

## Valor Sons Of Scotland Book 2

Young Parliament member Anthony Trentham continues his quest to learn about his Scottish heritage in order to decide his next political move. Through stories read and told to him, he discovers more about his ancestors and the history of Scotland. He also encounters a feisty Highland lass who stirs his heart. Will he find the courage to stand up for his beliefs?

Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.

Retells sixteen tales of the faery from the Celtic lands, some in the form of poems and songs.

Reproduction of the original: The Girl's Book of Famous Queens by Lydia Hoyt Farmer  
Anything worth having comes at a great price.... A king's grandson robbed of his rightful inheritance.... Domnall Fitz William, the descendant of two kings, has spent his life desperately seeking the approval of the man who disowned him, and preparing for the day he will reclaim both the lands that were stolen from him... and the girl he loves. A knight's daughter who longs for justice.... As a young child, Davina of Crailing lost everything she loved--her family murdered and her home burned. As an orphan and heiress, Davina is taken in as a ward of the king, but his motives are far from benevolent. But her salvation will require his sacrifice.... In desperate need of a champion and protector, Davina turns to Domnall, but saving her will come at a great cost. When forced to choose, will Domnall leave Davina on her own to avenge the past, or will he surrender his own ambitions to find the missing piece of his heart?

George Buchanan (Scottish Gaelic: Seòras Bochanan; February 1506 – 28 September 1582) was a Scottish historian and humanist scholar. Brown says that Buchanan was "the most profound intellectual sixteenth century Scotland produced." His ideology of resistance to royal usurpation gained widespread acceptance during the Scottish Reformation. Brown says the ease with which King James VII was deposed in 1689 shows the power of Buchananite ideas. More cherished than gold are the Jewels of Kinfairlie, and only the worthiest of men may fight for their love...The Laird of Kinfairlie has unmarried sisters, each a gem in her own right. And he has no choice but to see them all wed in haste. Lady Madeline's heart is not for sale...especially not to a notorious outlaw like Rhys FitzHenry. Yet Madeline's hand has been sold, to none other than this battle-weary warrior with a price on his head. A more dutiful maiden might cede to the Laird's command and meekly accept her fate, but Madeline has never been obedient. She decides to run away, though she never dreams that Rhys will pursue her. She does not expect this taciturn man to woo her with fanciful stories, much less that each of his enthralling

tales will reveal a scar upon his shielded soul. She never imagines that a man like rays could imperil her own heart while revealing so little of his own feelings. When Rhys' past threatens his future, Madeline takes a leap of faith. She dares to believe him innocent - and risks her own life to pursue a passion more priceless than the rarest gem. "A lyrical medieval-era romance!" —Publishers Weekly "Claire Delacroix is always a winner for me with her tales of chivalry, passion and lush romance—I simply love her books. I found this one to be a great read, and recommend it highly to anyone liking a rousing, medieval-period romance. Five angels!" —Fallen Angel Reviews "Ms. Delacroix creates an atmosphere so real that you'll feel the wind in your hair as you race across the land with the protagonists. This writer is a genius at stirring the emotions of her readers and letting them share the excitement of the characters." —Rendezvous "Once again, Claire Delacroix comes through with an historical romance that does not disappoint...There are few medieval writers who can sweep me away as Claire Delacroix can. I cannot wait for the following books of this trilogy." —Romance Reader at Heart "Ms. Delacroix has painted a tale of love and romance fit to be framed...I quite literally devoured this book in a single day of reading. It was so entertaining and well written that I could not bring myself to put it down. I even forgot to eat because I was so wrapped up in this wonderful tale and, gasp, there was chocolate in the house!" —Coffee Time Romance "After reading this magnificent book, it's easy to see why Ms. Delacroix is considered one of the best medieval romance authors around. With careful attention to detail and a beautiful writing style, she whisks you to the Middle Ages for a grand romantic adventure...The Beauty Bride is a fabulous read!" —The Romance Studio "Ms. Delacroix has a wonderful way of pulling you into the story...you will not be able to put the book down until you are finished." —The Romance Readers Connection "The Beauty Bride is a book that captures you from the first page...a magical and inspiring story. Four hearts!" —Pink Heart Reviews "An exciting action tale fully packed with an assortment of well-defined forceful characters, both old and new...This is a prime example of the highly imaginative and entertaining novels Delacroix is celebrated for, in a stellar start to what looks to be a sensation new medieval series that is heading straight for my 'keeper shelf'!" —Historical Romance Writers "The Beauty Bride is a gripping read—a passionate, compelling treasure of a book." —Julianne Maclean, USA Today bestselling author

