A new edition of "the gold standard of career guides" ("Fortune"). In the 30 years since the first publication of "What Color is Your Parachute?, " the job market has become much more complex. The king of career guides helps job-hunters define their interests, experience, goals, and state of mind, then points them in the direction of a suitable, satisfying and profitable career.

"A modern guide for students on how to choose a major, create a four-year plan, make the most of your college experience, land an internship, and successfully secure your first job"--

For use in schools and libraries only. This annual guide to discovering personal goals and interests explains how to apply self-knowledge and awareness toward obtaining satisfying and rewarding employment.

The first interview book from the What Color Is Your Parachute? career guru Richard Bolles. Interviews instill fear in many a job-hunter, but this empowering guide from legendary career expert Richard N. Bolles reveals that interviews are really just conversations to determine if the work—and workplace—is a great fit for both parties. For the first time, Bolles combines his decades of experience with the latest studies and job-market research to create an all-in-one guide for the whole interview process, from pre-interview research to elevator pitches, “tell me about yourself” questions, and salary negotiation. This slender handbook provides just the essentials: the three most important things you need to know about interviews, the five questions you must have answers for, and an ingenious summary of how to succeed. With this guide in hand, you’ll walk into interviews with confidence, armed with the means to impress—and hopefully land your dream job

What Color Is Your Parachute? for Teens distills the time-tested advice of career development guru Richard N. Bolles into a friendly, approachable guide for students just starting on the road to college and career. Authored by teen specialist Carol Christen, this book helps students discover their interests and passions early, so they can identify their dreams and decide what additional schooling--and tuition debt--makes sense for their chosen field. With fresh updates on social media and the specific challenges of today's job-market, this new edition has all the wisdom teens (and their parents) need to build their futures and nurture who they want to be.
