black and yellow, it matters not. They are words of wisdom brought through the Ancients as truth that will touch every soul. The decision of the reader is of their choosing. If they choose to believe, and question what has not yet been; if they put book down and say, 'we never knew, we did not understand, ' then this book was written for good of all man and is recognised as such. We are building a bridge between your world and ours. You write, 'We are honoured to have been given these words by the Indian Nation, to pass on to reader.' We write, 'We are deeply honoured that we have been allowed to speak through these fine women.' Women whose beliefs have allowed them to overcome their doubts as to whether to publish these words. We say, 'Truth will always out.' We also say, 'These words give hope to many Indians, struggling to find where they belong in a mixed world.' - Two Rivers (Cherokee)

A traumatic event near the end of the summer has a devastating effect on Melinda's freshman year in high school.

The Vatican is broken... And Callie's hearing Whispers in the dark corners of her mind... One of the Vatican's most infamous Shepherds has been murdered, and Callie's friends are the prime suspects. To prove them innocent, Roland and Callie must risk their very souls... Because Callie can't reveal that she's hearing strange Whispers when she uses her magic, or that she's harboring an Angel's Grace. And if the Shepherds discover the hellish

bargain Roland made, the streets of Rome will flow with blood as brother turns against brother. And with the Antipope pressuring the Vatican for change, and Nate Temple arriving unannounced to demand an audience with the Shepherds, things couldn't get any more chaotic. Until Callie learns of an ancient order of traitors hiding in the Vatican, and they'll do anything to bring it down - brick by brick. The only way to find the traitor, keep her secrets, and save those she loves is to raise her blade against these Holy warriors of God, shattering the Vatican itself. And the Whispers in her head find all of this so terribly... amusing. If you like Patricia Briggs, Ilona Andrews, Linsey Hall, McKenzie Hunter, or Ella Summers, you will LOVE the third installment of the Feathers and Fire series.

Simplified Chinese and English bilingual edition of Dr. Seuss classics: the Sneetches and other stories
Callie Penrose - a wizard with a splash of Angel's blood flowing through her veins - kind of broke the Vatican and their band of Holy-warrior, wizard-priests, the Shepherds. Officially, the report stated Callie forgot to turn the other cheek, and things escalated; She returns home to Kansas City to find new gangs of supernaturals roving the streets, preying on the innocent while the local factions do nothing. Although not unified, everyone seems to agree on one point; Callie Penrose must die. And she's still hearing those strange Whispers in her mind - much more frequently than before, and not nearly as; forgiving. But when an epic betrayal

blindsides her and she discovers the truth of her birth - why Heaven and Hell have been so interested in her - Callie's world begins to crumble, and she must decide whether she wants to be a good girl; Or if it's time to be a little naughty.No matter how hard you try, you can't make an Angel cry; They just roar.

INTERVIEW WITH THE AUTHOR:

Q: So, what makes your writing so special? **A:** I wanted to write stories that mirrored the books I liked to read in my childhood. My top picks were usually urban fantasy, paranormal best sellers, and of course, books featuring your classic gritty, pulp-fiction heroes. Basically, anything with a lot of creepy crawly supernatural characters: mythical creatures, ancient heroes, super villains, and gods. You will find that my stories focus on the ancient myths, characters, and stories we all know, fear, and love. Then twist them up and toss them back like an empty beer can.

Q: Aside from Nate Temple, what other books do you write, and what order should I read them in? **A:** I also write the Amazon Bestselling Feathers and Fire Series that takes place in the Temple Universe about a young female wizard named Callie who hunts monsters for the Vatican:
