse of Truth* presents a major contemporary French thinker to English-speaking audiences for the first time.

Islam is a religion that inculcates the importance of being loyal to the country in which one lives. Hazrat Mirza Ghulam Ahmad, peace be upon him, the Promised Messiah and Mahdi, and Founder of the Ahmadiyya Muslim Community, always taught the same to his followers. However, Maulvi Muhammad Husain of Batala, a staunch opponent, sought to defame the author by sending false reports to the government alleging that the Promised Messiah, peace be upon him, was a man who secretly conspired against the state. Against this backdrop, the author was moved to pen this treatise, in which he outlines his own family background and the long-standing services of his family in support of the British government. He also presents a succinct summary of the teachings of his community. Moreover, the author explains that Muslims who believe in the return of a violent Mahdi who would forcibly convert the world to Islam could not be further from the truth.

What Woman Would Willingly Move to Afghanistan? No woman in her right mind would choose to live in war-ravaged, male-dominated Afghanistan unless she had the golden opportunity to lead the best school in the country. The how, when, and why make for a captivating and insightful story. Unveiled Truth pulls back the curtain of distant cultures and reveals the challenge of overseas living. With humor and transparency, Gail shares dramatic scenes from her seven years in Kabul and unveils the lessons she learned. Mortar blasts, campus lockdowns, work disputes, cultural restrictions, and the lack of daily conveniences are some of the many challenges she faced. Though her time in Afghanistan proved difficult, Gail chose to stay, hoping to improve the lives of young people caught up in a treacherous world. In this book, Gail encourages us to view Afghan culture in a new light, teaches us what she learned about responding to personal failures and relational difficulties, and inspires us to give of ourselves, so that in the process, we too can be irrevocably changed, just as Kabul forever changed her for the better. Dr. Buckley skillfully explores many of the "hidden" but powerful prophecies in the Bible. For example, he points to a prophecy in Isaiah 18 that states that a third temple will be built in Jerusalem. Referring to the story in the Book of Esther he points to a prophecy about hanging the ten sons of Haman after they had already been killed. He believes that the execution of ten top Nazis following the Nuremberg trials fulfilled that prophecy. On another subject, did you know that Satan, before his alienation from God, had a home on the planet Rahab, which was the fifth planet from the Sun in our solar system? As a result of the "war in heaven" God destroyed this planet and its remains form the asteroid belt that circles that region of the heavens. The destruction of Rahad is recorded in the Bible. His very clear Biblical exposition defangs some cherished doctrinal issues such as dispensationalism, dual covenant, restoration of Israel to its homeland, and the rapture. This book offers a fresh perspective on the Bible. John W. Buckley attended the University of Washington where he received an MBA (1962) and Ph.D. (1964). He then served as a professor at the University of California, Los Angeles (UCLA) for thirty-five years. During those years, he authored fourteen books and monographs. His father, Edward Alexander Buckley, was a deeply spiritual man who instilled in John an abiding belief in the Bible as being the inspired Word of God. So John studied the Bible and other religious writings in depth and began to formulate the views expressed in this book. With the encouragement of relatives and friends, he has now put his thoughts in writing.

Being an independent woman makes her realize how short life is and how people should take advantage of every situation. Reading each poem would help change the way a person sees himself as an individual and how one would want to be remembered.

In this book, I will show why you need to persevere in your trials, temptations and pain in order to secure your destiny. God has promised you, of course, good things and a fulfilled destiny, but there is a process to go through. You must accept the process before you are given what has been promised. Many people, especially believers, want the best from God, but they are not ready for the process. Remember, process determines the end-product. The enemy cannot stop what God has made in the fiery furnace. It will stand the tests of time. Every believer must have a level of buoyancy just like a ball. The more you push a ball down in the water, once released, the higher the ball shoots into the air. The more you are pushed down in life, ostracized and told that you are nothing, the higher God will allow you to rise. The Lord will make the enemy out to be a liar and cancel every negative word spoken over your life. It is not as if the enemy (Satan) is stronger and has better weapons than we do. We, as children of God, just fail to pick up and use the weapons that God has given us to combat the enemy. Go with me in this timely book to encourage you

and inspire you towards your destiny.