\*\*\*\*\* I've written many series set in my fictional medieval Scottish world of Ravensmuir, Kinfairlie and Inverfyre. This is the order in which the stories take place, although you can start with any series. I recommend you read each series in order. There's a tab on my website for ALL books in this world: <http://delacroix.net/ravensmuir/> I. The Rogues of Ravensmuir This is the first series to take place in this world. These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series. 1. The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense. Their relationship is a class war - he's the laird and she's a village girl - but there's an immediate attraction between them. Can Merlyn trust in love at first sight? Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help? This is the first book featuring Ravensmuir and in it, we learn the story of its sister holding, Kinfairlie. 2. The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love? In this story, Gawain meets his match, the enticing Eglantine, who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires. This is cat-and-mouse story of action, adventure and intrigue takes us from York to the highlands of Scotland, to Eglantine's home at Inverfyre. 3. The Warrior At the end of The Scoundrel, Inverfyre is lost to the notorious MacLaren clan, but years later, Eglantine and Gawain's son Michael - the Hawk of Inverfyre - returns to reclaim his legacy. He has need of an heir so he abducts Aileen to be his bride, never guessing that these two have shared a great passion in their past lives. At Inverfyre, Aileen is plagued by visions and fears she is going mad, while the Hawk is uncertain whether his beguiling new bride can be trusted—or whether she has let the MacLarens in the gate. This

