In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Why Mosquitoes Buzz in People's Ears." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Classic Tales: Why Mosquitoes Buzz in People's Ears

This is a West African story about a chain reaction that starts with a mosquito's tall tale and culminates with an owl's refusal to hoot and wake up the sun.

Reveals the meaning of mosquito's buzz.

A mosquito's lie sets off a series of reactions in the jungle that results in the owl's refusal to wake the sun and the lion's decision to call a meeting of the animals.
