Trying to figure out the new Windows 10? This book is the answer to all your questions. Read below. This book is a great introduction to the Windows 10 operating system. Windows 10 is a significant upgrade to Windows 7 and Windows 8. There are several new features that will significantly increase your productivity, improve your life and your business. Windows 10 is a smart hybrid operating system which is designed to eliminate the gap in between mobile and desktop platforms. The first attempt for such objective was made by Microsoft with its Windows 8 release. Windows 10 is also the current operating system product and is a work in progress type of software. That is, all the other software launched in this category were a one-time release, however, Windows 10 is not just another version of windows that will fade away with time, instead of releasing new windows product, Microsoft will be adding new features to Windows 10 itself. Hence, as there will be no new windows product release by Microsoft again, Windows 10 is known as the last version of windows. With windows features addition via updating, people won't have to worry about backing up their data again whenever they have to upgrade the operating system of their machine. Moreover, Windows 10 is the fastest and smartest windows product ever made by Microsoft. In this book, you will exactly learn why it is so and also learn everything that you need to know about Windows 10, from its upgrade requirements to its features and tricks. Windows Vista lacked in usability and user-friendliness, Windows 7 was alright but never a user-favourite. Windows 8 and 8.1. had many more flaws, primarily the lack of start menu. Windows 10 tries to address all of these issues, and it does so pretty successfully. In our book, we will show you just what makes Windows 10 great for you. Here's what you'll learn in this book: Difference between Windows 7, Windows 8 and Windows 10 Installation of Windows 10 Upgrading to Windows 10 10 new features in Windows 10 Photos App in Windows 10 Personalization features in Windows 10 Shortcut keys in Windows 10 We guarantee that you will be well versed in Windows 10 by the end of the book. Scroll up and download Tags: Windows 10, user guide, programming, operating system, Microsoft, updated and edited, upgrade, the ultimate guide, beginner's guide, how to upgrade to windows 10, new Windows 10, Windows 10 features, how to operate, start menu, task view, file explorer, widows Microsoft, upgrade, computers, database programming.