medieval Scottish romance has some fantasy elements as it's a reincarnation story. II. The Jewels of Kinfairlie At the end of The Warrior, there is a family gathering at Inverfyre. We briefly meet Merlyn and Ysabella's son Roland, his wife Catherine, and their eight children. This series begins several years later, after Roland and Catherine's tragic death, when their oldest son Alexander suddenly becomes laird. The treasury is empty. The harvest will be poor. Alexander needs to see his sisters married as quickly as possible, but they wish to wed for love. 1. The Beauty Bride Alexander arranges an auction for the hand of his defiant sister, intending to manage the list of bidders - but a notorious mercenary, Rhys fitzHenry, pays the highest price. This arranged marriage doesn't begin well, as Madeline is a runaway bride, but Rhys pursues her, saves her, and tries to court her. I love that Rhys tells Madeline stories to win her heart, and that she quickly figures out that each choice of story reveals one of her husband's secrets. 2. The Rose Red Bride Alexander thinks he's learned his lesson and is thrilled when Vivienne's former suitor, Nicholas Sinclair, wants to claim her hand. It's a little uncommon that Nicholas wants to abduct his bride, but Alexander is sure that Vivienne will think that a romantic gesture, and when the wedding is held in the morning, all will be well. But the highlander seeking Alexander's agreement isn't Nicholas - it's his brother Erik in disguise, a man who needs a wife only because he needs a son to claim his legacy. He's not counting on Vivienne stealing his heart, too. 3. The Snow White Bride It's Christmas at Kinfairlie and a mysterious noblewoman seeks refuge in the chapel. When the sisters learn that she's a widow in need of protection, they decide to play a trick on Alexander and arrange his marriage. Eleanor thinks husbands are all the same, so is agreeable, although she isn't counting on Alexander's youth, charm, and desire to claim her heart. When her past catches up to her and Kinfairlie is at risk, how much will Eleanor sacrifice to see her new husband safe? What price will Alexander pay to defend his bride? 4. The Ballad of Rosamunde Rosamunde, the pirate queen and aunt of the siblings at Kinfairlie, was adopted by Gawain in The Scoundrel and trapped in the realm of the Fae in The Rose Red Bride. In this short story, a friends-to-lovers story, Padraig rescues Rosamunde, his valor making her realize that she loves him, too. III. The True Love Brides At the end of The Snow White Bride, Alexander decrees that his remaining sisters will marry for love. The portal to the realm of the Fae has been opened, though, and the Fae king Finvarra desires Elizabeth. Finvarra agrees that he will abandon his suit if four of the siblings marry their true loves, although Elizabeth knows that the portal to the Fae realm has to be closed as well. 1. The Renegade's Heart Isabella is smitten with a rogue knight, come to Kinfairlie to demand the return of his family's stolen treasure. She takes Murdoch's cause against that of her brother, then learns that Murdoch has been claimed by the Fae queen - who holds his heart still. Can a mortal maiden defeat an immortal queen by winning Murdoch's love for her own? 2. The Highlander's Curse Garrett is cursed to hear the thoughts of others as clearly as his own, a spell intended to make him an outcast so his legacy could be stolen. He finds solace in the company and the touch of gentle Annelise. Can Annelise's love heal him so he can recover his stolen legacy and give her the home - and the husband - she deserves? 3. The Frost Maiden's Kiss Malcolm returns to Ravensmuir after years as a mercenary with a hoard large enough to finance the rebuilding of his legacy and his soul due to the Fae. When pregnant Catriona arrives at Ravensmuir, Malcolm knows he can give her a future with a marriage of convenience that makes her child heir to Ravensmuir. Catriona expects nothing of men, but Malcolm's kindness and strength earns her love - and makes her determined to save his soul, regardless of the price. 4. The Warrior's Prize The mercenary Rafael thinks his companion's sister, Elizabeth, could be an angel come to earth, and one who will hold him accountable for his sins. Challenged by her and enticed by her, Rafael offers himself instead of his comrade Malcolm and begins to change his life with his choices. Can he save Elizabeth from Finvarra? He's determined to try, no matter what the risk to himself - and Elizabeth cannot resist a man who chooses nobly, just for her. IV. The Brides

of Inverfyre There is one sibling left unmarried (Ross) and we follow him to Inverfyre, where the children of the Hawk and Aileen also need to be married. 1. The Mercenary's Bride This Scottish medieval romance is a Christmas novella, the story of a knight returning to Inverfyre to keep his promise to the laird's daughter. Having been attacked and left for dead, Quentin is no longer the man he was and he blames the Hawk for the change in his fortunes. But his bitterness melts before the admiration of Mhairi, for the maiden he admired has become a beauty he would die to serve. 2. The Runaway Bride Even though Aiofe is a beauty and an heiress, she wants to marry for love. Her marriage is arranged to the oldest son of the Hawk of Inverfyre, but she chooses to flee instead, hoping that his cousin, Ross, will be sent after her. Aiofe intends to claim Ross's heart, no matter the price, for she knows with one glimpse that he's the man for her. Ross is caught between his duty and his heart - and the wicked MacLarens who would use Aiofe as a pawn in their own plan to possess Inverfyre. There will be more stories in this series, too. Most of the books are also available in audio. There are Family Trees for Inverfyre, Ravensmuir and Kinfairlie available as free downloads in my online store. The links are on my website, right here: <http://delacroix.net/ravensmuir/family-trees/> \*\*\*\*\* free medieval romance, free historical romance, free scottish romance, free series starter, free first in series, marriage of convenience, runaway bride, outlaw hero, beauty and the beast, scotland, wales, action adventure, intrigue, first in series, series starter, free read, Welsh rebel, Scottish medieval romance novel, arranged marriage, bride auction, wounded hero, stolen legacy, bastard son, fairy tale romance, Owain Glyn Dwr, Gelert, wolfhound, Gwraggedd Annwn, family saga, fae, religious relics, Scotland, Wales, enemies to lovers, scars, outcast, protector

The most complete memoir or primary account in English of two of the most important phases of the Thirty Years' War, *Monro's Expedition* is a regimental history, a guide to would-be mercenary officers, a social history, and a window into an earlier era. Although the Thirty Years War (1618-1648) ended three and a half centuries ago, it continues to intrigue readers as one of the most devastating wars in modern European history. Initially a religious/political confrontation, the conflict soon expanded into a continent-wide series of wars. *Monro's* account of his experiences is one of the most important primary sources of the period. From the creation of new tactical formations to improved military technology, the sheer magnitude of the crisis required new methods of waging war. Firsthand accounts by the combatants themselves are virtually non-existent, as rank and file soldiers were rarely literate, and their officers were only slightly more educated. *Monro* was a Scot who wrote proudly of his Scottish regiment and of his Scottish soldiers. *Brockington's* account retains the original spelling and punctuation and includes the original pagination within the new text for the benefit of readers searching for information cited elsewhere. Glossaries provide ready reference for place names, proper names, and archaic terms.

Scientists and other keen observers of the natural world sometimes make or write a statement pertaining to scientific activity that is destined to live on beyond the brief period of time for which it was intended. This book serves as a collection of these statements from great philosophers and thought-influencers of science, past and present. It allows the reader quickly to find relevant quotations or citations. Organized thematically and indexed alphabetically by author, this work makes readily available an unprecedented collection of approximately 18,000

quotations related to a broad range of scientific topics.

Presents the text, an English translation, and a commentary upon a medieval verse history of kings of Ireland and Scotland.

Reproduction of the original.

Containing entries for more than 45,000 English, Scottish, Welsh, Irish, Cornish, and immigrant surnames, *The Oxford Dictionary of Family Names in Britain and Ireland* is the ultimate reference work on family names of the UK. The Dictionary includes every surname that currently has more than 100 bearers. Each entry contains lists of variant spellings of the name, an explanation of its origins (including the etymology), lists of early bearers showing evidence for formation and continuity from the date of formation down to the 19th century, geographical distribution, and, where relevant, genealogical and bibliographical notes, making this a fully comprehensive work on family names. This authoritative guide also includes an introductory essay explaining the historical background, formation, and typology of surnames and a guide to surnames research and family history research. Additional material also includes a list of published and unpublished lists of surnames from the Middle Ages to the present day.

*Culture, Nation, and the New Scottish Parliament* asserts that while Scotland's new Parliament (1999) is a creation of laws, politics, and economics, some of the forces underpinning it are cultural, therefore constantly alive and insistently creative. Scotland may not be confined by, but has always lived within and moved forward and outward, through its signs and stories. In the moment of the new Parliament, it is time to cast up Scotland's accounts of past and present, and to review the nation's futures. Readers will find the usual signs of Scotland foregrounded, questioned, and re-energized as contributors trace the dynamic toward a Scottish Parliament. And they will find new signs, whether sounds, sights, or souvenirs come into play, revealing today's performance of a dynamic Scotland. Caroline McCracken-Flesher teaches the novel, the British eighteenth and nineteenth centuries, Scottish literature, and literary theory at the University of Wyoming.

*The Celtic Breeze* Stories of the Otherworld from Scotland, Ireland, and Wales  
Libraries Unlimited

Following the story of the Britons through the troubled centuries between 400 and 1100, this salient account reveals the critical role these native Celtic people played in the shaping of Scottish history during the first millennium AD?and how, unlike the Picts and the Vikings, their place in history has often been ignored. Studying the rise and fall of the northern Britons?from their departure of Rome to the birth of medieval Scotland, their heroic poetry commemorating the valor of their warriors, images of warfare, political rivalry, and the influence of Christianity running like a thread through the centuries?this remarkable discourse considers how and why the once-powerful Britons lost their distinct identity to join their old enemies the Picts as one of Scotland's vanished nations.
